

CHRISTIAN SCIENCE LECTURE AT THE PARMELE THEATRE

A Very Interesting and Entertaining Lecture by Professor
Herman S. Hering.

Quite a number who attended the lecture of Prof. Herman Hering, C. S. B., on the subject of "Christian Science—the Science of Salvation," Saturday afternoon, are very high in their praise of Mr. Hering as an entertaining talker. They also became very much interested upon the subject of which he spoke, and are very anxious of an opportunity of hearing him again soon. The following is a synopsis of Prof. Hering's lecture, which should be carefully perused by every reader of the Journal:

CHRISTIAN SCIENCE:

THE SCIENCE OF SALVATION.
(By Professor Herman S. Hering, C. S. B.)

In considering the subject of "Christian Science: the Science of Salvation," it is well to have a mutual understanding as to the meaning of the terms. Science means exact, systematized and demonstrable knowledge of facts, laws and causes, while according to Smith's Bible Dictionary, salvation means deliverance from temporal evils and earthly destruction, in other words, deliverance from evil, from sin, disease and death. Hence "The Science of Salvation" means in substance that demonstrable knowledge which affords deliverance from all evil.

St. Paul admonishes us to work out our own salvation. This scriptural command means far more than the common belief that salvation is assured by simply having belief or faith in Jesus as the Son of God. Such saving faith is vitally necessary, but it is only the beginning of our salvation—its spiritual basis.

Then must follow the working out of our deliverance from evil on this basis; our actual separation from sin, from the bondage of this world, from limitation, failure, disease, death.

In working out our salvation we must first see that salvation or deliverance from evil is a mental process, takes place in mind; that it is a transformation through mind and is both ethical and philosophical.

The bible declares that "to be carnally minded is death; but to be spiritually minded is life and peace."

Christian Science teaches that matter and material existence are phenomena of the mortal, material, finite mind, a concept of existence obtained through the physical senses, a misapprehension of reality held by human consciousness when uninstructed by science, an appearance instead of an actuality. It is simply an imitation or counterfeit obtained from a finite, dimensional, mortal basis.

Now it is not the appearance, but only the original that has power, intelligence and substance. The manifestation of growth, action or being in matter is but a material concept of spiritual facts.

The objects, action and power expressed in a "moving picture" are not in the picture and we do not associate them with the picture, but with the original which the picture reproduces. Similarly, life, growth, action, power, substance, law, et cetera, are not in matter, physical existence or the material consciousness; but in divine mind, the only cause and principle of being, and should be so thought of.

When we recognize God as the only mind, the only cause, truth is reflected in consciousness and existence is harmonious. When we believe causation to be material or in mortal mind, we put our trust and dependence in a shadow, a false belief, and existence, so called, is discordant, liable to disease, disaster, death. In order to work out our salvation we therefore need to understand causation.

The ordinary human concept of mind is that which thinks, feel or wills, the intellect, or the activity of the gray matter called brain. Christian Science reveals the fact that mind is divine principle, the infinite life, truth, love, omnipotent, omniscient, omnipresent, the all-inclusive, eternal, unchanging, all-wise being, the only cause and creator.

Christian Science makes it clear that material existence is not the manifestation of this divine mind, but the phenomenon of the counterfeit, called mortal mind.

It is this false concept of existence that does all the wrong thinking; that believes in sin, disease and death; that claims there is life and intelligence in matter. The difference between the method of healing through mental suggestion, or hypnotism, and that of the divine mind, the Christ healing, must be clearly seen.

When the effort is made to heal by suggestion, the operator endeavors by means of mental manipulation to make the patient believe that he is not sick. He attempts to change the belief, but the cause of disease remains and in time manifests itself even in worse forms. The patient is no better off, he has not risen in the scale of being, he has no more manhood, or moral courage, and does not know any more about God and His Christ than before.

