

## SKILLFUL MANAGER AT COUNTY FARM

**Most Excellent Showing and the Farm in Better Shape Than Ever Before.**

That the county farm, west of this city, is in a most prosperous condition is shown by the report of the efficient superintendent, G. H. Tams, to the board of county commissioners at their meeting here this week. Mr. Tams reports the following sums paid out during the past year, as well as the receipts from the different sales of the produce raised on the farm:

Groceries and meat, \$516.51; clothing and shoes, \$51.77; implements and furniture, \$123; hardware and lumber, \$96.34; coal, \$203.51; fence posts, \$15; harness and repairs, \$34.55; threshing, \$50.13; male hog, rye, labor, etc., \$53.15; storm windows, \$61.45. The farm received \$812.98 from produce sold and has \$864 worth on hand at present.

This is a most excellent showing for the farm under the skillful management of Mr. Tams and shows that he has looked out in good shape for the interests of the taxpayers, and the county was very fortunate in securing him for another year at the farm, as he has greatly improved the condition there in every way and greatly reduced the cost of maintaining the institution. During the year there was an average of twenty inmates at the farm and the cost was only \$17.56 per person and they were employed at various work around the farm, more than making up this sum.

## FORMER PLATTSMOUTH BOY CAUGHT IN CUPID'S NET

The following item, taken from the Nebraska City Press, will be of much interest here, as the young man mentioned is a former Plattsmouth boy and a resident here for several years while attending the High school, and was universally liked by all who knew him and his many friends here will be pleased to learn of his marriage:

"A marriage license was issued yesterday to Forsha Gorton, 22, and Miss Elba M. Haney, 19, both of Dunbar. The young man is the son of Mr. and Mrs. Frank Gorton, while Miss Haney is the daughter of Mr. and Mrs. L. M. Haney, both families living in Dunbar. The young man is in the livery business with his father. The wedding will take place in a very few days."

### First Dance After Lent.

The first dance after Lent will be given on Saturday evening, March 29, at Coates' hall by the Cosmopolitan club, and a most enjoyable time is anticipated by the lovers of dancing throughout this part of the county, as the dances given by this club in the past have been most enjoyable to all attending. The music for the ball will be furnished by the Holly orchestra, who have secured some new numbers that will be played here for the first time.

## FUND SET ASIDE FOR MAINTENANCE OF THE GROUNDS

The Plattsmouth Boosters baseball club made a very wise move at their meeting Monday evening when they unanimously voted to set aside a certain per cent of the gate receipts, as well as the money derived from concessions, into a fund for the maintenance of the grounds, fence and grandstand at the ball park in the future, which will do away with the soliciting of funds for this purpose among the business men and base ball fans and is a very laudable step on the part of the officers and players of the club, who by this means give assurance to the public that the money that was given to be invested in the ball park will be protected by the management and players and the park not allowed to run down. This money will take some of that which would otherwise be divided among the players, but they recognize that those who assisted last year in putting up the park have done their part and the boys will see that it is maintained in the future. The club management is in excellent hands, as President Walling and Treasurer Dovey have charge of all the financial transactions of the club and their ability cannot be questioned as to giving the citizens and players a fair deal in every way, and the best interests of the club will be safeguarded. Manager Johnson has inspected the grounds and they are in very good shape and when rolled will be ready for business.

## DISTRICT COURT CONVENED TODAY, JUDGE CORCORAN PRESIDING

District court was convened this morning by Judge Corcoran of York. The first case that was called was that of Mrs. Truie Walker vs. Foster Walker, a suit for divorce, and after hearing the evidence in the case the judge granted a decree of divorce as prayed for and restored her maiden name of Truie Hollister to the plaintiff. Judge J. E. Douglass appeared as attorney for Mrs. Walker.

The case of the City of Plattsmouth vs. Earl C. Westcott, et al., was argued this morning before the judge. City Attorney Tidd appeared for the city and C. A. Rawls and W. A. Robertson for the defendants. The case is over a deal made several years ago to furnish the city light and power, for which a bond was put up, and the suit is to recover on the bond for failure of defendant to carry out the agreement.

### Entertains Kensington Club.

The members of the Kensington club were entertained in a most delightful manner yesterday afternoon by Mrs. M. E. Manspeaker. The ladies brought their fancy work and devoted most of the afternoon to stitching on dainty needlework, while they engaged in conversation. The hostess served a fine luncheon, which was very much appreciated by the guests, and it was quite a late hour when the ladies departed for their homes, having had one of the most enjoyable afternoons in some time.

### Let's Have It.

Manager Sutaes says he has received a communication from the office of the United Plays company, saying that it was just possible that they would arrange a date for "The Third Degree" in this city. These are the kind of attractions we want in our city.

