Good and Poor Roads.

Those traveling the public highway overt he Louisville road and through Mynard can do so with pleasure as far west as the precinct line. They have been gone over with a road drag and are nice and smooth; but west of the precinct line the road is in very poor condition. Also the automobile road is very rough from town to the Pollock & Duff bridge, and for that matter they are not good all the way to Omaha. I think a good plan for the bridge company would be to keep the road in better shape for travel. A small amount spent in the way of dragging the road would make a great improvement. We certainly are paying toll enough and why not give us a better road?

CHARGES AGAINST SHERIFF M'SHANE Anti-Saloon League Head Presents Evidence to Governor.

Omaha, Oct. 21.—H. F. Carson, superintendent of the Anti-Saloon league, expects this week to file with Governor Aldrich certain information tending to show that Sheriff Felix J. McShane has neglected his duty as sheriff of Douglas county.

Carson has a large bundle of papers which, he says, contain evidence of the sheriff's neglect of official duty, and Mr. Carson also says some of the charges against Mr. McShane are sensational. Mr. Carson and others who have been keeping tab on the conduct of the sheriff placed their evidence before Governor Aldrich at the Loyal hotel. Governor Aldrich asked that the evidence be filed before him in writing at his office in Lincoln, in order that he might act upon it.

The evidence, Carson says, will tend to show that the sheriff has willfully neglected to enforce the liquor laws, even in cases in which the violations were called to his attention.

TEACHER IS PUPILS' IDEAL

E. L. Rouse Says This in Speech Before Douglas County Teachers.

Omaha, Oct. 21.—Discussion of the teacher's influence on the pupil, the home and the community; of what constitutes the qualifications for teaching; advice on "how to study"; eulogy of the teacher and grave consideration of the responsibility the teacher has, featured a meeting of Douglas county teachers at the city hall.

President E. L. Rouse of the state teachers' association was the principal speaker and interestingly reviewed his own experience in this work. "Reward of the Teacher" was his subject and he named half a dozen rewards he, as a teacher, had received and one of which would alone compensate him for the years he has spent in the service.

The gratitude of the mother, the deference of the father, the tribute of the people, the love of the pupil, and the influence on citizenship were some of the things he declared the good teacher wins in the teaching profession.

MOOSERS MOVE FOR NEW TRIAL

Electors' Case Will Be Taken to
Supreme Court Without Delay.

PROGRESSIVES ON DEFENSIVE

Morrissey Perfects His Appeal and Will Try to Keep Bull Moose Names Off Nebraska Ballots Entirely—Case Will Be Advanced.

Lincoln, Oct. 21.—A motion for a new trial was made in the case in which Judges Cornish, Stewart and Cosgrave of the Lancaster county district court granted the peremptory writ of mandamus prayed for by the Taft state committee, directing that the secretary of state place on the official ballot as Republican candidates for presidential electors the six names selected by the Taft state committee to take the place of the six nominated at the April primaries and who are held to have vacated their nominations when they accepted places as electoral candidates on the Progressive ticket.

Work was commenced on the preparation of a transcript in order to take the matter before the supreme court at once.

The suit to prevent the bull moose candidates from going on the ballot at all will be argued in the supreme court early this week.

In the meantime, Andrew M. Morrissey, Democratic candidate for attorney general, who recently filed a suit in the district court of Lancaster county to prevent placing the names of Progressive candidates on the ballot which was decided against him, has perfected his appeal and filed his case in the supreme court. He will move today that the case be advanced for immediate hearing, the attorney general having consented to the advancement proposed.

Nebraska Leads.

W. R. Mellor, secretary of the Nebraska state board of agriculture, has the following to say of Nebraska:

"The census figures reveal some striking facts about agricultural progress in Nebraska. During the last decade Nebraska has leaped to fourth in rank in the total amount of farm property, now being exceeded only by Illinois, Iowa and Texas. In its per capita wealth for the people resident on farms, Nebraska is now second in rank, being led only by Iowa, which has \$2,425 per capita, while Nebraska has \$2,359. When compared with other states, Nebraska's farm wealth assumes astounding proportions."