The true Christian Scientist reflects the divine mind, stands on the basis of God, man and the universe as spirit and spiritual, as love and its manifestation, as mind and its ideas—perfect and harmonious. Hence he understands the unreality of matter and evil and knows that man is not sick, but that the patient is simply suffering from a false mesmeric belief. From that standpoint he proceeds to correct the errors of belief with the truth of being and thus establishes harmony on a spiritual, scientific basis.

It is not to be wondered at, indeed it is inevitable that Christian Scientists should love Mrs. Eddy for having brought to the world this science of salvation, the true knowledge of God and man, the spiritual understanding of the holy scriptures which enables them to know themselves and to demonstrate that "saving faith" which alone leads to heaven.

Mrs. Eddy did not simply state her discovery to the world; she demonstrated it and then offered it as a demonstrable science for all mankind to profit by. This science overcomes evil, by giving a true knowledge of God and His Christ; it enables all humanity to work out their own salvation and reach that pure consciousness, which Jesus called the "kingdom of heaven."

HEIM FAMILY REUNION AT HOME OF JOHN GROUPE

A reunion of the Heim family was held October 6 at the home of Mrs. John Group. All the members of Mr. and Mrs. Theo. Heim's family were present except Mrs. Wohrley of Denver, who was at home three weeks before, but was unable to remain for the reunion. A sumptuous four-course dinner was served at 1 o'clock. The afternoon was spent in social reminiscences of old times and old friends who had participated in such occasions 25 years before. Those present were: S. W. Foe of Red Cloud, Mrs. I. N. Young and family of Hastings, Mrs. Group and family, Mrs. Spangler and family, Frank Heim of Vienna, S. D., Mrs. Hugh Seiver and little daughter of El Reno, Okla., and Mr. Charles Heim and family, making twenty-eight present.—Louisville Courier.

DEDICATION OF THE EIGHT MILE GROVE PARSONAGE

The dedication of the new parsonage of the German Lutheran church of East Eight Mile Grove precinct will take place at the church on Sunday, October 20, Rev. J. Heubner, the local pastor, officiating. Rev. Dr. Wellhausen of Norfolk, Neb., and Rev. Prof. J. F. Krueger of Atchison, Kansas, will also be present. Both of these gentlemen will deliver a sermon in the morning at 10 o'clock. In the afternoon the Rev. E. Walker, superintendent of the Tabitha Home, Lincoln, and Rev. A. T. Mikelsen of Berlin, Otsego county, will deliver sermons. The choir will be present at both sermons and will furnish some excellent music. All Lutherans will be cordially welcomed.

Roy Denson Quite Sick.

Roy Denson, who is employed in a music house in Omaha, was taken quite sick Friday evening at his home and it was feared for a time he might not recover, but the last word from him is that he is improving nicely. Roy was taken sick by eating something at a party here about a year ago, and since that time has been unable to eat certain articles of food without serious results and it is supposed that was the cause of his illness.

LAST BALL GAME OF THE SEASON

The Boosters Win From Fort Crook and Fine Crowd Present to Witness Game.

Yesterday marked the ending of the base ball season in Plattsmouth, and it was certainly a glorious day for the Boosters, who were pitted against the Fort Crook soldiers. The local team went right after the scalps of the soldier boys and in the first inning secured three runs. The attendance was quite large and was completely carried away by the playing of the local boys. Noah was in fine form yesterday and gave the soldiers no chance to win, fifteen of them striking out during the course of the game. Noah also created some excitement by knocking a home run in the second inning. He was also there on the fielding proposition, several of the put-outs being through his assistance. Fred Mann also got into the spotlight in the first inning, when, with the bases full, he placed a two-bagger to center field, bringing in three scores.

In the first inning there was nothing doing on the part of the soldiers, only one of them reaching first and that through an error. The Boosters proceeded to do numerous things in their half and were aided greatly by Howard, the soldiers' pitcher. Beal, the first man up, bunted to third and beat the throw to first. McCauley, who followed, was hit by a pitched ball, and Herold was also hit by the pitcher, filling the bases. Here is where Fred Mann proceeded to take sweet revenge on the military gentleman who was pitching, by laying on one of his curves for two bags, bringing Beal, McCauley and Herold home. Louie Smith ended the inning by striking out.

