THOUSANDS OF DOLLARS SPENT IN IMPROVEMENTS

Plattsmouth Has More Than Held Her Own This Season in the Way of Improvements.

From Wednesday's Daily.

The past season has been filled with a great many building operations in the city of Plattsmouth and shows a steady and conservative growth of the city. There has been no sudden unhealthy boom in the real estate values, but they have been the result of the confidence of the citizens and business men in the future of Plattsmouth and its business interests.

The new Modern Woodmen building was the first of the building operations to be started, and it is a beautiful monument to the energy of the gentlemen who started the project and put it into execution. This is one of the most modern and up-to-date buildings in the city and is an ideal one for the use of a lodge or social gathering, being provided with large assembly hall, dining room, cloak rooms, toilet rooms, kitchen and all equipped with the most modern fixtures.

The new front on the Wescott building is another great addition to the appearance of Main street and is modern and up-to-date in every respect and cost these enterprising gentlemen several thousand dollars and they deserve great praise for their efforts to make the store one of the best in this part of the state.

The Gem theater, which has been built in the Coates' block, is one of the prettiest and neatest homes of the motion picture art in this section and its front will compare favorably with those in the larger cities, and reflects credit on Manager Shlaes, who has been so persistent in his ef-

forts to secure such a delightful place of amusement for the people of Plattsmouth and vicinity.

The Parme theater, which is under the same management as the Gem, is also undergoing a complete overhauling, having a new steel ceiling put in, the interior is being painted and the lighting facilities will be extended, making the theater modern and first class in every respect.

The new Leonard building on Main street, being erected at a cost of several thousand dollars, is another proof of the fact that the city is forging to the front, and when the building is completed it is going to be one of the swiftest one-story buildings in the city.

The Paragon laundry building on Fourth street, which was erected especially for use of the laundry, is one of the model buildings of its kind and will give Plattsmouth a splendid laundry that can produce work as good as can be turned out anywhere in the state.

The city will soon be able to move into their building, which they recently purchased on Fifth street, and which they have had remodeled for use as a city hall and headquarters for the street work department of the city government as well. This makes an ideal location for this department, as everything is where it can be easily gotten at when needed by the street workers.

In the residence portion of the city remodeling and repairing have been the order of the day, and no city of its size can boast of more handsome and comfortable homes than Plattsmouth. Two very fine residences are now in the course of construction—the cottage of August Cloldt on Main street, which is almost ready to occupy, and the bungalow of Mrs. James Allison in the Second ward, which, when completed, will be one of the most beautiful homes in the city and will cost several thousand dollars.

For Assessor.

L. A. Tyson, republican candidate for county assessor. Resided in Cass county 46 years. County clerk of Cass county 4 years. Your votes solicited.

ANOTHER OLD COMRADE ANSWERS LAST ROLL CALL

Funeral of the Late Andrew C. Edwards Largely Attended by Sympathetic Friends.

From Wednesday's Daily.

The funeral of the late Andrew C. Edwards was held this morning at the Methodist church and was attended by a large number of the sorrowing friends of the departed. The funeral sermon was delivered by Rev. L. W. Gade of the Presbyterian church, in the absence of Rev. Austin at the conference, and was most eloquent in its tribute to the departed, and full of consolation to the sorrowing relatives and friends.

The music was furnished by Mrs. E. H. Wescott and Miss Alice Tney, who sang several duets of the favorite hymns of the deceased. The Grand Army was present at the church in a body and conducted the services at the grave. The pall-bearers were selected from the members of the local G. A. R. post and bore the flag-draped casket of their departed comrade to its final resting place in Oak Hill cemetery. The active pall-bearers were: John Fight, Justus Lillie, Edward Bates, Robert Troop, Thomas Glenn and W. H. Freese.

U. A. Smith, Bridgeton, Ind., had kidney trouble for years, and was so crippled with rheumatism he could not dress without help. He started using Foley Kidney Pills, and says: "I began to get better at once, and now all my trouble has left me and I do not feel that I ever had rheumatism. I rest well at night and though 59 years old, can now do the work of a man of 35 years. I would like to be the means of others getting benefit from Foley Kidney Pills." Refuse substitutes. For sale by F. G. Fricke & Co.

Peaches.

Will have a number of bushels of peaches for sale. H. L. Oldham.

EVENTS IN PLATTSMOUTH TWENTY-EIGHT YEARS AGO

A Few Items Taken From the Daily Journal of September 18, 1884.

News items being rather scarce and hard to get, we clip the following items from the Daily Journal of Thursday, September 18, 1884, which was then published by Sherman & Courtright, Charles S. Sherman now resides in Oregon, while John Courtright lives in Lincoln and is doing service on the Lincoln Daily Star. These items will perhaps be read by many who resided in Plattsmouth at that time with interest: Plattsmouth, Milford, Beatrice, Lincoln and Omaha have sent committees to Dayton to fight for the soldiers' home in Nebraska. Iowa has also at least five committees and Kansas about the same number. This city has the smallest committee in point of numbers of the entire lot.

Miss Jessie Calder, formerly of this city, but now living at Wymore, will, on Tuesday next, become the bride of a Mr. Dyer of that place. Rev. Burgess of this city will perform the ceremony, and Mrs. Mary Hawksworth will assist as bridesmaid. A number from this city will go out to attend.

