## "Pittsburgh Perfect" Fence

Why the Electric Weld is the Most Effective Fence-Joint made

nnumerable exposed wire ends, and does away with sharply and tightly bending one wire against another, which Weld makes every ounce of wire count for strength and durability-no wasted wire, no useless weight dragging down

Electrically welding joints eliminates the fence. Electricity is the only medium which truly amalgamates metals - makes two wires one. As we use it, the galvanizing is piled around the joints, procracks the galvanizing. The Electric ducing a one-piece fabric with absolutely dependable joints. Electrically Welded fence-joints (patented) are used only in "Pittsburgh Perfect."

Made in Different Styles for FIELD, FARM, RANCH, LAWN, Every Rod Guaranteed CHICKEN, POULTRY and RABBIT YARD and GARDEN Every Rod Guaranteed

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other sence is just as good. If he doesn't sell it, write us direct.

If you are interested in Wire Fencing, write for FREE copy of our ALMANAC, 1913-
