## Allies Strengthen Their Forces While Diplomats Are Busy.

### MASS TROOPS IN PENINSULA.

Capture of Ochrida by Servians Without Resistance Only Operation in the Field—Bulgarians Using Greek Transports to Place Their Men.

London, Nov. 25.—No serious fighting is reported on the Tchatalja lines, where both sides appear to be waiting the issue of the armistice negotiations. Meanwhile all the necessary dispositions are being made for a resumption of the war should the negotiations fail.

Bulgaria is shipping her forces from Saloniki in Greek transports, presumably to transfer to Gallipoli peninsula, where Turkey is also strengthening her forces by Anatolian troops. Here an attempt will be made by the allies, assisted by the Greek fleet, to take the Dardanelles.

The rest of the allied forces liberated in Macedonia will be sent by rail as speedily as possible to reinforce the Bulgarians attacking the Tchatalja lines. Their places will be taken by the Bulgarian 1912 recruits, who, after three weeks' training, are being drafted into Macedonia for garrison duty.

The only news of military importance is the occupation of Ochrida, a large town near Monastir, by the Servians. The positions at Adrianople and Scutari are apparently unchanged.

Official statements issued at Vienna continue to deny the reported war preparations. Letters from Vienna have reached London, however, confirming the reports that the strength of six army corps is being increased and that a large number of reservists have been called out.

### DEBS IS INDICTED

Socialist Leader is Accused of "Obstructing Justice."

Fort Scott, Kan., Nov. 25.—On a federal indictment returned here against Eugene V. Debs, Socialist candidate for president; Fred D. Warren, editor of the Appeal to Reason, a Socialist newspaper, published at Girard, Kan., and J. I. Shepherd, Warren's attorney, Warren and Shepherd were arrested here by a deputy United States marshal. The indictment charges "obstruction of justice by inducing witnesses to leave the country." Warren and Shepherd were released on \$1,000 bond each.

The offense charged in the indictment is alleged to have been committed in connection with the case of J. A. Wayland, owner of the Appeal to Reason; City Editor Pifer of that paper and Fred Warren, charged in a federal indictment issued last May with raising of the mails in posting obscene matter concerning the federal prison in Leavenworth, Kan.

### MOTORCYCLE RAN AWAY

Policeman Chased Rider Because He Was Breaking Speed Law.

Chicago, Nov. 25.—Two Chicago motorcycle policemen pursued a speeder mounted on one of the machines through Lincoln park at the rate of forty miles an hour and were astonished to see the man turn his motorcycle into the lagoon, in which he vanished in a cloud of spray that splashed as high as the tree tops.

The officers arrived in time to drag the man from the water. He thanked them for saving his life, as it was his maiden ride on a motorcycle and he had forgotten how to stop it. Every time he tried to slow down he made the machine go faster and he turned into the water in desperation.

### HAD DYNAMITE PLANT

Riedelbach Leads Los Angeles Officers to Cache of Explosive.

San Bernardino, Cal., Nov. 25.—Enough dynamite to blow up an entire city was found at the exact spot where Carl Riedelbach, the man who terrorized the Los Angeles police, said it would be found.

Riedelbach, accompanied by a cordon of officers from Los Angeles, reached San Bernardino and immediately led the party to a cache in the Delese hills, ten miles west of here, where he had "planted" the explosive.

"I stole that dynamite three months ago," said Riedelbach. "They seem to think I'm crazy, but I'm not, and before they get through with me they will find out that I'm not."

### NEBRASKA TOWNS FIGHT PRAIRIE FIRES

Quantity of Hay Destroyed and Many Farm Houses Burned.

### Norfolk, Neb., Nov. 25.—Specials

from many points in southern South Dakota and northern Nebraska tell of the most disastrous prairie fire ever known here. One fire starting on the Pine Ridge Indian reservation swept through the Rosebud and south into Nebraska. The town of Crookston was in danger for a time. This fire ran over 100 miles. Another fire went into Tripp county, South Dakota, when Winner was in peril.

The life of a fourteen-year-old Indian boy was saved in a dramatic way by J. B. Brown, an automobile driver of Valentine. The boy, fighting fire, became surrounded by flames and would have perished. Brown, with a passenger, drove his car through a sheet of fire and, going at full speed, the passenger seized the boy, carrying him in the car on through another wall of flames to safety.

A freighter hauling hardware near Winner was compelled to abandon his wagon, which was consumed, and seek safety in a wheat field. Thousands of tons of hay burned and a number of farm houses were destroyed.

### HOBOS FAIL TO MIGRATE

Railway Officials Puzzled Over What Has Become of Tramps.

Omaha, Nov. 25.—What has become of all the "Wendy Willies" who at this season of the year usually clog the wheels of freight trains in their efforts to get to a warmer climate? The answer to this question is bothering the operating officials of western railroads.

There seems not to be a single tramp in all the transmississippi country. At first, if there is one he is keeping under cover. Railroad officials are at a loss to know whether the tramps have quit the road and gone to work or have decided to winter in the north this year.

### Douglas County Election Contest.

Grossman, the lone successful Douglas county Democratic candidate for a legislative job.