A lover's alarm clock has just been brought out to refresh the memories of those happy couples who are too absorbed by each other to notice the sleepiness of their relatives. As the clock strikes 10 p. m. two little doors open and a man attired in dressing gown and cap, glides out, holding in his hand a card with the inscription, "Good-night," a hint which rarely fails to be understood.

J. R. Hunter, who was done up yesterday by the bogus agent for Wells, Fargo & Co., was taken in again this morning. A fellow over at the Junction gave him a fine-looking hunting dog, upon condition that he would stand the treats. Jim stood treats and then went off and bought a new dog collar for his dog. When he got over here he walked up street leading his dog, when a little girl came up and claimed it, saying it belonged to Dr. Livingston.

St. Luke's church was filled to its utmost capacity yesterday afternoon to witness the ceremony wherein Mr. Charles D. Cummins and Miss Eliza Smith were to accept each other for better or worse for the rest of their lives. Promptly at 4 o'clock standard time the wedding party appeared at the door of the church, and while Miss Anna Livingston rendered Mendelssohn's wedding march, advanced to the altar in the following order: First came Kittie Cummins, the flower girl, attired in white with blue ribbons, then followed the groom upon the arm of Mr. Henry Mayer; following was the bride supported by Capt. J. W. Marshall.

E. O. Mayfield Here Today.

From Wednesday's Daily. E. O. Mayfield of South Omaha arrived in the city this afternoon to make a short visit with his many friends. Mr. Mayfield has but recently returned from California, where he went for his health, and he has all the appearances of having found the fountain of perpetual youth, looking several years younger than when he left here.

New Baby Girl.

From Wednesday's Daily. News has been received in this city of the arrival of a fine nine-pound girl at the home of Mr. and Mrs. Charles Kirschenblatt in Omaha Sunday evening. The mother and little daughter are doing nicely and at last reports it was thought Charley would recover. The many friends here will extend their congratulations.

\$80,000,000.00 Lost Annually by Wage Earners.

Dr. Sadler estimates that about \$80,000,000.00 in wages is lost annually to the American people as a direct result of colds. Lost time means lost wages and doctoring is expensive. Use Foley's Honey and Tar Compound promptly. It will stop the cough and heal and soothe the sore and inflamed air passages. For sale by F. G. Fricke & Co.

Chicken Pie Supper.

The ladies of Eight Mile Grove church will give a chicken pie supper Saturday evening, September 21, at the home of Charles Mutz, one-half mile south of the church.

TRUTHFULL REPORTS

Plattsmouth Reads Them With Uncommon Interest.

A Plattsmouth citizen tells his experience in the following statement. No better evidence than this can be had. The truthful reports of friends and neighbors is the best proof in the world. Read and be convinced.

Jonathan Hatt, general storekeeper, 414 Main street, Plattsmouth, Neb., says: "I consider Doan's Kidney Pills a very effective remedy for backache and other kidney troubles. They have proven their value to me. Other members of my family have also tried this preparation, getting our supply at Rynott's Drug Store. They think just as much of it as I do."

Mr. Hatt is only one of many Plattsmouth people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Hatt had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

Here From Idaho.

From Wednesday's Daily. J. L. Goehry of Murphy, Idaho, who has been visiting at his home at Murdock for the past two weeks, arrived in this city this morning and is a guest of the F. R. Guthmann home. Mr. Goehry is in partnership with Mr. Guthmann's son, Charles, at Murphy, in the general merchandise and lumber business. Mr. Goehry and Mr. Guthmann, sr., were pleasant callers at this office. Mr. Goehry renewing Charles Guthmann's subscription to this paper.

Mrs. J. N. Hill, Homer, Ga., has used Foley's Honey and Tar Compound for years, and says she always recommends it to her friends. "It never fails to cure our coughs and colds and prevents croup. We have five children and always give them Foley's Honey and Tar Compound for a cold, and they are all soon well. We would not be without it in our house." For sale by F. G. Fricke & Co.

A really effective kidney and bladder medicine must first stop the progress of the disease and then cure the conditions that cause it. Use Foley Kidney Pills for all kidney and bladder troubles and urinary irregularities. They are safe and reliable. They help quickly and permanently. In the yellow package. For sale by F. G. Fricke & Co.

TO HORSE OWNERS:

The prevalent horse disease is causing enormous losses to farmers in Nebraska and Kansas, and is now creeping over into the Dakotas, Iowa and Missouri.

We have just issued a bulletin telling about the use of Germozone for prevention of this disease. Germozone has won fame in the prevention and cure of disease of poultry and stock. Our dealers in the infected territory have been selling Germozone to Stockmen and report that Germozone in the drinking water for horses seems to render them singularly immune from the terrible disease.

One thing certain, rush orders are pouring in hourly by mail, phone and telegraph for Germozone from several hundred Kansas and Nebraska towns. Cures have also been reported but prevention is far better than cure.

Germozone given in the drink, kills germs in the water and also in the food. It is also used in case of sickness by nasal and rectal injection.

Send for the new circular to a pair of water. Give daily in all drinking water if contagion nearby. Twice a week otherwise.

Germozone is antiseptic and a bowel regulator.

Prepared only in 12 oz. bottles at 50c each

Fifty tablet packages at 50c per package.

We have 2,000 exclusive dealers in Nebraska, Kansas, the Dakotas, Iowa and Missouri selling Germozone.
