## THE JAIL PROPOSITION IS WHAT STIRS THINGS UP

We understand there is a movement on foot in the center of the county looking to the relocation of the county seat. It is reported that several of the towns favorably located will decide among themselves which is to get the location and then all throw their strength together. Of course the county seat is not ideally located, but we doubt if putting it in a small town in the center, or near the center of the county would be worth to the taxpayers what it would cost. The train service to Plattsmouth is not all that it might be, and Plattsmouth with more inhabitants than all the other towns combined seems at present to have the most claim on the county seat. The jail proposition is what has stirred things up, and the hope "springs eternal in every human breast" is what will keep it going. Meanwhile the taxpayers will have to pay the fiddler.—Nehawka News.

## FAREWELL SURPRISE TO O. H. ALLEN AND FAMILY

About 100 friends and neighbors gathered at the pleasant home of Mr. and Mrs. O. H. Allen, near Wabash, last Saturday night to give them a surprise and show their appreciation of this estimable family. They came with well filled baskets, which at the proper time were unpacked and properly taken care of. The evening was spent in social conversation and games. The game of "Hearts" was indulged in principally and in name it was quite suggestive and appropriate to an occasion where people's hearts were so much concerned as in the heartfelt tributes they were paying to the esteemed family who were so soon to depart from their midst. At a late hour the friends departed for their homes glad for the privilege of spending such an evening and yet sad that it was a farewell party.—Weeping Water Republican.

## A PRETTY WEDDING AT THE HOME OF MR. AND MRS. JOS. HADRABA

Austin of the First Methodist church, to Mr. Clarence Price of this city. The wedding party entered the parlors promptly at 2:30, as the strains of the wedding march played by Miss Gladys Steinhauer sounded through the rooms, and the minister pronounced the words that made the happy couple one. The bride was most charmingly gowned in delicate blue silk and carried bride roses, while the bridesmaid, Miss Helen Hadraba, was very tastefully gowned and carried a spray bouquet of carnations and stair lilies. The ring was borne by little Dorothy Orzoda of Omaha. The groom and the best man, Charles Hadraba, cousin of the bride, wore the usual dark-colored suits. The bridal party and guests were entertained at a delightful 6 o'clock dinner at the Hadraba home, and shortly afterwards the newly wedded couple were serenaded by the band, who were given a treat by the happy young people. The out-of-town guests were: Miss Mary Pospisil of South Omaha, and Mr. and Mrs. Pete Drozda of Omaha.

## YOUNG PEOPLE DELIGHTED WITH A FINE SLEIGH RIDE

From Saturday's Daily.  
The heavy snowfall of the last week has furnished the young people of the city great enjoyment in the different winter sports, such as sleighing and coasting, which for the early portion of the season looked like it would be unknown, but the snow brought them to the front, and last evening Guy Crook, who resides in the south part of the city, hitched up his hobsled and drove to the F. S. Ramsey home, where a number of his friends were assembled, and invited them to join him in a sleighing party, which invitation did not need repeating, as the young folks were delighted with the opportunity offered to get out and enjoy the delights of winter. The evening was spent in driving around the city and a short distance into the country. The jolly party was composed of Misses Wanda Ramsey, Mable and Lillian Adams, Nellie Cook and Miss Maddox, and Messrs. Jesse Perry, Dr. O. Sandin, James Rishel, Floyd Stone and Guy Crook.

HAT is the wonderful speed at which an IHC cream separator bowl turns. The rim of a six-inch bowl, running at separating speed, is traveling at the rate of nearly two and a half miles a minute, faster than the swiftest express train that ever ran. Such speed as this means strain on shafts, bearings, gears, frame, in every part of a separator, such strain as can only be rendered harmless by the nicest adjustment of strength, flexibility, and quality of material and workmanship. The business of a cream separator is to skim the butterfat from whole milk, but to do this it must be made mechanically right, or it soon ceases to be useful as a separator. The machine that meets these conditions and sells at the right price, is an

## WORDS FROM HOME

### Statements That May Be Investigated—Testimony of Plattsmouth Citizens.

When a Plattsmouth citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Plattsmouth resident. No stronger proof of merit can be had.

Louis Kroehler, proprietor of hardware store, Elm street, Plattsmouth, Neb., says: "I know that Doan's Kidney Pills are thoroughly reliable. I took them about a year ago for pain in my back. I was so lame that I couldn't stoop and my kidneys were weak. I had a tired, languid feeling all the time and headaches were common. I got Doan's Kidney Pills from Rynott's Drug Store and they soon relieved my troubles. I am pleased to recommend them."
