

Spring MILLINERY Opening!

FRIDAY AND SATURDAY OF THIS WEEK

SATURDAY WILL BE CARNATION DAY FOR THE LADIES ONLY!

Undoubtedly every lady in this community has been thinking about that new Easter hat for several days. But, they have been waiting to make a selection at such time as they feel sure that the latest and best Spring styles were on display.

All you need to do is wait for our opening on Friday and Saturday of this week, because our most complete exhibit will then be ready, and the assured styles will await you at our store.

The Early Millinery Showing is the Most Original

No hat looks the same on two different people. No common style is suitable for all women. It's the study of faces that enables makers of Millinery to have a hat for every type of face. Naturally the most select styles come from the house that makes a study of this point. Compare our styles and prices and remember our opening date, and you will have the pick from the finest authentic styles.

A VERY QUIET AND BEAUTIFUL HOME WEDDING

Miss Ina Hatt and Mr. George South Married Last Evening at the Hatt Home.

A very quiet and charming wedding occurred last evening at the home of Mr. and Mrs. J. V. Hatt on North Third street, when Mr. George South and Miss Ina Hatt were united in the bonds of wedlock. The ceremony was performed by the Rev. Allan G. Wilson of St. Luke's parish church, with all the beauty and solemnity of the Episcopal church. The wedding was attended by only the family of the bride and a few intimate friends, who showered congratulations upon the happy young people after the wedding.

The bride was most charmingly gowned for the ceremony and the bridal party presented a very handsome appearance as they stood before the minister to be united in marriage. Following the wedding ceremony a most delicious luncheon was served by Mrs. J. B. Hatt, assisted by Miss Verna Hatt, and the bridal party was greatly delighted by the good things offered by the charming hostess.

The bride is one of our most popular young ladies and has been reared to womanhood in this city and graduated from the High school here and for the last two years has been one of the leading teachers in the Cass county schools, her last school having been the Becker school, west of this city, which she resigned a short time ago to prepare for the wedding. Mrs. South has been very prominent in the social life of the city and has a vast number of friends who, while they will regret to see her leave our city, will wish her a long and happy married life.

The groom is a young man who

has been engaged in railroad work, being a brakeman running on the Burlington from his home at Hastings to Pacific Junction, and has made many friends by his excellent traits of character and his genial disposition.

The young couple departed this morning on the early Missouri Pacific for Omaha, from where they will depart for their future home at Hastings, Neb., and they will take with them the best wishes of their friends in this city.

WHAT MIGHT HAVE BEEN A SERIOUS FIRE COURAGEOUSLY AVERTED

What might have been a serious fire was only averted by the presence of mind of Miss Helen Spies, the accommodating clerk at the book and stationary store of Matthew Herold, last evening. The store is lighted by gasoline caught fire and blazed up near one of them had leaked out gasoline onto the rack containing some books and music, and shortly after the lights were lit the gasoline caught fire and blazed up quite fiercely for a few minutes until Miss Spies rushed to the rack and smothered the flames with some cloths. The damage was very slight, as only a few paper-bound books were burned, but a few moments more and the fire would have made such headway that it would have been hard to put it out.

Pioneer Lady Dies at Nehawka.

A special from Nehawka gives the following particulars of the death of a most highly respected pioneer lady of Cass county. The social is dated March 12: Mrs. Emma Ingwersen, a pioneer of Nebraska, died today of pneumonia, aged 69. She came to Nebraska with her husband from England in 1857, and had lived in this vicinity ever since. She was the mother of fourteen children, twelve of whom are living. The husband died in 1882. The funeral will be held Thursday.

Journal for fancy Stationery.

REMODELING OF THE BURLINGTON STATION TO START VERY SOON

The Burlington officials having in charge the remodeling of the Burlington passenger depot in this city, were here today looking over the situation and preparing to start work as soon as possible. The plans for the remodeling were outlined in the Journal some time ago, and when the projected changes are made it will give the traveling public a much more suitable place in which to wait for trains. The station here is far too small to accommodate the traffic that passes through it each day and there is hardly a day passes that the rooms are not crowded beyond their capacity, and the company is not taking up these improvements any too soon. Superintendent Rivitt of Lincoln, Mr. Phelps and Master Carpenter Hedengren were in the party here today.

SUCCESSFUL DANCE AT THE REDMEN HALL LAST NIGHT

Last evening one of the most pleasant social events that has been given by the local lodge of the Red Men took place at their hall on lower Main street in the shape of an old-fashioned dance. The hall was crowded to the doors and when the music, which was rendered by Ross Collins and Charles Cline on the violin, Charles Hixon, guitar, and Charles Green, piano, was struck up the jolly crowd began to trip the light fantastic and the enjoyment reigned unrestrained until a late hour, when the crowd wended their way homeward, feeling that the occasion had been one of the most enjoyable in their recollection, and with the wish that the Red Men would soon arrange for another of these dances, which are getting to be so popular.

MISS LUCILLE BRYAN FROM ADVICES IS IMPROVING VERY NICELY

County Assessor W. R. Bryan received a letter today from the Still hospital at Kirksville, Missouri, informing him that his daughter, Miss Lucille Bryan, was getting along nicely and had suffered no pain and was apparently progressing toward recovery from the trouble she has been laid up with for the past few years. This news was very pleasant for the parents of Miss Bryan and their friends here and it is to be hoped that the young lady will soon be so much improved that she will be able to return home restored to complete use of her limbs.

