Days of misery, nights of unrest.

The distress of urinary troubles.

When she finds freedom? Many readers will profit by the following.

Mrs. F. S. Brinkman, Eleventh and Pearl streets, Plattsmouth, Neb., says: "For several years I was bothered by my kidneys. My back would often pain me intensely and I was inclined to think my trouble was in the form of diabetes. Headaches and dizzy spells bothered me and my sight became so badly affected that I could not read. I also had trouble with my kidneys. Doan's Kidney Pills were so highly recommended that I decided to try them and I got a box at Rynott's Drug Store. In a short time they helped me in every way. I am never without a supply of this remedy on hand."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## Go Ahead of the Railroad

Public announcement has been made of the early completion of the Burlington's new main line through the **BIG HORN BASIN** that will give a direct outlet for the splendid farm products growing in that new farming country.

### Government Irrigated Homesteads

Here you can file upon an 80 acre Government irrigated homestead at actual cost for the water right, no profit to anyone, no taxes the first three years, and have twelve years without interest in which to repay the Government for the actual cost of the water right. The fact that the Government has made the payments very light the first five years, giving an opportunity to improve your farm and get it under cultivation before having to meet further payments, is important to the man desiring to establish himself upon a farm.

### Location Near Railroad Towns

You can locate now within from three to four miles of Powell, nearby 400 farmers who are already making a success.

If you do not get a home there it is your fault. Write quickly for maps and full particulars.
