ROADS BETWEEN PLATTS-MOUTH AND OMAHA ARE IN FINE CONDITION

From Wednesday's Daily.
 The automobile road between this city and Omaha and points south is in first-class shape, and with a few days of good weather it will make the road in perfect condition and the travel over the route will be greatly increased, although it has been quite lively the last week on account of a great many driving their cars into Omaha to view the storm scenes. The going out of the ice in such an easy manner in the Platte river saved the automobile bridge and the road from the high water they suffered from last year and they are now in shape to be traveled over. The route to Omaha through this city is the quickest and most beautiful, as it runs through the best section of the state and is an ideal run on a summer afternoon, going through the government rifle range and the handsomely shaded roadways north of the city. Those who have traveled over this route from Omaha have remarked on the great natural beauty of the country through which one passes on the Kansas City-Omaha Scenic route.

Shop Whistle Blows Earlier.

The shop whistle, which has blown at 7:15 and 7:30 a. m., will, commencing Monday, be blown at 6:45 and 7 a. m., as the working hours at the shops will be increased now that it gets light earlier in the morning. The announcement of the change in time is given for the special benefit of W. J. Streight, as the last time the change was made he overslept and the officials at the shops do not care to have this occur again.

"My little son had a very severe cold. I was recommended to try Chamberlain's Cough Remedy, and before a small bottle was finished he was as well as ever," writes Mrs. H. Silks, 29 Dowling Street, Sydney, Australia. This remedy is for sale by F. G. Fricke & Co.

MISS LUCILE BRYAN IS STILL IMPROVING NICELY

From Tuesday's Daily.
 Mrs. W. R. Bryan returned this morning from Kirksville, Missouri, where she had been visiting her daughter, Miss Lucile, at the Still hospital. She reports that Miss Lucile is getting along in nice shape and the attending physicians are greatly pleased with the showing she has made, but it will be several months before she will be able to return home. The improvement in the condition of Miss Bryan will prove the source of much pleasure to the many friends of the Bryan family in this city.

THE MATRIMONIAL MARKET LOOKING UP IN CASS COUNTY

From Tuesday's Daily.
 The marriage license market, which has been on the down grade for a few weeks, took a sudden boom yesterday, when the county judge was called upon to issue two marriage licenses. One of the licenses was issued to William Stock, aged 24, and Miss Minnie Schlueter, both of Murdock. Robert E. Drover, aged 41, of Burwell, and Miss Irma L. Peters, aged 22, of Weeping Water, also secured permission to become united in the holy bonds of wedlock.

Want the Daily Journal.
 From Wednesday's Daily.
 William Wetenkamp of near Mynard came in this morning from his home and enrolled his name among the many readers of the Evening Journal. Mr. Wetenkamp will farm the home place near Mynard this year, as his mother, Mrs. William Wetenkamp, sr., has moved into Mynard, leaving the farm in charge of her son and his wife, formerly Miss Emily Warner. We were greatly pleased to meet Mr. Wetenkamp and whenever he comes to Plattsmouth he will find the Journal office the place to make his headquarters.

Meets at Trimpe Home.
 The Ladies' Auxiliary of the Presbyterian church held their regular meeting yesterday afternoon at the home of Mrs. L. F. Trimpe. There was a large attendance, and after the usual business session the time was spent in sewing, conversation and the like, which made the hours pass all too rapidly. The hostess served dainty refreshments.

TORNADO SUFFERERS GET EIGHT DOLLARS FROM GEM RECEIPTS

From Tuesday's Daily.
 The benefit last night at the Gem theater, one-half of the receipts of which were to be sent to Omaha, was very poorly attended, there being only \$16 taken in by the ladies in charge, and Manager Shlaes did not feel like sending up less than \$10, and as the relief fund amounted to only \$8, he will give 10 per cent of the receipts tonight to the sufferers in Omaha. The show tonight includes the big special attraction of Buffalo Bill's and Pawnee Bill's, shows in moving pictures, as well as the inauguration of President Wilson.

