

A VERY PRETTY HOME WEDDING

Miss Mildred Cook and Mr. William D. Gluck Married Sunday Afternoon.

A very pretty and quiet home wedding occurred yesterday afternoon at 2 o'clock at the home of Mr. and Mrs. William P. Cook, the occasion being the nuptials of their daughter, Sarah Mildred, and Mr. William David Gluck, Rev. W. L. Austin of the First Methodist church pronounced the words that united this worthy young couple, in the presence of the family of the bride and a few intimate friends. The wedding party and the guests were served with a most delicious wedding supper at the Cook home, and after receiving the congratulations of their friends the newly wedded couple departed for their home on Oak street, which the groom had prepared for his charming bride.

The wedding was a great surprise to the many friends of the contracting parties in this city, as no intimation had been given of their intention of being married, but their host of friends will extend to them their best wishes for a long and happy married life and will be greatly pleased to learn that they expect to continue to reside in this city.

The bride has been reared to womanhood in this city and has been an immense favorite among those who knew her, and has been very prominently identified with the Methodist church, having assisted in the musical work of the choir and other departments of the church, although during the last year she has been at Glenwood, where she was teaching in the institute at that place. The groom is a most highly esteemed young man, coming to this city about three years ago from David City, Neb., where his parents reside on a farm, and during the time he has been here has made a host of warm friends by his gentlemanly conduct, and they will unite in wishing for him and his estimable wife all the happiness and good luck which they so well deserve. At present Mr. Gluck is employed as a telegraph operator at the Burlington station.

DEATH OF MRS. CHARLES OXLEY AT LOUISVILLE

Mrs. Charles Oxley died very suddenly of pneumonia Wednesday, January 15, at her home in the south part of town, aged 30 years.

Annie Bowers was born September 21, 1883, at Coin, Page county, Iowa. She was married to Chas. Oxley July 31, 1903, at Plattsmouth, Neb. She united with the Baptist church about five years ago and remained a faithful member until death. She leaves to mourn a husband and numerous relatives and friends.

The funeral occurred from the M. E. church Friday afternoon at 2 o'clock, conducted by the pastor, Rev. Elmer Wilton. Interment was at River View.

COMMERCIAL CLUB BANQUET THURSDAY EVENING, JANUARY 30

The committee which has in charge the Commercial club banquet has set Thursday, January 30, as the date for holding the event. The banquet will be served by the ladies of the Methodist church, who conducted the last banquet in such a delightful manner, and the committee is in negotiations with several speakers of state-wide reputation, as well as several local parties, who will address the gathering. These banquets have aided greatly in bringing the citizens of the town together and the interchange of ideas has proven of great value to the club and the business interests of the city, as it is the one time when everybody gets together and has a good time becoming acquainted with each other and the needs of the city.

Mrs. Fred Ebinger arrived Saturday evening from Plainview, Neb., and will visit for a short time with her mother, Mrs. Geo. P. Wiedman and family, in this city.

Final Settlement Had.
Saturday afternoon in the county court final settlement was had in the estate of John Wolpert, deceased, and the executor, Joseph Wolpert, was discharged and the estate settled up. The deceased was a former prominent citizen residing in the vicinity of Manley.

T. J. SOKOL ANNUAL MASK BALL

A Large Attendance of Both Dancers and Spectators and Good Time Enjoyed.

The T. J. Sokol gave their twenty-first annual mask ball at their hall on West Pearl street Saturday evening and the event was attended by an enormous crowd of dancers and spectators and the costumes displayed on the dance floor were most gorgeous and brilliant and embraced every kind from the primitive wild man to the most life-like policeman and fairies and it was with considerable difficulty that the judges picked the prize-winners out of such a large number of splendid costumes. Joseph Altman, who appeared as the wild man, secured first gents' prize and George Gobelman as "Zeke" got away with the second prize. The judges picked Mrs. Woods, who appeared as an Indian girl, in a most beautiful costume, as the first ladies' prize, while Mrs. Frank Ohm and Mrs. N. W. Grisinger, as the two Topsyies, were rewarded the second ladies' prize.

