

# DEMOCRATS OF CASS COUNTY ENJOY A LARGE AND MOST HARMONIOUS CONVENTION

Every Precinct and Ward But Two Represented, Seventeen Delegates to the State Convention At Grand Island Selected, New Committee Named, W. D. Wheeler Elected Chairman.

Pursuant to call of J. S. Livingston, chairman of the county central committee, the democrats of Cass county met in convention at the district court room in Plattsmouth on Saturday, July 27, 1912. The meeting was called to order promptly at 2 o'clock by Dr. Livingston, who called D. W. Foster of Union to the chair, and, on motion, Col. M. A. Bates was made secretary. The temporary officers were made permanent.

After reading the call of the chairman the selection of seventeen delegates was taken up, and also the manner of selecting them. On motion it was decided that each commissioner's district be entitled to five delegates, and that the county delegates select those five names to represent the district in the state convention at Grand Island.

The delegates from the three districts assembled in various parts of the house, and after due deliberation reported the following delegates:

First District—W. D. Wheeler, J. R. Vallery, George W. Snyder, J. S. Livingston and Fred Patterson.

Second District—W. B. Banning, Joe Zimmerer, John Tighe, A. R. Stander and Z. W. Shraler.

Third District—O. H. Allen, L. F. Langhorst, S. C. Boyles, George P. Foreman and Oscar Zaar.

Then it became necessary to select two delegates for the county at large, in order to get the full quota of the county. Several names were placed in nomination. A ballot was taken and A. J. Snyder and W. H. Puls receiving the highest number of votes, were declared elected.

At the precinct primaries members of the county central committee were elected, which were reported as follows:

Tip-ton—Henry Snok and Ed Carr.  
Stove Creek—L. F. Langhorst.

Elmwood—Charles Long, Louisville—C. M. Seybert, Mt. Pleasant—F. M. Massie and P. A. Hill.

Nehawka—M. G. Kime and J. G. Wunderlich.  
First Rock Bluffs—Dop C. Rhoden.

Second Rock Bluffs—E. S. Barrows.

Greenwood—George P. Foreman and Frank Davis.

South Bend—Oscar Zaar, Center—John Tighe.

Avoca—M. M. Straub and J. C. Zimmerer.

Eight Mile Grove—W. H. Seybert and John Lohnes.

Liberty—James T. Reynolds.

Plattsmouth—G. W. Snyder and Will Bummel.

Plattsmouth City—First ward, Rae F. Patterson; Second ward, A. J. Snyder and J. P. Sattler;

Third ward, P. J. Vallery and Frank Libershall; Fourth ward, John Schulhof; Fifth ward, J. F. Libershall.

Dr. Livingston declining to serve any longer as chairman of the committee, it became necessary to choose another. Several names were placed before the convention, and almost as fast as nominated declined, until declining became so monotonous that, upon motion of Col. Bates, W. D. Wheeler was forced to serve by a unanimous vote of the convention.

The county was well represented, all the precincts answering the call except Salt Creek, Weeping Water city and Weeping Water precinct. No doubt the heavy rain the night previous prevented many from coming. But nevertheless, the convention was one of the largest ever held, which denoted that the democrats were enthusiastic and that Cass county was in line to give a good report for Wilson and Marshall, John H. Morehead and the state ticket on November 5.

## Put in Additional Machinery.

J. H. McMaken today commenced work on placing some additional machinery in position at the pumping station for the Plattsmouth Water company. A two-ton pump was lowered into a fifteen-foot excavation and another pump placed in concrete by the company.

## TEACHERS COME TO PLATTSMOUTH NEXT WEEK

Everything Indicates One of the Most Successful Gatherings Every Held in the County.

Miss Mary Foster, county superintendent of public instruction, has just had printed at the Journal job rooms a neat little booklet containing a list of instructors, with cuts of the individuals, a number of announcements and the program, both for entertainment and institute work. A copy of this booklet has been mailed to every teacher in the county, as it contains all of the information about which the teacher is apt to inquire.

In looking over the booklet we have come to the conclusion that the present institute will surpass in interest and importance the work done at any previous one.

