THE BOOSTERS MET DEFEAT SUNDAY

Alhambras Seemed to Have Edge Over Our Boys, Who Were Not in Good Trim.

Yesterday afternoon our base ball fans journeyed down to the park, east of the city, to witness the contest between the Alhambra team of Omaha and the Boosters, and the result was a good game, although the score was not very satisfactory to the fans here. The jinks seems to have perched himself on the bench of the local boys, as they were unable to get into their accustomed stride and the visitors started after the bacon right in the opening.

Mason did the tossing in the first three innings, while Ault caught him, and this young battery did very well, although the Omaha boys began to touch Mason up quite lively towards the last and accumulated three runs off his delivery, combined with errors on the part of his teammates. Connors, who was put in to pitch the last half of the game, was in good form and held the hits down, although through errors the visitors annexed three more runs, making their total for the game six. The home boys succeed in securing two scores off of the Alhambras in the course of the game, one in the third inning and another in the fifth. Vernon, who was in the box for the Alhambras, was in good form and struck out fifteen of our boys. The Omaha team is far better than the one which represented them on the diamond last year, but it does not appear to have anything on the Boosters so far as the players are concerned, although they have been in the game considerably longer this season than the local team, but with a few more weeks of practice and a couple of games the Boosters will begin to warm up in their proper shape and be able to give a good account of themselves on the diamond. The youngsters on the team are beginning to take hold of the game in a manner that indicates that during the coming season they will be able to give a good account of themselves, both in fielding and batting, and with the excellent pitchers, Connors and Mason, the team ought to become one of the best amateur teams in this part of the state. To make the team and the association a success here it will be necessary for the public to give the boys liberal patronage at the games, and by their presence encourage them in their playing.

One of the pleasing features of Sunday's game was the umpiring of Faber of Omaha, who is one of the best judges of the game in the state, and his decisions were uniformly fair and impartial. The score by innings was as follows:

Alhambras . . . 2 1 0 0 0 0 2 1—6
Boosters 0 0 1 0 1 0 0 0—2

FINE BROOD OF CHICKENS FROM CALIFORNIA EGGS

When returning from California a few weeks ago Mrs. J. H. Becker brought with her a setting of very fine thoroughbred Rhode Island Red eggs, which a friend of hers had given her in the west, and great care was taken in the transportation of the hen fruit to this city. After their arrival here the eggs were placed under a hen and a few days ago Mrs. Becker was greatly pleased to discover that every one of the eggs had hatched and that she was the possessor of a fine flock of these excellent little chicks. This certainly speaks well for the eggs for every one to hatch after such a long railroad trip.

Please Return Dish.

Will the person who removed the granite baking dish from the church after the last chicken pie supper please return same to the Presbyterian church or leave at the residence of Mrs. S. M. Chapman, and greatly oblige the Ladies' Auxiliary of the Presbyterian church.

The second advertising car of the big Yankee Robinson circus, which will show in this city on Monday, May 5, arrived Saturday and finished up the task of billing the town for the event. Why He Was Late.

"What made you so late?"
"I met Smithson."
"Well, that is no reason why you should be an hour late getting home to supper."
"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."
"Did you tell him to take Chamberlain's Tablets?"
"Sure, that is what he needs."

DR. A. E. WALKER IS LAID TO REST

A Large Concourse of Relatives and Friends Attend the Last Sad Rites.

The funeral services of the late Dr. Alex. E. Walker were held Saturday afternoon at the home of his parents, Mr. and Mrs. James A. Walker, near Murray, and was attended by a large concourse of sorrowing friends of the family, who gathered to pay their last tribute to one whom they had known from childhood and whose tragic death Thursday came as such a shock to the large circle of friends throughout the county.

The funeral services were in charge of the Masonic lodge of Nehawka, of which the doctor was a member and the brothers of that order bore their departed member to his last resting place in the Morning cemetery, south of this city.

The service at the home was in charge of Rev. Hanna of Omaha, who spoke consoling words to the relatives and friends of the future and of the meeting with the departed to the hereafter. Following the brief services at the home the cortage proceeded to the cemetery, where the Masons performed their beautiful ritual service. There was a profusion of floral remembrances laid on the casket as a token of the deep sorrow felt over his untimely death.

The Masonic lodge of this city to the number of eighteen attended the services at the grave, and a choir composed of C. C. Wescott, W. G. Brooks and C. W. Baylor, sang several of the much beloved old hymns, as the casket was lowered to its last resting place. The pall-bearers were from the Nehawka lodge and consisted of the following: G. W. Cheney, Ray Frans, Vilas P. Sheldon, Louis Anderson, Linnees Reynolds and Frank P. Sheldon.

BRING IN YOUR BUCKING HORSES ON CIRCUS DAY

Yankee Robinson Circus and Wild West Have Cowboys Who Will Ride Them.

If there is a bucking horse in your neighborhood that no one can ride, bring him in on Yankee Robinson circus day, and Texas Bill and his band of rough riders—some of the best in the world—will see what can be done about handling him. Sometimes they buck over ten miles of territory, yet in the end the cowboys seem to handle them. The bucking contest in the Wild West department is without a doubt the most amusing sport known. Texas Bill and his cowboys, cowgirls, Mexicans and rough riders of the world, are with the Yankee Robinson circus, and they will ride any bucking horse you bring them. Remember the date—Plattsmouth, Monday, May 5.

DEATH OF MRS. HAVNER AT INSANE HOSPITAL

Mrs. Mary S. Havner, who for the past two years has been an inmate at the state hospital for the insane at Lincoln, passed away at that institution Saturday afternoon, after a lingering illness. The body was brought to this city this afternoon on No. 24, and the casket was taken direct from the station to Oak Hill cemetery, where interment was made.

Mrs. Havner was about 68 years of age and resided here for several years, keeping house for her brother, the late William Sayles, at his farm, a few miles south of the city. The killing of her brother proved to be too great a shock to her and it became necessary to send her to the hospital for treatment, but she never regained her health, and gradually became more feeble until death finally relieved her of her suffering. The services at the cemetery were conducted by Rev. D. L. Dunkelberger of the Christian church. The only known relative of Mrs. Havner is a sister in New York, who is past 80 years of age and was unable to attend the funeral.
