

A HOT BALL GAME SUNDAY AFTERNOON

The Plattsmouth Boosters Win From the Shamrocks by a Score of 5 to 3.

The Shamrocks have come and gone and the Boosters have the honor of having won victory from what seemed certain defeat. The Shamrocks started in the first inning to score. They made a safe hit to center field and the next man up hit one out to Hasson in the right garden, who became excited and allowed the ball to go through his hands and it became lost in the weeds. The Shamrock boy kept right on running and secured a home run, giving them two scores in this half, as Yost and Fletcher both made outs. Plattsmouth was unable to connect with any good results and they retired in one, two, three order.

The second innings also proved lucky for the Shamrocks. The first man up struck the air violently three times and set down, when George Kennedy, the veteran ball player, came to bat and placed one over the left field fence for a home run. This ended the Shamrocks' scoring and during the rest of the game Noah had them eating out of his hand, having them completely at his mercy throughout the remaining innings.

The Boosters started the fireworks in the seventh inning, when, with two out, Ed Long hit safe to right field. Hasson followed this with another safe bingle, advancing Long, and then Louie Smith came forward with his little bat and proceeded to nail one out to left field, scoring Long and Hasson and creating the wildest enthusiasm among the fans present.

The Boosters, in the eighth, began to go after the game. Mann hit safe; Arries was out on a fly to Kennedy; McCauley hit to Mayfield at short, who was not able to handle it and Mac was safe at first, and Mann and McCauley both scored on Herold's drive to right field. Herold scored on C. Smith's sacrifice, Smith being thrown out at first. Long was out on a fly to center field.

The surprises of the game was the great work of the recruits with the stick at critical stages of the game, Long and Hasson starting the batting rally that won the game. The team has got a splendid third baseman in Arries and you want to keep your eye on him in the future. Noah, who pitched for the Boosters, was on the job all the time and had the game under control all the time. It was unfortunate that Ballance could not be secured to umpire the game, as he has splendid judgment and gives satisfaction to everyone. The umpire yesterday was in poor voice and depended too much on the grandstand for his decisions.

It is the intention to secure the soldiers from the rifle range for a game next Sunday, and they will put up some game, too. The game closed with a victory for the Boosters by a score of 5 to 3.

The score by innings was as follows:
Shamrocks2 1 0 0 0 0 0 0—3
Boosters0 0 0 0 0 2 3 *—5

The Home of Satisfaction

Attends House Party at Omaha.

Miss Ida M. Johnson spent Sunday in Omaha, where she attended a house party at the home of Miss Little Samuelson. A lovely luncheon was prepared at the home of Miss Mabel Michelsen, at which her sister, Miss Svea, was honor guest. Different and splendid amusements had been planned for the afternoon, which displayed the talent and charm of Misses Michelsen and Samuelson. The entertainment given on the lawn in the early part of the evening was much praised and appreciated by all the guests, and at which Miss Jennie Michelsen proved herself a favorite by her splendid acting and which speaks well for her future success. Miss Johnson returned on the late train, accompanied by Miss Freda Wallengren, who was also a member of the house party.

ROAD OVERSEER NOTIFIED TO REPAIR RIFLE RANGE ROAD

The committee from the Commercial club interviewed County Commissioner Martin Friedrich this morning in regard to fixing the road to the rifle range, north of this city, and the commissioner notified the road overseer to begin work at once on repairing the road. The city is just finishing the grading of the road from the Masonic Home to the old Beeson place north of the city. This is a piece of road that has been in dispute between the county and the city, and now that the work is done it makes that piece of road in very good shape. The roads through this city will probably be traveled quite extensively during the Ak-Sar-Ben festivities and they ought to be placed in good condition.

Old-Fashioned Dance.

The Missouri Tribe of Red Men have decided to give another of their old-fashioned dances on Wednesday evening, September 25, at their hall. These dances have proved to be very enjoyable affairs and always draw a fine crowd, so be sure and attend.

In County Court.

The county court was occupied this morning in hearing the claims against the estate of H. C. McMaken, and also in the estate of the late Francis M. Richey.

W. K. Fox in Lincoln.

W. K. Fox, county treasurer of Cass county, came up from Plattsmouth Tuesday for a few days' visit with relatives and friends, and paid his respects to this disseminator of brotherhood and manly decency. We took him out for an auto ride and showed him some of the beauties of this great capital city. "Kelly" is much pleased with Lincoln and says it is no wonder Omaha is boosting for a new capitol building for us.—Lincoln Herald.

Has Leg Injured.

George Verhule, who is employed in the boiler department of the local shops, had the misfortune this morning to drop a large fifty-pound piece of steel on his left leg, bruising it so badly that it was necessary for him to seek a doctor. George will be off the job for a few days.

Cedar Creek Wins.

The Sunny Side base ball team came to Cedar Creek Sunday and crossed bats with the second team of that place. When the smoke of battle rolled away the Sunny Side boys discovered they had been up against a fast team, being defeated by a score of 7 to 4. The batteries for the home team were Keil and Meisinger, and for Sunny Side, Shafer and Volk. One of the Journal Readers.

OUR COLUMNS CROWDED WITH ADVERTISING

Owing to the large amount of advertising matter that is being carried in the Journal, it becomes necessary to crowd out a number of news items, and Pastor Russell's sermon, which will appear in Thursday's issue of the Journal.

Visits With Grandparents.

