A NARROW ESCAPE FOR HENRY RICE LAST NIGHT

Henry Rice, who has been working with the Poissall grading crew at Murray, met with a serious accident last night, which for a time it seemed he would not survive. At the time the accident occurred Henry was riding a blind horse over a bridge and the horse stepped off the end, falling several feet, carrying young Rice down with him. A gash seven inches long was cut in one leg and he was frightfully bruised and battered, while the horse was crippled very badly. Henry was brought to Plattsmouth as quickly as possible, arriving here about 10 o'clock, and had Dr. E. W. Cook dress his injuries. For a time Henry's life was despaired of, but he finally rallied and is doing as well as possible under the circumstances.