The second inning showed the same result for the soldiers as the first, while Noah for the Boosters secured a home run over the left field fence. There was no more scoring until the fifth, when Beal hit a two-bagger and was followed by Arries, who also drove out a two-sacker, bringing Beal home. Arries was caught at third on McCauley's hit, and the side was out on Herold putout, third to first.

In the sixth C. Smith hit safe over shortstop and was followed by Mann, who drove a hot one to short that was fumbled, allowing Mann to reach first. Louie Smith hit to third, bringing in C. Smith. This ended the scoring for that inning.

The Boosters in the seventh added another to their list, when Beal hit to center field and the fielder dropped the ball, allowing him to reach first safely. Arries fouled out. McCauley hit safely to short, bringing Beal home. Herold hit a fly to left and was out. C. Smith hit safe over second, but Mann, who followed, was out on a fly catch.

The soldiers saved themselves from a shutout in the eighth, when the first man up hit safe over L. Smith's head. Switzer, who followed, hit for a two-bagger, bringing the runner home. Howard hit safely to center, bringing Switzer in. This ended the scoring, as the next three men went out in one, two, three order. In the ninth there was nothing doing in the scoring line, and the game ended, 7 to 2, in favor of the Boosters.

The season has been a very successful one as a whole for the Boosters and they have given the patrons of the game some mighty good base ball. It is to be hoped that the team will be under the same management next season, as Manager Johnson has spared no effort to give us a winning team. The score by innings of Sunday's game was as follows:
Fort Crook . . . 0 0 0 0 0 0 2 0—2
Boosters . . . 3 1 0 0 1 1 1 0—7
Batteries—Fort Crook, Howard and Switzer; Boosters, Noah and Herold. Umpire—Ed Long.

Wilson and Marshall Club.

There will be a meeting of the Wilson and Marshall club at the Loughridge hall, in Murray, Friday evening, October 18th, 1912. An address will be made by W. C. Ramsey of Omaha and D. O. Dwyer of Plattsmouth on the political issues of the day. Other speakers will be present. An oyster supper will be served immediately after the meeting by the Library Association of Murray. Remember, everybody is invited. By Order of Committee.

Watermelon Season Over.

Enoch Mooreland, the watermelon king, from south of the city, was in town Saturday with the last melons of the season. Mr. Mooreland is the largest raiser of melons in this part of the country and has had a good crop this year, although the prices have been lowered by the number of parties engaging in the raising of the melons.

ENGAGEMENT OF MISS

FERN M'BRIDE ANNOUNCED

The Omaha News of yesterday contained on its society page a very good likeness of Miss Fern McBride, the handsome and accomplished daughter of former Sheriff John D. McBride of this county. The parents of Miss McBride Saturday announced her engagement to Mr. Howard B. Holmes, a young business man of Omaha, the date of the wedding not being set. Miss McBride was a great favorite in this city when she was a resident here and her friends will extend their best wishes for her happiness in her wedded life. The groom-to-be is a young man employed by the John Deere Plow company in their Omaha offices and possesses many sterling qualities.

The engagement was announced at a luncheon given at the McBride home Saturday afternoon and was one of the most delightful social affairs of the season. Those present were: Misses Bess Sifton, Vera Reynolds, Myrtle Taylor, Moneta Lee, Jean Lee, Mae Anderson, Carrie Anderson, Ruth Ramey, Fern Eads, Ruth Miller, Edna Philp, Marion Dennis, Nettie Mann, Frances Case, Laticence Kelly and Mrs. L. A. Davis. The out-of-town guests were: Misses Mildren Johnson, Ethel Ballance, Bess Edwards and Opal Fitzgerald, Plattsmouth; Josephine Connors, Gretna; Helen Harrold, Lincoln, Mildren Brunner, Elkhorn; Mrs. C. S. Johnson.