Attorney W. C. Ramsey, wife and little son, William Cook Ramsey, came down from Omaha yesterday and were guests at the home of Grandpa and Grandma Ramsey, returning to Omaha on the evening Missouri Pacific train. This was little William Cook Ramsey's first visit with Grandpa and Grandma Ramsey and most certainly was very much enjoyed by the latter.

WILSON AND MARSHALL CLUB ORGANIZED IN PLATTSMOUTH

The democrats of this city held a meeting at the council chamber Saturday evening and perfected the organization of a Wilson and Marshall club. The meeting was organized by electing D. O. Dwyer president, J. M. Roberts, treasurer, and Frank Smith, secretary. There was a great deal of enthusiasm shown by the members present, and plans were made to enlarge the membership of the club by the appointment of a rustling committee, and before another week the club will probably number several hundred. Let every voter who believes in the principles of justice and equality, for which the democratic candidates stand, enlist in the battle and become a member of this organization. The prospects for a victory for the democracy will be brightened by the organization of these clubs, and the work the individual members can do to help the cause along is immeasurable. Another meeting will be held Thursday evening at 8 o'clock at the council chamber and all friends of the Wilson and Marshall ticket are urged to attend.

A Serious Time for Gus.

It will be remembered that more than two months ago Gus Pein cut or scratched the index finger of his left hand with a rusty nail. The finger became very sore and the pain extended to the arm, making it quite serious for Mr. Pein, until it became necessary to have the first joint of the finger amputated. The finger still became a source of annoyance to him up to the present time, and he has been unable to do any work. Gus informs us that his finger is improving nicely and that he thinks he will be able to go to work in a few days. We hope for the best for Gus.

NEW RECTOR HOLDS FORTH AT ST. LUKE'S SUNDAY

The Rev. Allen G. Wilson, the new rector of St. Luke's, delivered his first sermon to his new parish yesterday and a large attendance of the members were present to welcome him to this city. The Rev. Mr. Wilson expressed his pleasure and delight at the beauty of the city and was glad that he had been chosen to make his residence here and felt the task would be one hard to fulfill, taking the place so long occupied by the late Canon Burgess. The Rev. Mr. Wilson also touched on the relations of the Episcopal church as to other churches. The Rev. Wilson is an excellent speaker and the parish is delighted to have secured him as rector. The choir of the church rendered several fine musical selections.

Go to Nebraska City.

The boosters for the German day celebration, consisting of Emil Walders, M. Hild, Henry Kaufman, Louis Lenier, George Tams, A. Wesch and Adolph Geise, visited in Nebraska City yesterday and met with a most hearty reception from the German residents of that city and received the assurance of a large attendance from that place.

Sustains Internal Injury.

Last Thursday while Charles Swan, jr., was engaged in helping to put up hay on one of his farms northeast of Union he had the misfortune to fall from a hay rack, striking the ground with great force on his head and shoulders. The advanced age, combined with the internal injuries sustained by Mr. Swan makes it a very difficult matter for him to recover. Mr. Swan is one of the pioneer residents of Liberty precinct and well known throughout the county, and his recovery is most heartily wished for by his numerous friends.

Wild Ducks Are Ripe.

Edwin Fricke, Guy Reece and Henry McMaken were out yesterday along the Platte river in pursuit of the elusive wild duck and succeeded in bagging twenty of the tall variety. The boys were quite lucky, as they were the only ones of the numerous hunting parties that were out that secured any game. The hunters were very much in evidence yesterday, as almost everyone who possessed a gun was out on the river bank trying to discover the ducks, but were unsuccessful.

WOODROW WILSON AT LINCOLN OCT. 5

Arranging For a Big Delegation
to go From Cass County.

There is a movement on foot to send a big delegation of Cass county democrats to the Wilson meeting at Lincoln September 5. The Journal received a telephone message from Lou Langhorst of Elmwood this morning, in which he stated that he could get a large number to go from Elmwood, Eagle, Murdock and Alvo, and wants all the other towns represented in this delegation to be called the Wilson and Marshall Club of Cass county. The idea is a good one and every democrat in the county should help swell the crowd. It is the intention to go in autos and meet on the O street road, near Eagle, and then all join in a procession through O street on arrival at Lincoln. Murray, Union, Nehawka, Avoca, Weeping Water and Wabash democrats should bestir themselves and see if they cannot prevail on as many democrats as possible in their vicinity to arrange for the occasion. See your neighbors, who own a car, if you have not one yourself, and prevail upon him to take a party to swell the crowd.

Team Takes Notion to Go.

Last evening while Mart Buttery and Barney Miller were going out Washington avenue they discovered a team and buggy minus a driver, going out the avenue. The gentlemen secured the team and took it to the livery barn of M. E. Manspeaker. The owner, Fred Kaufman, appeared later in the evening and claimed the team. It seems the animals had become untied and promptly started out on a little trip of their own.

B. M. Cline drove up this morning from his home near Union and departed for Omaha, where he visited his wife at the hospital. He reports Mrs. Cline as being slightly improved.

J. W. Yardley, residing south of this city, was attending to some business matters in town today, and called at this office for the purpose of renewing his subscription. He was accompanied by Miss Rys, who is teaching school in that district.

Mr. and Mrs. O. P. Newbranch have just returned from their vacation trip to Colorado. The fore part of their vacation they spent in the mountains, away from the crowds, and the last few weeks in Boulder, where they enjoyed every fine visit.
