Ice Harvest Starts.

The ice harvest for the season will begin at once and the work of storing the ice away will be hurried for fear that the cold weather may let up. George Poisal and his workmen began the work of laying out and getting ready to cut the supply for some of the merchants today. The ice has not been very thick before, but the cold weather of the last few days has made a vast improvement in the condition of the ice.

PLATTSMOUTH YOUNG PEOPLE MARRIED IN OMAHA

Yesterday morning in Omaha occurred the wedding of two of Plattsmouth's young people, who decided to steal a march on their many friends, and accordingly departed for the metropolis to have the knot tied. The contracting parties were Mr. William Rinker and Miss Leora Gravitt, and the ceremony that united them for life was performed by the county judge of Douglas county in the presence of the mother of the bride, Mrs. William Gravitt of this city. These young people are very popular among a large circle of friends, who will be delighted as well as surprised to learn of their nuptials. The groom has been a resident of this city for several months, being employed by Emil Walters in the brick mason work on the buildings he has under way, and he has made a host of friends by his genial actions and upright manner in which he has conducted himself since his residence here. The bride is a daughter of Mr. and Mrs. William Gravitt of this city and has been reared here to woman's estate and everyone who has the pleasure of her acquaintance feels only the highest regard for her. The young people expect to reside here for the present at least.

BOARD OF INSANITY RETURNS FROM ELMWOOD

The board of insanity returned last evening from Elmwood, where they were called to look into the insanity case of Mrs. Belle Bates, who is in a most pitiable condition in that place. She arrived from Portland, Oregon, a few days ago to visit Mrs. Mattie Royal, who she claims is her sister, and was stricken with paralysis in the right side and is now unable to speak a word or use her limbs in any manner. The first intimation that Mrs. Royal had of the matter was in a telegram from Portland telling that her sister wanted to come to her, and before a reply could be sent she dropped into Elmwood. Mrs. Royal was of the opinion at first that the woman was no relation to her, but has later concluded that there may be truth in the claim that she is her sister.

Card of Thanks.

I desire to take this method of thanking the State Farmers Mutual Insurance Company of South Omaha, and James Dvorak, their agent, as well as the adjuster for the company, for their fair, prompt and courteous treatment in adjusting and settling my loss by fire on my barn, which occurred on December 24. I received my check for \$975.00 through James Dvorak on January 8, 1913, and it is needless to say that I am well pleased with the treatment I received and will be pleased to recommend this worthy company to my friends or anyone who may need insurance.
