WILL CLOSE THE MAJESTIC THEATRE FOR THE WINTER

Manager Shlaes of the Majestic theater has decided to close that moving picture playhouse, and tonight will be the last night that it will be open until spring. He will lease the house whenever desired to anyone wanting to give entertainments, however, during the winter months. In the spring Mr. Shlaes expects to put in a new front and remodel the lobby, as well as put in a number of other improvements that will make this a first-class and up-to-date picture house and one that will be the equal of any in a town of this size. Tonight there will be a wrestling match put on between "Terrible Dutch" and "Kid" Mauer, as well as four reels of pictures.

"A BACHELOR'S HONEYMOON" NEXT TUESDAY, JANUARY 14

The man who married an actress and introduces her to his spinster sister as the governess, got into all sorts of trouble, especially when the wife finds he is the fond parent of twins, aged 17 years. A maid servant with detective proclivities and a "clue in her head," a German friend who nurses a secret sorrow and is looking for someone to put sweet flowers on his grave, and many other characters make "A Bachelor's Honeymoon" the funniest play seen in years. It will be presented here Tuesday night, January 14, at the Parmele theatre.

Married at Rector's Home.

Yesterday at the residence of Rev. Allan G. Wilson of St. Luke's church occurred the marriage of Vernon T. Smith and Miss Ethel G. Conroy of Omaha. The young people procured the license here a few days ago and came down yesterday and had the marriage performed. They returned at once to their home in Omaha.

DEALERS FAVORABLY IMPRESSED WITH CHOPPE ENGINE

The Choppe gasoline engine, which was exhibited at the Implement Dealers' show in Omaha last week, drew much favorable attention and was the main attraction in its class and drew many favorable comments from those visiting the show, and several dealers put in applications for agencies to sell this unrivaled engine. Quite a bunch of stock has been disposed of in Omaha and the company will open a branch office in that city in charge of L. E. Rogers, who will look after the interests of the company in that city and push the engine and its sale. The interest that was manifested at the show is only another demonstration of the growing interest of the public in the greatest gasoline-saving engine on the market, and as they become acquainted with the merits of it the sales will be trebled. The company is every day receiving inquiries in regard to the factory in this city and much stock is being taken in all localities where the engine and its splendid qualities have been shown, and it is only a question of time until the factory in this city will grow to be one of the biggest in the state, and prove of great value to the building of the city.

QUIET BUT PRETTY HOME WEDDING

Miss Florence A. Dovey and Mr. Carl West Happily Wedded at Home of Bride's Parents.

A very simple, quiet, yet impressive home wedding occurred Saturday evening at 6 o'clock at the home of the bride's parents, Mr. and Mrs. H. N. Dovey, when their daughter, Miss Florence Anna became the bride of Mr. William Carl West of Wyoming, Nebraska. The wedding march was played by Miss Margie Walker of Murray, as the wedding party entered the parlors where the ceremony was performed by the Rev. Allan G. Wilson of St. Luke's church.

The bride was most beautifully attired in white brocaded charmoise, carrying white bride's roses, while the bridesmaid, Miss Ione Dovey, was charming in a costume of pale blue charmoise, and carried pink roses. The groom and the best man, E. G. Dovey, wore the customary suits of black.

The Dovey home had been most lavishly decorated for the occasion, red and white carnations forming the color scheme, and it made a most handsome setting for the happy event. Following the wedding ceremony a most delicious luncheon was served, and the newly-weds were showered with congratulations by the relatives and friends. Mr. and Mrs. West departed at 9:45 for the east, where they will spend their honeymoon visiting various points on the Atlantic coast. The out-of-town relatives and friends present at the ceremony were: Mr. and Mrs. D. C. West of Wyoming, father and mother of the groom; C. C. West and daughter, Lillian, of Wyoming; Hugh Robb and wife of Wyoming, Mr. and Mrs. T. B. Salmon of Galesburg, Illinois; Mrs. Oscar Heath and daughter of Lincoln, Miss Mary Wilson of Nebraska City, Miss Lucetta Patterson of Omaha, Miss Margie Walker of Murray, and Mr. Harry Cummings of Seaward.

Miss Dovey was born and reared to womanhood in this city, where she has been very popular in social circles. She was a graduate of the High school, graduating in the class of 1904, and has always possessed a host of warm friends, who will extend to the newly-wedded couple the best wishes for a long and happy married life. The groom is a very prosperous and genial young man, residing at Wyoming, where he is engaged in the grain business, and possesses the highest respect and esteem of all who know him, as he is a man of very high character and integrity. The young people will make their home at Wyoming in the future.