Seed Potatoes.

Just received, a car of Red River Early Ohio seed potatoes, that will be sold at 65c per bushel as long as they last. Place your order now.

A. G. Bach & Co.

Preaching Services at Mynard.

There will be services at the church at Mynard on next Sunday, March 16. A Love Feast will be held at 7:30 p. m., and preaching service at 8 o'clock p. m., after which the Sacrament will be administered. The district superintendent, Brother Embres, will be present and have charge of these services. Everybody invited.

Returns From Salem, Iowa.

This morning Dr. E. W. Cook returned from Salem, Iowa, where he had been at the bedside of his niece, Miss Elizabeth Cook, who is very low with plural pneumonia. The doctor left his niece a little better and if she is able to withstand the ravages of the disease for a few days will recover from it, but the case is exceptionally severe and has been very telling on the young lady.

EMIL WEYRICH TAKES VERY FINE PICTURE OF THE FALLEN CHIMNEY

A very fine picture of the destruction of the big chimney of the brick and terra cotta works is on exhibition in the show window of Weyrich & Hadraba, the agents for the Eastman company in this city. The picture was taken by Emil J. Weyrich with an Eastman Graflex camera made especially to take objects in motion, and the picture is fine and every detail of the stack is clear-cut. The picture was taken with a film machine and was printed on paper that has made the products of the Eastman company famous throughout the country, and Mr. Weyrich has certainly secured a photograph that speaks well for the Eastman company and the Graflex camera. In addition Mr. Weyrich was able to secure quite a number of very interesting pictures of the large crowd, as well as one of the chimney before the start of the fire that burned out the wooden blocks supporting the structure. These pictures are clear and it is easy to recognize persons in the large crowd that gathered around the big chimney after it fell. All of these pictures are taken on Eastman machines and one of them on a Brownie, which is as clear as the pictures taken by the larger machines, although not quite so large.

Should be Elected.

Frank P. Sheldon of Nehawka is being hooped for treasurer of the Ancient Order of United Workmen of Nebraska. Mr. Sheldon is one of the best known and most popular business men of southeastern Nebraska and will receive the hearty support of all of the delegates to the grand lodge from this section of the state.—Nebraska City News.

CHOIR PREPARING EASTER SERVICES AT M. E. CHURCH

The musical department of the Methodist church will render two evenings of Easter music this year. On Friday evening before Easter, at 8 o'clock, they will render "The Seven Last Words of Christ," by DuBois. This is the same number given on Easter evening last year, and is being repeated partly in response to requests for its repetition from those who heard it formerly. Mr. Lucius Prior of Omaha will assist as tenor soloist, and Mr. Frank Kolbaba will accompany with the violin. The selection which will be used on Easter evening will be "Life and Death," by Harry Rowe Shelly. This work will be supplemented by a varied program consisting of solos and duets—each of which is designed to convey the message of Easter-tide. Forty voices will compose the chorus, and the public is cordially invited to attend the services. The offerings on both evenings will be used by the musical department. Mr. Kolbaba will play the offertory solos. The full program will be published at a later date.

ADDITIONAL HELP AT POST OFFICE ON ACCOUNT OF INCREASED BUSINESS

The postoffice in this city has secured the services of Mrs. Minnie Pickard as an additional clerk, as the new law and regulations of the postoffice department has provided that in the future the employees of the department will be allowed ten hours to do their eight hours' work, and under this arrangement it becomes necessary to secure her services of an additional clerk, and Postmaster Schneider has been very fortunate in securing Mrs. Pickard for this position, as she is well qualified and fitted for the position.

LOW FREIGHT RATES ON Household Goods

We can give you lower freight rates than you can get on Household Goods, Autos, etc., to any point in the United States. Let us ship for you and SAVE YOU MONEY. Write nearest office for low rates.

Missouri River Freight F'd'g Co. Omaha, Neb. Kansas City, Mo.

Dance at German Home.

The Plattsmouth Turnverein will give another of those delightful dances at the German Home Saturday evening and this promises to be one of the most delightful events of its kind that the society has given. The Holly orchestra will furnish the music, and those who fail to attend will miss one of the times of their lives. The public is cordially invited, so make it a point to attend.

ALREADY EMBLEMS OF ST. PATRICK'S DAY ARE IN EVIDENCE

The stores in this city are beginning to display the emblems of St. Patrick's day in their stocks, and the stocks of green flags, shafrocks and the famous Black-thorne are calculated to fire the hearts of the Irish and their descendants into remembrance of their great natal day. Years ago the celebration of this day in Plattsmouth was one of the main events of the year, but of late years the removal of many of the prominent Irish families and the passing away of others has caused the interest in the day to wane, although a few faithful still wear a sprig of shamrock to remind themselves of the past.

WHEN WAS THE TALL TERRA COTTA CHIMNEY ERECTED?

The destruction of the big brick chimney has brought out a great many statements from the old residents of the city as to when it was put up, and many claim it was in 1885, but the most convincing proof has been offered by Mrs. Henry Martens, who has looked the matter up in the diary of her husband, which gives the time as May, 1886, which is about as good evidence as is needed on the subject, as this gentleman has kept a very close track of the events that have occurred in this city for many years, and this proof may be accepted as final, backed as it is by the statement of a court house.

Marshall, Dentist, Coates block.