J. NEMETZ DANGEROUSLY

ILL WITH PNEUMONIA

The many friends of John Nemetz, the popular candy man, will be grieved to learn that he is confined to his home, suffering from a severe attack of pneumonia, and though quite sick, is feeling a little better today. Mr. Nemetz was taken with a severe cold several days ago, but did not consider the matter serious, continuing to be around, but on Saturday morning he was unable to leave his bed and has been quite low since that time. Yesterday a trained nurse arrived to assist in caring for him and his friends hope he may be able to be out in a short time. Mr. Nemetz is one of our most popular and genial business men and his sickness will be greatly regretted by everyone in the city.

A Surprise Party.

Saturday evening a crowd of young people gathered at the Meisinger home near Cedar Creek and tendered Ralph Meisinger a most delightful surprise. It was Ralph's 18th birthday anniversary and the jolly company informed Ralph that they had come to assist him in celebrating this auspicious occasion in the proper manner. They indulged in all kinds of games until the midnight hour, at which time they were invited to partake of a most excellent birthday supper, which had been prepared by Mrs. Meisinger. Upon their departure for their homes they wished Ralph many more such happy birthday anniversaries and voted the Meisingers splendid entertainers.

Those in attendance were: Misses Mabel Meisinger, Dora Meisinger, Pearl Salesberg, Merla and Helen Schneider, Gertrude Meisinger, Anna Theirolf, Sophia and Lizzie Krager, Maggie Nozy, Messrs. Walter Salesberg, Willie Krager, John Theirolf, Clarence and Charles Meisinger, Irwin Meisinger, Lloyd Schneider, Rudolph, Ralph and Arthur Meisinger, G. L. Meisinger and wife, Harry Theirolf and family, and Adam Meisinger and wife.

Committee Holds Meeting.

The democratic county committee held a large and enthusiastic meeting at Elmwood Saturday. There was a large number of the committeemen present and all were pleased with the prospects for victory at the coming election.

Robert Hayes was a passenger Sunday morning for Omaha, where he spent the day.

DAN CUPID AGAIN GETS IN HIS WORK

John W. Simmons and Miss Janet Irene Hunter United in the Holy Bonds of Wedlock.

One of the most charming weddings of the season occurred Saturday evening at the home of Mr. and Mrs. James R. Hunter, when their daughter, Miss Janet Irene, was united in marriage to Mr. John W. Simmons of this city, in the presence of a large number of relatives and friends. Promptly at 8 o'clock the young people entered the room where Rev. A. L. Zink of the Christian church pronounced the words that made them one.

After the ceremony the guests were invited to the dining room, where a most sumptuous wedding luncheon was served, and later in the evening the newly wedded couple were surprised by the Sunday school class of the bride and many beautiful presents were given to show the great esteem and affection in which Miss Hunter was held by her classmates.

The bride wore a most beautiful costume of blue serge, while the groom was attired in the customary black. The bride is the charming and accomplished daughter of Mr. and Mrs. J. R. Hunter and was born and reared in this city, where her friends are legion. The groom is a resident of this city and is a young man of many excellent qualities. He is employed in the Burlington store department and the young couple will make this city their home. The friends of the young people in this city join in wishing them a long and happy wedded life.

REV. ZINK AND FAMILY

REMOVES TO KEARNEY

Rev. A. L. Zink, who since last March has occupied the pastorate of the Christian church of this city, leaves with his family tomorrow for Kearney, where he has accepted a call to the First Christian church of that city. This church is the second largest Christian church in the state and they are very fortunate in securing Rev. Zink as their pastor, as he has been a great force in the church work in this portion of the state. It is a matter of regret to the church in this city to lose him, but as the opportunity is one that he cannot afford to pass they extend their best wishes to him and his charming wife in their new field of labor.

