### NEHAWKA.

News.

Automobiles have been flying around this week almost as thick as in the summer time.

Frank Martin got home last week from Huntington, W. Va., where he had been for several weeks visiting with relatives.

Warren Munn, sr., of Avoca, left this week for Ohio, where he will visit a brother and other acquaintances that he has not seen for 25 years. He expects to be gone for a month.

Hon. George J. Spohn was down from Lincoln Tuesday visiting his brother-in-law, A. F. Sturm. Mr. Spohn would not plead guilty to more than a passing interest in the present legislature, although an ex-member of a former one.

Harry McConnell, who has been sick with pneumonia since last week, is reported as getting along as well as could be expected with this disease. The whole family have been sick with colds and the gripe, but Harry seems to have been hit the hardest.

John Schwartz has been working for several weeks finishing up the interior of Henry Sturm's large new house. There are 16 rooms finished in oak.

Mr. Schwartz has been "slinging" paint here for many years and has plenty of monuments that testify to the excellence of his work.

Wes Kivett, who went to North Carolina about a month ago to be gone all winter, came back Friday. We do not know for sure whether it was the lure of a pair of bright eyes that drew him back, or what it was, but Wes is a bully good fellow and we need him here as bad as they do in North Carolina.

R. M. Beck, engineer at the east quarry, and Mrs. Mary Strat-

ton, who runs the boarding house there, were passengers to Nebraska City Tuesday, and as Bob sent a box of cigars up to the boys that evening, the supposition is that they patronized one of those celebrated matrimonial mills at the City. If they did here's wishing them all kinds of luck and prosperity.

He requests us to thank all of those who remembered him with the shower.

## T. J. SOKOL SOCIETY ENJOY OLD FASHIONED DANCE SATURDAY NIGHT

The members of the T. J. Sokol society and their families gathered at their hall on West Pearl street Saturday evening and enjoyed their annual old-fashioned dance, and most of the company came clad in the costumes that were reminders of their native land across the sea, and some of them were very original and one could almost imagine that they were at a gathering in the old country. The music for the ball was furnished by a band composed of several pieces and they rendered some splendid selections, which were greatly enjoyed by the very large crowd of merry dancers until a late hour, when they departed for their homes, feeling that the occasion had been one of the most enjoyable they had ever taken part in.

## THE ADVANCE REPRESENTATIVE FOR "THE CITY" IN TOWN

Harry Mack, the advance man for "The City," was here yesterday, looking after the closing of the contract with Manager Shlaes for the appearance of his show here at the Parmele on Saturday evening, March 1. Mr. Mack is a very genial and affable gentleman, and if the show is as good as its advance man it will certainly prove a rare treat to the theater-going public. "The City" is showing through Louisiana this week and comes direct from that state to Plattsmouth, en route to Chicago, where they will show at the Crown theater there. The show carries a well balanced company, headed by Hugo B. ## If You Doctored 19 Years For RHEUMATISM

And eventually found something that drove it out of your system would you tell everybody you could about it or would you keep the secret to yourself? I think one should tell, and if you write an old sufferer she will tell you what drove it from her at a cost of less than \$200. Please bear in mind I have no medicine or merchandise of any kind to sell, as you need not be backward in sending for information. I want to help you and will give you all the information without one cent deposit. I can never forget how I suffered from Rheumatism and how crippled I was for a long time, and now—no limp, pain or fear—all signs of it are gone. That is why I am not asking you to send money for something you know nothing about, as I realize how many there are who ask a lot and give nothing. Enclose postage for reply.