STREET FAIRS DENOUNCED

Presbyterians Declare They Are Dangerous to Morals.

Hastings, Neb., Oct. 21.—"The ordinary street fair vaudeville exhibition may be a good money getter, but is a poor advertisement of a town's judgment of entertainment and a lamentable danger to morals."

It was a remark greeted with applause by the Presbyterian synod of Nebraska at its popular meeting. The speaker was M. B. McNutt of Chicago, secretary of the rural church department of the board of home missions. He rehearsed the achievements of the denomination in solving this most grave problem of rural church perpetuation. He advocated a broadening of the activities of such country church communities by the introduction of organized athletics, lyceum courses, social clubs and singing classes.

Church federation in Nebraska was reported by Rev. Frank P. Wigton of Lincoln, secretary of the Nebraska field work. According to his report several communities in the state are working out successfully the former problem of two or more denominations worshipping and working together in harmony.

North church, Omaha, was selected as the place for next year's meetings.

ROOSEVELT ON HOME JOURNEY

Departs With His Family for
Rest at Oyster Bay.

IS DECLARED OUT OF DANGER.

Doctors' Only Warning to Patient is That He Shouldn't Overexert Himself—Condition of Wound Remains Satisfactory, Say Physicians.

Chicago, Oct. 21.—Colonel Roosevelt's slight setback from having overexerted himself in receiving friends did not prevent his departure for Oyster Bay this morning over the Pennsylvania railroad.

His physicians issued their last bulletin, as follows: "Colonel Roosevelt's general condition good. Respiratory movements comfortable. His general condition justifies his leaving the hospital for Oyster Bay, but it is deemed advisable in order to lessen the possibility of complications that he should not be disturbed in any way, and will not be allowed to see anyone en route. He will be in charge of Dr. Alexander Lambert and Dr. Scurry L. Terrell."

Promptly at 7:30 this morning a big limousine automobile drew up in the court yard of the hospital, surrounded by mounted and motorcycle policemen. The block was cleared of people and policemen were on the roofs of adjoining buildings.

Goes in Wheel Chair.

Colonel Roosevelt wore heavy clothing and sat in a wheel chair, which was lowered in a private elevator to the ground level and wheeled to the automobile. He was bundled up in rugs and driven slowly to the station. A private entrance to the train floor was guarded by policemen and the street for 100 feet either way was closed.

Attendants carried the wheel chair down to the train shed and lifted the chair to the level of the car step so that Colonel Roosevelt could step into the train. Attached to the regular train was the colonel's private car and another for the traveling correspondents and the physicians.

Colonel and Mrs. Roosevelt, Miss Ethel and Theodore, Jr., and Mrs. Longworth occupied the colonel's car. Dr. Alexander Lambert and Dr. Scurry L. Terrell the colonel's physicians, were quartered with the newspapers men in the second car. A bell cord was arranged so that the patient from his bed can summon either physician direct at any time. The doctors, Mrs. Roosevelt and the colonel's daughters will be the nurses on the trip.

It is the plan to proceed through New York direct to Oyster Bay.

Two Hundred Socialist Orators to Invade Little Falls.

New York, Oct. 21.—Henry L. Slobo din, state chairman of the Socialist party, is planning to send 200 Socialist orators to Little Falls, if necessary, to insist on the right of free speech and to sustain Mayor Lunn of Schenectady, who has been twice arrested in his campaign for liberty of political discussion.

"Our first step will be to demand a conference with the Little Falls authorities," he said. "We have every hope that this will result in their dropping the matter. But if they still continue their persecutions or fail to discharge the speakers they have unjustly imprisoned we will keep on pouring Socialist orators into Little Falls until the jails are full."
