## \$10,000 Worth of Dependable "Shoes" to be Sacrificed AT MANUFACTURER'S COST AND LESS!

**Circumstances have arisen that prompts us, and we have decided to, and are Positively Going to Discontinue, and Go Out of the Shoe Business Entirely!**

We appreciate the favors bestowed on us and our time honored little institution, and thank all those who have assisted us with their patronage and made any portion of our 35 years of business a pleasure, and we will always have a warm spot in our hearts for all our loyal and faithful customers who have had consideration enough for the building up of our city to practice *community prosperity* and *community welfare* by leaving their *shoe money at home with us*.

The shoe buying public has so appreciated our *quality values* and *low prices* during our *money raising shoe sale* that our Summer stock has been reduced beyond our expectations, but in consideration of us *going out of business entirely* the preparatory "*price cutting*" knife has been inserted into both *profit* and *cost* on the remaining portion of all our Summer shoes in order to *clean out to the last pair*.

## SHOES AT $\frac{1}{2}$ RETAIL PRICE AND AT COST PRICE
