The deal was completed this week whereby Mr. and Mrs. J. W. Berger become the owners of the Murray hotel, having purchased the same from Mr. and Mrs. A. H. Graves. ### Fraudulent Advertising.

During the last few years the fraudulent advertising of medicines grew to such an extent that several states passed laws which forbid it. The advertiser must guarantee the truthfulness of the advertisement. We always were of the opinion that our people should not be deceived. There are several remedies endorsed by the people itself, like Triner's American Elixir of Bitter Wine, a great number of unsolicited letters proving that this remedy acts as advertised. We repeat that it is composed of pure, red California wine and a number of medicinal herbs known for their effect on the human body, especially in diseases of the alimentary tract, with loss of appetite, bodily weakness, constipation and all discomforts resulting from the same. At drug stores. Jos Triner, 1333-1339 S. Ashland Ave., Chicago, Ill. Try Triner's Liniment and you will also pronounce it the best remedy in pains and swellings.

The Independent Silo Co., of St. Paul, Minn., has its own timber and saw-mills, and millions of feet of well-dried silo lumber in its mammoth warehouses at all times. The Independent Silo Co. belongs to no trust or combine, and sells direct to the farmer. These are the reasons it can and is selling the very best grade of Washington and Oregon Fir in full-length staves 25 per cent under competitors. This means a saving of from \$25 to \$125 on a single silo.

The Independent Silo Co. furnishes the "Lawless Hinge," the only adjustable, never-sag, all-steel hinge that forms a safe, strong and ideal ladder. See this hinge and compare it with the cheap cast-iron hinges sold by competitors and you will have no other.

Don't let any unprincipled canvasser or company lead you to believe that the Independent Silo Co. infringes any patent. If you know the facts you would consider such an argument as an insult to your intelligence and act accordingly and with dispatch.

Does the Independent Silo Co. make good? Ask its thousands of satisfied customers. Get its catalogue and prices. Read fully on these points, and all about this great silo company, that is in no trust or combine.
