The Big Candle Burns Out.

The big candle for which so many people have been anxiously waiting to be lighted, was lit on the second day of May, and burned just fifty-three hours, one minute and eleven seconds, going out Tuesday evening at 5:45. While the candle was not burning all the time, a close tab of the actual hours it took to consume the huge bunch of tallow was kept. There were 6,000 tickets out, or that many guesses as to how long it would burn, of course varying many hours. Mrs. Chas. McReynolds came nearest to the actual burning time, placing the limit at 53 hours, 2 minutes and 2 seconds and won the set of dishes. The boys' prize was awarded to Willie Vest, who placed the time at 52 hours, 56 minutes and 54 seconds, this prize being a wagon. The little girl's prize, a baby buggy, was given to Mayone Chambers, whose time was 52 hours, 36 minutes and 42 seconds. The manure set, the young ladies' prize, went to Miss Eva Bailey, on the guess of 52 hours, 59 minutes and 59 seconds. The \$3.00 hat, gentleman's prize, was awarded to W. Neeley, who placed the burning time at 53 hours, 5 minutes and 45 seconds. There was considerable interest among the many patrons of the store after the candle was lighted, awaiting the awarding of prizes.