Among the names of the instructors we note that of Superintendent A. H. Waterhouse of Fremont, one of the leading educators of the state. He will instruct in the art of teaching writing and arithmetic and will conduct the round table talks to beginners and also to experienced teachers. Mr. Waterhouse has been engaged in school work in Nebraska for the past twenty-five years, and is very popular in Cass county, having been identified with the Weeping Water public schools as superintendent as long ago as that. He has met with the best of success and is one of the finest of disciplinarians. He has always kept in the forefront on the question of methods, and as an educator there is none better in the state. Since leaving the Weeping Water school he has been principal of the Omaha High school, the Lincoln High school and superintendent of the Grand Island and Fremont schools. Cass county teachers are fortunate in having an opportunity to draw inspiration from so able an educator.

## SUNDAYS BALL GAME FAIRLY WELL ATTENDED

Boosters Win by Score of 6 to 2—Visitors a Strong Team, but Not Strong Enough.

One of the good games of the base ball season was pulled off on the Plattsmouth diamond yesterday afternoon, at which time the Boosters met the Baum Iron aggregation of Omaha. The visiting team, as usual, came to bat first, in which inning they made one run and another in the second, while at the same stage of the game the boosters received the double 00. The game continued with the latter results for both teams up to the eighth inning, when the home team placed two men on bases and that terrible Indian pitcher came to bat and lined out a good two-bagger and both men came home. At this time the visiting team went up in the air and several times simply threw the ball away and the home team passed four men over the home plate with ease. Only the two first runs were well earned by the home team, the balance could be credited to errors. The game closed with the score 6 to 2. Should the visiting team have played ball in the fatal eighth inning we probably would have seen another good one similar to that of July Fourth.

The Boosters played good ball for the entire nine innings, with the exception of being just a trifle wild in the fore part of the game. McKaig was up to his usual high standard and Mann was behind the bat all the time and was playing the game, too. Their support was good and every man displayed evidence of considerable practice work, especially at the stick, their batting average being greatly on the increase.

The Boosters are greatly strengthened also by the addition of Connors and Souders, who played their first game yesterday and were onto the job all the time. In addition to Connors being a good twirler he is a ball player any place and all the time. The Boosters are now in excellent condition to meet most of the good ones. Look for another good one next Sunday.

Visits Son in Hospital. Mrs. Philip Tritsch went to Omaha yesterday morning to spend the day at St. Joseph's hospital with her son, who was operated on for appendicitis and had a very narrow escape with his life some days ago. Mrs. Tritsch found her son improving and it is expected that he will be able to be up this week, and by Saturday well enough to come home.

## GRAIN OF CORN LODGED ON LITTLE BOY'S LUNG

The little son of Jacob Lohnes, while playing at his home last week, got a grain of corn in his throat, which, in trying to cough up, he inhaled further into his windpipe and carried down into his right lung. The little fellow was taken to St. Joseph's hospital, in Omaha, where it was expected that he would undergo an operation this morning. The irritation caused by the foreign substance in the lung caused him to cough incessantly. The physician thought the condition of the boy quite serious and the result of an operation is quite uncertain and also a serious matter. It is very unfortunate for the family and the parents of the little boy are very anxious concerning him.

## Babe Drinks Fly Poison.

The infant child of Mr. and Mrs. Ollie Spratt drank a quantity of the poisonous liquid from a "Daisy" fly killer Sunday morning, and for several hours the life of the little one was despaired of. Medical assistance came to the rescue just in time, and by Sunday evening the babe had emerged from the stupor into which it had fallen under the influence of the poison. By Monday morning it was none the worse for the accident, save its weakened condition.—Elmwood Leader-Echo.

## Mail Carriers Will Fly.

This is an age of great discoveries. Progress rides on the air. Soon we may see Uncle Sam's mail carriers flying in all directions, transporting mail. People take a wonderful interest in a discovery that benefits them. That's why Dr. King's New Discovery for Coughs, Colds and other throat and lung diseases is the most popular medicine in America. "It cured me of a dreadful cough," writes Mrs. J. F. Davis, Stickney Corner, Me., "after doctor's treatment and all other remedies had failed." For coughs, colds or any bronchial affection it's unequaled. Price 50c and \$1.00. Trial bottle free at F. G. Fricke & Co.