One of the features of the evening was the splendid order that the policeman (?), imported for the occasion, maintained, and he was very active in laying fines on the different parties in attendance. The event was one of the most enjoyable ever given in the city and everyone enjoyed themselves to the limit. The music was most excellent and was furnished by Holly's orchestra of six pieces, which rendered some of the latest dance music.

DANIEL COOK OF MIRA VALLEY, NEB., INJURED

Dannie Cook of Mira Valley met with a pretty severe accident last week Tuesday. His father and he were moving an old barbed wire fence. To save rolling the wire up and then unrolling it he hitched a team to the end of one strand and started to draw it along that way. The boy was left to see the wire pulled around the iron stake properly with instructions to signal should anything go wrong. He signaled and told his father that the stake was pulled up. After setting the stake again he took hold of the wire to put it in position on the other side of the post, when his father started up the team too soon. His mitten was twisted into the wire so that he could not get loose and was drawn into the post. The hand was cut on the inside near the base of the fingers. The result is a badly crippled hand, but it will probably be all right in time.—Ord Quiz.

Dannie is a nephew of C. E. Cook, south of town, and where he has other relatives living, who will be pleased to learn that his injury is not of a dangerous nature.

MALDON BROWN BUYS THE KNAPP PROPERTY

Another Plattsmouth young man has decided to invest his capital in the best town in the state, as was shown Saturday when Maldon Brown, the genial clerk at the Grabill jewelry store closed a deal whereby he becomes the owner of the cosy residence property of G. Knapp on Granite street. This residence is a nice, modern cottage of seven rooms and will make Mr. Brown and his parents a most comfortable home and it is located in the best part of town and in easy walking distance of the business section. It looks mighty good to see the young men of the community show their faith in the future of the city by becoming property owners here.

Dr. O. Sandin departed this morning for Kansas City, where he will attend a convention of veterinarians, which will be held in that city this week.

SECOND ANNUAL K. S. MASK BALL

One of Most Pleasant Events of Season and Enjoyment Reigned to the Closing Hours.

There was a large crowd in attendance Saturday evening at the K. S. hall on West Logan street on the occasion of the second annual mask ball, given by the Kotolitzky Sokol, and the event was one of the most pleasant that has occurred in this city for several seasons. The costumes worn at the ball were most attractive and handsome and displayed great originality on the part of those getting them up. The prize-winners were Joe Koubek and Jack Jerousek, gentlemen's prize, and Misses Marie Jelinek and Sophia Jerousek, ladies' prizes.

This society spared no pains to make the event one of enjoyment to all present and they were most successful, as everyone there declared that they had the time of their life. The music for the dance was most pleasing, being furnished by Prof. Kolbaba's orchestra, and the dancers enjoyed themselves until a late hour to the delightful strains of the music.

COMPLAINTS REGISTERED AGAINST USE OF AIR GUNS

There has been considerable complaint throughout the city of the indiscriminate use of air-guns by kids, who have been making themselves very much of a nuisance by shooting at houses and chickens and pets of the citizens, and if the parents of these children cannot control their desire to shoot something, the chief of police will be compelled to take the matter in hand and the parents may have to pay a fine for the youngsters' desire to indulge in target practice on the property of others. These guns constitute a great danger to the young folks themselves, as some of them may get an eye put out as a result of the reckless use of the guns by their companions, and a little talk with them at home may save trouble for all concerned.

R. E. NEITZEL AND WIFE GUESTS AT GUTHMAN HOME

Mr. and Mrs. Robert E. Neitzel stopped off here yesterday en route home from Milwaukee, and visited with the F. R. Guthman family, resuming their journey westward this afternoon. These worthy young people were married at Milwaukee Saturday, January 11, and are enjoying their honeymoon on their way home to Boise, where the groom is a prominent young business man. Mrs. Neitzel was formerly Miss Edna Engelhardt of Milwaukee, and the groom is well known throughout this county, having formerly lived at Murdock, where his brother, H. R. Neitzel, was engaged in the banking business, and his friends here will be delighted to hear of his having secured such a charming bride. Mr. Neitzel and wife bring the report that they fear that Mr. and Mrs. Carl West are lost, as both couples were in Chicago at the same time and failed to see each other, which is quite unusual in a city the size of Chicago.

