Scaffolding Falls.

There was considerable excitement in Murray Monday, when the scaffolding at the new building of Hiatt & Tutt fell. The crash was almost as loud as though an entire wall had collapsed. The false work was some twelve feet high and Walter Jenkins and Kelly Rhoden were working on the wall at the time. There were a large number of concrete blocks on the scaffold also. Walter came to the floor with the blocks and lumber, but Kelly grabbed the top of the wall and saved himself from injury. Walter was somewhat bruised in various places, but nothing serious. Kelly was uninjured. It was what might be termed a fortunate accident.

SULZER IS NOMINATED

Selection Made By New York Democrats on Fourth Ballot.

GLYNN FOR SECOND PLACE.

Alton B. Parker Takes Opportunity to Answer His Critics and Deny Being a Reactionary—New York Delegation Lifts Unit Rule.

Syracuse, N. Y., Oct. 3.—William Sulzer, representative in congress from New York city, was nominated for governor by the Democratic state convention. It was the seventh time he had been a candidate for this nomination.

Mr. Sulzer was formally declared the choice of the party on the fourth ballot, after the name of Governor Dix had been withdrawn.

Morgan H. Glynn was nominated for lieutenant governor.

When Chairman Parker called the convention to order Robert E. Whalen placed in nomination Martin H. Glynn of Albany for governor and Augustus Thomas, the playwright, nominated Congressman William Sulzer. Mr. Thomas declared "no party ever offered to the earnest people of the state a man so consistently their champion as this stalwart, serious, incorruptible commoner."

Congressman Sulzer's name was greeted with cheering. George H. Kennedy of Erie then placed in nomination Senator George B. Burd of Buffalo and Congressman John J. Fitzgerald of Kirg's nominated Herman A. Metz, former comptroller of New York, whose name was warmly cheered.

Prior to the assembling of the night session the New York county delegation caucused and lifted the unit rule. Lender Charles F. Murphy told his friends to vote for whom they pleased.

Deputy Attorney General Joseph A. Kellogg of Washington county nominated Governor John A. Dix. The delegates applauded the governor's name. The speaker appealed for support for Governor Dix on his administrative record and for what Mr. Kellogg termed "fair play."

Permanent Chairman Alton B. Parker took the opportunity to deny being a reactionary.

SHELDON TESTIFIES

Archbold, Morgan, Frick and Gould Are Big Contributors.

Washington, Oct. 2.—George R. Sheldon, former treasurer of the Republican national committee, testified before the Clapp committee that in 1904 the Standard Oil company contributed \$100,000, J. P. Morgan & Co. \$100,000, H. C. Frick \$100,000 and George J. Gould \$100,000. Mr. Sheldon said he had no personal knowledge of these contributions, but that the late Cornelius N. Bliss, then treasurer, had shown him his report.

"Was there any entry in this account showing a refund to the Standard Oil company, or John D. Archbold, of the \$100,000?" asked Pomerene.

"No, sir."

"Nothing of the sort?"

"No, sir; nothing."

Senator Joseph M. Dixon, Colonel Roosevelt's political manager, in a stormy session with the Clapp committee investigating campaign expenditures, testified he had spent \$96,000 in the Progressive primary campaign which was not included in the figures presented by Progressive Treasurer E. H. Hooker.

Senator Dixon renewed his charge that the investigation was being directed at Colonel Roosevelt more than any other candidate and challenged the committee to call Charles P. Taft, Thomas Fortune Ryan and other men whom he named, who he said he had been informed had made heavy expenditures for either President Taft, Governor Wilson or Governor Harmon.

Denial From Wilson.

Princeton, N. J., Oct. 2.—Governor Wilson denied knowledge of a \$70,000 contribution to his campaign fund by Charles R. Crane of Chicago, when shown the report of the evidence before the Clapp committee. The nominee added that he was under the impression that Mr. Crane did not contribute at all to the pre-convention campaign fund, but that his first contribution came after the Baltimore convention.

Vermont Legislature Elects Governor.

Montpelier, Vt., Oct. 2.—There has been no choice at the state election last month, the state legislature elected H. P. Fletcher of Cavendish (Rep.) as governor. This is the second time in the history of Vermont that the choice of a governor has gone to the legislature. Fletcher led his Progressive and Democratic opponents, but did not have a majority of the votes.

Mines Closed as Result of Strike.

Ely, Nev., Oct. 3.—The strike of the miners here is complete and indications are that the operators will not attempt to open their mines again this winter.

Ten Children Burned to Death.

St. Bernard, Que., Oct. 2.—Ten children of Alexander Gravel were burned to death. Gravel and his wife were away from home and returning found it in flames.
