The attendance should and would have been much larger had the weather permitted. A Great Battle.

The greatest battles ever fought are those we have to fight with ourselves, and only few persons always come out victors. A great deal of firmness and self-denial is necessary to forebear to gratify one's appetites and desires. It is always a battle between passion and good sense. If good sense wins, the man will preserve his life and his health, and, in many instances, his honor. Good sense will forbid us to spoil our stomach, to weaken our nerves, to use proper remedies when necessary. If his digestive organs are out of order, his nerves weak, his blood poor, he should use at once Triner's American Elixir of Bitter Wine. This remedy will clean out the body and keep it clean, will aid digestion, will strengthen the system. At drug stores, Jos. Triner, 1333-1339 S. Ashland ave., Chicago. For driving out pains from muscles and joints use Triner's Liniment.