FALSE ALARM AT THE COURT HOUSE SATURDAY AFTERNOON

The fire alarm Saturday afternoon about 4:30 greatly startled the citizens, and when the news that the court house was on fire spread a very large crowd gathered, but on investigation it was found that the fireman had been cleaning the boilers and a large quantity of steam had gotten into the chimneys and pipes and when it began to pour out of the pipes on the roof it greatly alarmed the residents nearby and an alarm of fire was turned in, but luckily it was only a false alarm. The members of the court house force took the matter very calmly and the only excitement being one of the young lady clerks forgot the keys to her desk and rushed home without taking off the apron she generally wears when at work.

Preparing for Work.
Goon E. Vallery, the new Plattsmouth precinct road overseer, was in the city last Friday, and while here paid the Journal office a brief visit to renew his subscription for another year. Mr. Vallery says he is making preparations for some good work on the roads of the precinct in the early spring. Goon will sure do the work when it is needed and we do not believe the people of the precinct will have any cause for complaint of the condition of the roads at the expiration of his term.

GRAND LODGE CATHOLIC WORKMEN MEETS TOMORROW

The delegates that expect to take part in the sessions of the grand lodge of the Katolicky Denik (Catholic Workmen), which will commence in this city tomorrow, are coming in on almost every train. This morning Joseph Vails and E. K. Skrabek of Baltimore, Maryland; J. H. Mac-hovec of Wahoo, Neb., and V. J. Bosh of Marion, Kansas, arrived to be on hand at the opening of the lodge tomorrow morning. The opening of the grand lodge will be signalized by the celebration of high mass at the Holy Rosary church by the grand chaplain, Father John Vleck, after which the members of the lodge will march to the K. S. hall, where the meeting will be called to order by the national president, J. M. Jerousek, of this city, and the guests welcomed by Mayor John P. Sattler, in behalf of the city. The afternoon session will be devoted to the transaction of the business of the reports of the committees and getting ready for the election of officers. Wednesday evening the local society has arranged to give a play in Bohemian at the hall in honor of the visiting delegates, after which a most delightful social dance will be enjoyed. The play and dance will be open to the public.

Mrs. Bernice McCordle of Omaha came down yesterday from her home and made a short visit with her friends, Judge and Mrs. M. Archer, returning to her home this afternoon.

John Smith of Princeton, Illinois, cousin of John McNurlin, was in the city last Saturday for a brief visit at the home of Mr. McNurlin. Mr. Smith was making a trip to Oklahoma, where he has some business interests to look after.

For Sale.

Good Time for Everybody Assured

IT'S A MISTAKE!
A Large Porker.
T. S. Barrows and wife, living south of this city, Friday marketed a fine porker at Murray which was some hog, it weighing 700 pounds, which is certainly quite a good-sized animal and one that should be able to furnish considerable meat. The animal was sold to G. M. Minford, the stock buyer at Murray. At first Mr. Barrows and wife thought of sending it in by parcel post, but finally decided that it could not hardly be in that class, so they drove into Murray with it.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other make-shifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Plattsmouth is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Plattsmouth.

Benjamin Brooks, Main street, Plattsmouth, Neb., says: "As the result of a bad cold, I had a severe attack of kidney complaint. At times the pain extended from my back and hips into my shoulders. I could not get about and was laid up for two weeks. My head ached for hours at a time. I had dizzy spells, during which my sight became blurred. Doan's Kidney Pills checked these troubles, and after using two boxes I regained my health. I got Doan's Kidney Pills at Rynod's Drug Store and can recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

For Rent.
Mr. and Mrs. John Rutherford were passengers to Murray yesterday morning, where they spent the day with Mrs. W. E. Dull.

THE DELINEATOR