THE GERMAN HOME MASKED BALL LARGELY ATTENDED

The mask ball given Saturday evening at the German home was largely attended by a very large crowd, who enjoyed themselves to the limit, and it was with great regret that they wended their way homeward, after an evening of fun and merriment. There were a large number of very handsome costumes on the floor and the judges had much difficulty in deciding who was entitled to the prizes, but finally decided that Clarence Cotner won the first gentleman's prize, while John Hadraba and John Sattler, jr., carried off second and third prizes respectively. In the ladies' class Miss Emma Albert received first prize, Miss Amanda Sattler second and Mrs. Pete Herold third. The committee in charge of the dance spared no pains to make the affair a splendid success, and their efforts were very successful, as the occasion was one long to be remembered as one of much pleasure to all attending.

For coughs, colds or any bronchial affection it's unequaled. Price 50c and \$1.00. Trial bottle free at Rynott & Co.

MILLIONS FOR THE ROADS AND BRIDGES

Thirty-nine Counties in Nebraska
Expend Ten Millions in
Six Years.

The state board of agriculture, through its publicity department, is making an investigation of the amount of money expended for road improvement in Nebraska. E. J. Robinson, examiner of county treasurers for the state auditor's office, has furnished a partial compilation of these funds, which shows large expenditures. Mr. Robinson's report covers thirty-nine counties east of the first guide meridian, which is a line drawn from the western boundary of Nuckolls county. The territory examined does not include Saunders or Douglas counties nor the city of Lincoln, nor the towns and villages within the counties examined. The total expenditures for roads and bridges in these thirty-nine counties from 1906 to 1910 is \$9,959,558.67.

During the same period the county treasurers of these counties have paid to the cities, towns and villages within these counties taxes which have been collected through the offices of the county treasurers to the amount of \$4,296,681.79. Out of this amount the road and bridge maintenance of the civil sub-divisions represented by the municipal government has been supported.

The records in the auditor's office do not show what portion of the latter amount has been expended directly for road purposes. The relatively large amount of money expended for road purposes as revealed by these figures supports the contention of those who say that Nebraska now spends enough money to insure good roads under proper administration. This statistical investigation is of peculiar interest in view of the organized effort to secure a state highway commission at this session of the legislature, and the figures will doubtless be used freely by both the friends and opponents of that measure.

LITTLE BOY INJURED BY HORSES IN A LOT

Saturday afternoon Fred, the little son of Andrew Rabb, of this city, met with a very serious accident at his home. The little boy had gotten into the lot where there were a number of horses and colts, and in some manner they proceeded to take after him. His cries attracted the attention of his folks, who hastened to the lot and found him suffering with a scalp wound of several inches in length and one eye closed as the results of the kicks he had received from the horses. A physician was summoned at once and the wound dressed and the little fellow made as comfortable as possible, although suffering a great deal from the painful injury. It is very fortunate that the lad was not killed outright by the horses.

Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is known everywhere as Chamberlain's Cough Remedy, and is a medicine of real merit. For sale by F. G. Fricke & Co.

Henry Thierolf of Cedar Creek was in the city today, having come in to have the physician attend to his foot, from which he had one of the toes amputated a few days ago. It is getting along in nice shape.

EXTENDS INVITATION TO ALL PASTORS TO ATTEND TONIGHT

A rare treat is in store for the patrons of the Gem theater tonight. Manager Shlaes has been endeavoring for some time to secure "The Star of Bethlehem," and has at last succeeded in securing the picturization of the birth of Christ, the Story Beautiful, from the bible, a delicate theme, reverently presented in an artistic manner by the famous Thanhauser company. These great pictures should be seen by everyone, as they present a wonderful devotional subject, showing the birth of Christ, presented in faithful accordance with the biblical story, and correctly costumed in the garb of the period. Manager Shlaes has extended an invitation to all of the ministers of the city to attend free of charge, and will reserve seats for all who will notify him of their intention of being present with their families, before the doors open.

New Superintendent Takes Charge
Superintendent W. G. Brooks was on hand this morning to take charge of the city schools and was very busy during the opening hours, attending to the enrolling of a number of new pupils, as well as other routine matters. He took great pleasure in meeting the teaching force of the city schools, many of whom were students under him while he was principal a number of years ago. It is a great pleasure to the patrons of the schools that the board of education was able to secure such an able school worker as Mr. Brooks for the position of superintendent.

DEATH OF FORMER PLATTS- MOUTH LADY AT GRAND ISLAND

The news was conveyed to this city yesterday of the death at Grand Island of Mrs. Fred Routh, formerly Miss Anna Weckbach, of this city, daughter of J. V. Weckbach, who for many years was one of the prominent business men of the city. The message did not state the cause of her death. Mrs. Routh had many relatives and friends in this city, who were greatly shocked at the news of her death, as it came very unexpectedly. Mrs. A. H. Weckbach departed this afternoon for Grand Island to attend the funeral. Mrs. Routh leaves her husband and three children, as well as several brothers and sisters, to mourn her loss.