AFTER THE FESTIVE MUSH-

ROOM, AND THEY GET THEM

Yesterday a party of gentlemen, led by Chief Rainey, were seen wending their way northward toward the pumping station, and at first it was supposed that they were headed for Wyoming to join in the convict hunt, but when they returned later in the day, laden down with numerous sacks and baskets, it was learned they had been out in pursuit of the elusive mushroom and had secured a large number of them, which doubtless furnished the party a most delightful feast. William Holly, John Kirkham, Thomas Troop and the chief comprised the hunting party.

NEW YORK WINS THE

SIXTH GAME, 5 TO 2

The base ball game in the world's series between the Boston Red Sox of the American league and the New York Giants of the National league, played at New York today resulted in a victory for the New York Giants by a score of 5 to 2. The Giants jumped onto O'Brien hard in the first inning making 5 scores, while Boston was unable to do anything with Marquard's delivery. Boston has now won three and New York two games of the world's championship, with one game tied.

Miss Mina Theirolf returned to her studies at the state university this morning, going on No. 15.

Pictures of Ak-Sar-Ben.

Manager Shlaes has secured the Ak-Sar-Ben parade pictures for exhibition at the Majestic theater Wednesday and Thursday. These pictures are very fine and include the automobile, electric and the dedication parade, which dedicated the magnificent Woodman of the World building in Omaha. This is securing pictures in short order, as it is only a little over a week since the events occurred.

WILEY BLACK, FORMER

PLATTSMOUTH CITIZEN, STRICKEN WITH APOPLEXY

The news was received in this city Saturday that E. W. Black, a former well known Plattsmouth citizen, was stricken with apoplexy at his home in Los Angeles, California, Thursday, October 3. Mrs. Ruffner, a sister of Mr. Black, received a message this morning that Mr. Black had regained consciousness, but that the attending physicians held out no hope for his recovery. Mr. Black was for years one of the leading business men of Plattsmouth and removed about eight years ago to Los Angeles, where, with his wife and daughter, he has made his home.

MORE ABOUT THE DEATH

OF HARRY COLLIDGE

Miss Edith Coolidge was called to Lead Monday evening by a telegram which notified her that her father, Henry Coolidge, of the firm of Coolidge & Brother, had suffered an attack of paralysis. The Lead Call of Monday stated that Mr. Coolidge had been in usual health and was on his way down town after dinner about 1 o'clock. When he arrived at the store it was noticed at once that something was wrong, and immediately after, before assistance could be given him, the full force of the attack came, rendering his right side useless and affecting his speech. He was removed to his home and physicians summoned, and it was believed that he would pull through all right.

Tuesday morning, however, a telephone message was received in this city from Lead announcing that Mr. Coolidge had passed away Monday night, a short time before his daughter reached his bedside. Miss Coolidge's many friends in Belle Fourche will sincerely sympathize with the family in their sudden affliction.—Belle Fourche (S. D.) Northwest Post.

SUDDEN DEATH OF YOUNG

MAN NEAR LOUISVILLE

Louisville people were surprised Thursday morning to learn of the sudden death of Elsworth Thomas at his home east of Louisville. The young man was taken ill as he came in from the field Tuesday evening with inflammation of the bladder, but his condition was not thought to be serious until Wednesday evening, when he died about 8 o'clock, after intense suffering.

He was about 25 years of age, a son of Mr. and Mrs. John H. Thomas, and was a devoted Christian, being a member of the Free Methodist church. The funeral will be held from the Glendale church Saturday, with interment in Walradt cemetery.—Louisville Courier.

WILSON AND MARSHALL

CLUB ORGANIZED AT UNION

Saturday evening the democrats of Union held a most enthusiastic meeting and organized a Wilson and Marshall club, with 75 members. The club starts under the most favorable circumstances and great interest is being taken by the members. James T. Reynolds was elected president, and Dr. A. E. Walker as secretary. These clubs are being organized all over the county and shows that the voters are awakening to the great need of organization for victory. Clubs have been organized at Eagle and Alvo and the Murray people are to form an organization Friday evening. Let the good work go on.

If you have a house for rent try a Journal Want Ad.