TRAINMEN MUST CARRY THE CORRECT TIME

There is a much closer shaving of seconds now in railroad train operations than twenty odd years ago. A quarter of a century or less five minutes were allowed for the variation of the watches of trainmen and engineers; now the modern railroader would laugh at such time operations and characterize them as away behind the times. Nowadays when watches vary thirty seconds they must be corrected at once. In the old times any kind of a watch was carried by trainmen and engineers, but now they must be a certain standard and inspected at regular intervals. On the Burlington railroad the inspection is required once a month. A conductor who has been with the railroad for twenty-five years remembers well when it was printed in watches carried by employees of the operation department. Nothing which helps to assure greater safety in railroad operations is more appreciated than correct time carried by the men who run the trains on the big transportation lines. At every division point trainmen and engineers are required to compare their watches with the standard time clocks found there, and to make a record of the comparison.

THE Y. M. B. C. OF THE METHODIST CHURCH ELECT NEW OFFICERS

From Tuesday's Daily.
 The Young Men's Bible class of the Methodist church held their election of officers for the ensuing year at their club room last evening. There was a very large attendance of the membership present and much enjoyment was had by the young men in the good-natured rivalry for the different offices. The new officers elected were: President, Hugh Cecil; vice president, Floyd Stone; secretary, Jesse Perry; treasurer, Fred Hesse. The class held a primary a week ago and the two highest candidates for each office were selected for the election, which was a very democratic one in every way. The class has just closed a very successful year, both financially and in the amount of good work done for the young men of the city.

If you have anything to sell an ad in the Journal will sell it.

G. B. GOULD RECEIVES A MUCH DESERVED PROMOTION

G. B. Gould, who has been the most efficient chief clerk in the office of Superintendent of Shops William Baird in this city for several years, has received a much deserved promotion and goes to Havelock, where he will serve as chief clerk in the office of Mr. Ackerman. The departure of Mr. Gould from our city will be the cause of much regret, as he was well liked by all who knew him and he greatly regretted going, but the new position being in the nature of a promotion, he felt he should accept it. Mr. Gould will leave Friday for Havelock, but his family will remain here for some time before leaving for their new home. The Gould family are very much pleased with Plattsmouth and its citizens and they have been very popular in social circles here, and their removal will leave a place hard to fill in the hearts of their many friends.

F. W. Finney, formerly assistant clerk in the office of Master Mechanic Dietrich at Lincoln, has been appointed to take the place of Mr. Gould here, and we welcome him to our city and trust he will find it as pleasant a home as the Gould family has.

THE FUNERAL OF J. Q. WILES THIS AFTERNOON

The funeral of the late J. Q. Wiles of Omaha was held this afternoon, the body arriving on the 1:15 Burlington train, and the cortege at once left for Oak Hill cemetery, where the interment was made. The services at the grave were in charge of Rev. D. L. Dunkelberger of the Christian church. There was a large number of sorrowing relatives and friends at the station to meet the casket and accompany the funeral to the grave.

Another Benefit Last Night.

From Wednesday's Daily.
 The shows last evening at the Gem theater were quite largely attended at both performances, and as a result Manager Shlaes has added \$1 more to the Omaha relief fund, making a total of \$12 that was raised at this theater for the unfortunates. The amount raised was turned over to the ladies in charge of the benefit and will be sent to the committee at Omaha to be used in the relief work.

Farm for Sale.

COMMERCIAL CLUB SHIPS A BIG LOT OF CLOTHING TO OMAHA

From Wednesday's Daily.
 The Plattsmouth Commercial club yesterday shipped to Omaha 1,000 pounds of clothing, bedding and kitchen utensils to be given out to the tornado sufferers in that city. The citizens here responded very generously to the appeal for aid issued by the club and the donations were very numerous and will assist greatly in helping the unfortunates in the metropolis. The club needs children's clothing more than anything else right now, and anyone having articles of this kind should bring them to the rooms of the relief committee in the Sherwood building or notify the members of the committee or E. H. Wescott, secretary of the club, and they will be called for.

There are a great number of poor children in Omaha in need of proper clothing, whose parents have suffered in the tornado, and anyone who can contribute to this donation will be doing a most worthy act and one that will earn them the everlasting gratitude of the unfortunate sufferers. The committee is trying to arrange a day for the receiving of donations of bread from the ladies of the city, and as soon as arrangements can be completed the date will be announced. Let us all unite and contribute as generously as possible to the unfortunate residents of our neighboring city.

You will look a good while before you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold, and you are certain to be pleased with that prompt cure which it will effect. For sale by F. G. Fricke & Co.