### For Sale.

## PLATTSMOUTH CONTRACTORS GET BIG JOB AT GLENWOOD, IOWA

According to reports that have been received in this city, the firm of Peters & Richards, contractors, were the lowest bidders on the contract for the completion of the building at the Iowa Institute for the Feeble Minded at Glenwood, Iowa, their bid being in the neighborhood of \$103,000, and was a little lower than the others, although there was not a great deal of difference in any of them. This firm did a great deal of work over there last summer on the foundations for the buildings and their work was evidently very satisfactory to the state board of control of Iowa, and they will find that they have secured a good firm to complete the work, as Messrs. Peters & Richards are getting to be the leading contractors in this line in this part of the state and their work is always up to the specifications in every way. The securing of the contract by these gentlemen means that it will furnish employment for a great many men from this city, and we are very much pleased to learn that a Plattsmouth firm was able to secure the job, as it ought to bring quite an amount of money, both to Glenwood and to this city, and we congratulate our Iowa neighbor on securing this splendid addition to its state institution, which is one of the largest owned by the state of Iowa.

## DR. E. W. COOK RETURNS FROM BEDSIDE OF HIS SICK NIECE

This morning Dr. E. W. Cook returned from Salem, Iowa, where he has been for a few days in attendance upon the bedside of his niece, Miss Elizabeth Cook, who has been very low with pneumonia for several weeks. The doctor left his niece in apparently a slightly improved condition, although she is still in a very dangerous state of the disease, and it is hard to tell just what way the disease may act, although all that is possible is being done to stay the ravages of the dread affliction. The doctor reports that the weather in eastern Iowa has been very mild, and when he left Mt. Pleasant yesterday on his return home a rain storm had just set in and the weather was very warm, and it was not until he was almost in Nebraska that they struck the snow and cold weather.

## JOHN SPECK IN GREATLY IMPROVED CONDITION

The condition of John Speck, who is at St. Joseph's hospital in Omaha, recovering from an operation for appendicitis, continue to improve, although he is still quite weak from the effects of the operation, which was a most serious one, and the doctors in attendance discovered upon operating that the appendix had been punctured before he reached the hospital, but they have succeeded in bring him out in nice shape, and if he continues to improve it will only be a short time until he is on the highway to complete recovery.

### Fine Display of Ties.

The east show window of Westcott's Sons are very beautiful this week with a display of the latest and handsomest patterns and shades in ties for the Easter season and they are in every hue and design that the correct and up-to-date dressers desire to complete their Easter attire. The different colored ties make a fine appearance and attract the attention of all who pass by the store.

### Dr. H. Thomsen Moves.

Dr. H. Thomsen, who has been engaged in the practice of dentistry in the Westcott building, yesterday moved his office fixtures to the Gund building at the corner of Fourth and Main streets, and will occupy the suite of rooms on the second floor of the building that were formerly occupied by Judge Chapman as a law office, and his friends and patients can find him at his new location, ready to attend to business as usual.

## MISS IRENE DANIEL IS LEADING LADY IN "THE PRICE SHE PAID"

The clever playing of Miss Irene Daniel, who enacts the principal role in the new dramatic offering "The Price She Paid," has caused the most enthusiastic comment on all sides and her's is a complete artistic triumph. The play which comes here direct from its metropolitan engagement deals with the love of a fine girl with a dishonest brother. The man the brother steals from tries to induce the girl to become his common-law wife and failing to do this threatens to send the brother to prison. It is battling against odds like this that shows the firmness and fine gold of the girl's character. Her triumph at the end and the discomforture of the millionaire give wonderful dramatic possibilities to what we may call the best comedy drama written in years. "The Price She Paid" will be seen at the Parmele theater Monday, March 24.

## FARM RESIDENCE NEAR UNION IS DESTROYED BY FIRE

A very disastrous fire occurred near Union last evening, when the house on the farm of Miss Ida Freeman, situated about two and a half miles southeast of that place, was discovered to be in flames and although the neighbors battled manfully with the flames it was impossible to check their progress and the house was burned to the ground. The house was occupied by Frank Sherwood and wife, who have resided on the farm for about a year, and they succeeded in saving a part of the household goods. It could not be ascertained whether the house was insured or not, but the loss will fall quite heavily on Mr. Sherwood, who has only been married a little over a year, and their misfortune will be deeply regretted by their many friends in their home locality.

### Former Resident Visits Here.

J. G. Coleman, who was for many years a prominent and highly esteemed resident of this city, arrived yesterday with his son, John, from their new home near Pocatello, Idaho, where they are located on a large fruit ranch, and are meeting with splendid success in the handling of the property. They are very much pleased with Idaho, both in the climate and the wonderful productivity of its soil, but were delighted to meet their old friends here for even a few minutes. They

departed today on their return to the west.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one divided disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer the Hundred Dollar Reward for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, O. Sold by all Druggists, etc. Take Hall's Family Pills for constipation.