N. J. Jordan, Cashier Bank of Woodville, Woodville, Ga., had a very severe attack of kidney trouble and the pains in his kidneys and back were terrible. "I got a bottle of Foley Kidney Pills from our druggist and they entirely relieved me. I have more benefit from them than any other medicine." For sale by F. G. Fricke & Co.

Summer colds are hard to get rid of, and frequently leads to asthma, bronchitis and hay fever. Do not let your cold get a hold on you, but use oFley's Honey and Tar Compound for quick relief. W. H. Allen, Shelsea, Wis., says: "We prefer Foley's Honey and Tar Compound to other cough medicines because it quickly cures coughs and colds. It will ward off a cold if taken in time." Contains no opiates. For sale by F. G. Fricke & Co.

Queen Quality Oxfords for ladies, the \$3.00 grade, at \$1.98. E. G. DOVEY & SON.

F. G. Fricke was an Omaha visitor yesterday morning.

Peter Herald Home. Mr. and Mrs. Pete Herald, who have been over at Pekin, Illinois, for the past few days, returned home yesterday morning. Mr. Herald was called home on account of his brother receiving a serious injury from the kick of a horse. He reports his brother getting along nicely.

George L. Higbie, Manton, Mich., used oFley Kidney Pills for kidney and bladder trouble. He says: "I find for my case no other medicine equals Foley Kidney Pills for beneficial effect." They are a safe and reliable medicine for kidney trouble and rheumatism. Contain no harmful drugs. For sale by F. G. Fricke & Co.

## SERIOUS ACCIDENT SATURDAY EVENING

Horse Frightened by Automobile, Occupants of Vehicle Thrown Out and Horse Injured.

A. Robb, while driving with another young man Saturday evening, met with quite a serious accident, resulting in crippling his driving horse. Young Robb was driving north on Sixth street nearly opposite Ericke's drug store, when an automobile came up behind and frightened his horse, and as it started to run another automobile came toward the frightened horse from the Riley hotel corner. The horse became unmanageable, whirling about suddenly and upsetting the buggy, which was a new one, throwing the two young men to the pavement.

Parties standing on the walk on each side of the street rushed in and seized the horse by the bit and got it stopped before the driver and his companion could regain their feet. In the mix-up the horse, in kicking against the sharp corners of the buggy tire, almost severed the tendons of its left hind leg. Dr. Greeder was summoned and rendered assistance. It was his opinion that the horse was not permanently injured. The horse was taken to the Manspeaker livery barn and placed in a box stall. No blame could be attached to anyone, as no negligence could be charged to the chauffeur of either machine.

## JUDGE BEESON IN TROUBLE AT ELMWOOD

It is not very becoming of anybody—to say nothing of a county official—to attempt petty thieving. This we say in all earnestness, and we are not going to be a bit slow exposing the county judge. The said officer, Mr. Allen J. Beeson, did, on a recent visit to this village, walk from the Hart hotel with a piece of table silverware in his pocket; the theft was discovered soon thereafter by an associate, but in the presence of witnesses whom we can name. The piece of silverware was taken by President Waters of the bank and returned by him to the hotel. Manager Hart of the hotel will not prosecute and the judge would not get his just dues at all if we did not air the thing in this paper to the extent of reliable reports at hand.—Elmwood Leader-Echo.

## The State Fair.

The horse and cattle exhibits for the coming Nebraska State Fair, September 2 to 6, give promise for a show of record-breaking proportions. Already Superintendent R. M. Wolcott of Palmer reports the reservation of horse stalls greatly in excess of those made a year ago at this time, and Superintendent E. R. Danielson of Osceola says that cattle stalls are reserved daily.

## Sunday at Lake Manawa.

Mr. and Mrs. Hans Seivers and family, Mr. and Mrs. John Weckman and family and Mrs. Peter Mumm composed a party that took the train yesterday morning for Lake Manawa to spend the day. Well filled baskets with plenty of good things to eat and a day at Lake Manawa is a most pleasant one. They returned late in the evening.

George L. Higbie, Manton, Mich., used oFley Kidney Pills for kidney and bladder trouble. He says: "I find for my case no other medicine equals Foley Kidney Pills for beneficial effect."
