## Plattsmouth People Tell It:

TENTH STREET	ELEVENTH STREET	MAIN STREET
<p>WILLIAM GILMOUR, Farmer, four miles south of Plattsmouth, Nebr., says:</p> <p>"Doan's Kidney Pills have been used with the best results in my family. The patient had been suffering intensely from lameness in the back and could not get no lasting relief until she began using Doan's Kidney Pills. They did more to check these troubles than anything else that had previously been taken."</p> <p>E. M. BUTTERTY, Tenth and Walnut Sts. Plattsmouth, Nebr., says: "I still use Doan's Kidney Pills occasionally and recommend them just as highly as I did in 1908, when I gave a public statement endorsing them. I used Doan's Kidney Pills for pain in my back and hips and other symptoms of kidney trouble. The quick relief they brought, warrants me in endorsing them."</p>	<p>MRS. F. S. BRINKMAN, Eleventh and Pearl Sts., Plattsmouth, Nebr., says:</p> <p>"For several years I was bothered by my kidneys. My back would often pain me intensely and I was inclined to think my trouble was in the form of diabetes. Headaches and dizzy spells bothered me and by sight became so badly affected that I could not read. I also had trouble with my kidneys. Doan's Kidney Pills were so highly recommended that I decided to try them and I got a box at Rynott's drug store. In a short time they helped me in every way. I am never without a supply of this remedy on hand."</p>	<p>BENJAMIN BROOKS, Main St., Plattsmouth, Nebr., says:</p> <p>"As the result of a bad cold, I had a severe attack of kidney complaint. At times the pain extended from my back and hips into my shoulders. I could not get about and was laid up for two weeks. My head ached for hours at a time. I had dizzy spells, during which my sight became blurred. Doan's Kidney Pills checked these troubles and after using two boxes, I regained my health. I got Doan's Kidney Pills at Rynott's drug store and can recommend them."</p>
GRATEFUL TESTIMONY	ROCK STREET	NINTH STREET
<p>MRS. ADAM KURTZ, one mile west of Plattsmouth, Nebr., says:</p> <p>"I have found Doan's Kidney Pills good for any trouble with the kidneys and back. I was suffering intensely at the time I got them and I could not stoop or stand erect. There was a dull, nagging pain through my back that robbed me of energy. My sight became affected and dark spots appeared before me. I got Doan's Kidney Pills from Rynott's drug store and in a short time they relieved all my troubles. Since then, I have recommended this remedy to a number of friends."</p>	<p>O. H. TOWER, Rock and Seventh Sts., Plattsmouth, Nebr., says:</p> <p>"I think Doan's Kidney Pills are an excellent remedy. I had a dull, heavy pain in the small of my back and it got so bad that I had to get on my knees and straighten up gradually after I stooped. The action of my kidneys were irregular. Doctors told me I had stone in the bladder. I was finally advised to try Doan's Kidney Pills. After I took the contents of one box, I noticed my trouble was beginning to disappear and in a short time my health had improved in every way."</p>	<p>HERMAN TIEKOETTER, Contractor, Ninth and Day Sts., Plattsmouth, Nebr., says:</p> <p>"I gave a public statement in praise of Doan's Kidney Pills in 1906, after they had given me great relief from backache and lameness. I am glad to confirm all I then said. My trouble has never returned. My kidneys caused me much trouble and there was a dull, tired feeling across my loins. If I stooped or straightened, my back hurt me and in the morning I was all tired out. I heard so much said about Doan's Kidney Pills that I finally got a box. They promptly relieved every symptom of my complaint."</p>

## Are YOUR Kidneys Weak?

**HOW TO TELL**—First read the testimony and learn what Doan's Kidney Pills have done for others.

Then if your back aches, if sharp pains strike you when stooping or lifting; if you are lame in the morning, tire too easily; if you have dizzy spells and are nervous, despondent and inclined to worry over trifles; if the kidney sections are highly colored and full of sediment, if passages are too frequent, scanty, painful or scalding, it is likely that your kidneys need quick attention.

Take a sample of the urine and let it stand for 24 hours. If a sandy, brick-dust like sediment settles to the bottom of the receptacle, there is evidence enough to suspect the kidneys.

### WILL NOT HELP PULL THE CHESTNUTS FROM THE FIRE

Mass meetings are being held in the central part of the county and the agitation looking to the re-location of the county seat is being stirred constantly. Of course the little towns that hope to benefit thereby are not to be blamed, but we cannot see what good it will do the people of Nehawka and vicinity to help them that must in the end amount to many, many times that amount. We hold no brief in the defence of Plattsmouth, but it certainly does look foolish to us to see people fall over themselves in an effort to help some other town, and then pay for the fun in the end in-

creased taxes. Our advice may pull their chestnuts from the fire. It would be much better for us to swing in and vote for the proposition, thus saddling ourselves with a tax amounting to about 30 cents on the thousand dollar valuation, than to give any encouragement to a proposition not be worth much. The example we set may be worth less, but personally we shall vote for the \$12,000 jail proposition in the hope that it will stop the removal agitation and save the taxpayers spending several hundred thousand dollars later.—Nehawka News.
