J. P. FALTER BUYS THE HOTEL RILEY

From Tuesday's Daily.
 The Hotel Riley building, which is one of the finest of its kind in the state, has been sold by the owner, Wallace Campbell, of Minneapolis, to J. P. Falter of this city. Mr. Falter will at once place the hotel building in first-class shape and make it one of the most up-to-date buildings in the city. While the purchase price was not made public, it will give the new owner an opportunity to realize a handsome profit on his investment and allow him to place the building in good shape for use both in the hotel portion and in the store rooms.

That the hotel has been secured by home parties will be very pleasing to the citizens, as of late years it has been owned by outside parties, who have not had the interests of the city at heart, and it has been allowed to run down somewhat, but under the new ownership this will be changed and Mr. Falter will devote his attention to seeing that it is kept up in proper shape. The hotel proper will remain under the management of Mr. Dunbar, who has conducted it for a number of years. The Riley is a splendid building erected in 1891, and has been a great advertisement for the city, as it is without doubt one of the most substantial buildings in this section of the state.

Docket Is Light.

The clerk of the district court, James Robertson, has prepared the copy for the bar docket for the May term of district court, which will convene in this city on Monday, June 2, and the jury will be called for June 16. The docket contains thirty-five civil cases and seven criminal cases, and is one of the lightest in recent years.

Hobo Gets Gay.

From Tuesday's Daily.
 There was considerable excitement at the Burlington station when Officer Neumann, stepping up to a gentleman of the hobo type, asked him his business here and was informed that he was here on a lawsuit. If the hobo had stopped at this he would have been all right, but he proceeded to get very loud and flourished a cane he carried around very lively and as a result he was loaded into a cab and hauled away to the lockup.

BOY'S CLUB OF ST. LUKE'S SUNDAY SCHOOL ELECT NEW OFFICERS

From Tuesday's Daily.
 The Boys' club of St. Luke's Sunday school held a meeting at the rectory last evening for the purpose of electing their officers for the ensuing six months, and the following were chosen: Warden, William R. Ezenberger; first vice president, George Dovey; second vice president, Milton Austin; secretary, Robert Peters; treasurer, Henry Robert Herold; sergeant-at-arms, Harold W. Smith. The boys had a very enjoyable time at the meeting and were full of enthusiasm for the work for the coming season.

William Schneider and wife of Cedar Creek were in the city today for a few hours and found time to call at the Journal office and renew his subscription to this household necessity. We were greatly pleased to meet these worthy people and they have a standing invitation to make this office their headquarters when in the city.

T. W. Vallery was in the city for a few hours today looking after some matters with the different merchants.

GETS FINE OF \$2 AND COSTS IN JUDGE ARCHER'S COURT

From Wednesday's Daily.
 Last evening Albert Dewitt, the man who created so much excitement at the Burlington depot in the afternoon, was brought before his honor, Judge M. Archer, charged with being found in an intoxicated condition. It seems he desired to purchase a ticket to return to his home in Omaha, but was refused by the cashier, as it is against the law to sell a ticket to an intoxicated man, and on being informed of this fact, he grew very angry and started to make a small "rough house," but was conveyed to jail. After hearing the evidence in the case the judge decided to place a fine of \$2 and costs on him and he arranged settlement and was allowed to leave on the evening Missouri Pacific for his home.

BURLINGTON BAND GETTING READY FOR SEASON'S WORK

From Wednesday's Daily.
 The Burlington band last evening began their rehearsals for the coming season of concerts to be given under the auspices of the Commercial club and the citizens. The band will be under the direction of Mr. E. H. Schulhof, who is without doubt one of the ablest band men in the state, and the public can look forward to some very pleasing concerts this summer. It is the intention of the Commercial club to give the concerts on the High school grounds, which is more centrally located than Garfield park and will prove much more convenient to a large majority of the citizens, as it is easier to reach that point from all sections of the city.

OTOE COUNTY TO SOLVE GOOD ROADS QUESTION

The county commissioners of Otoe county have taken a step that will assist them greatly in the solving of the good roads question, and this is the purchase of a heavy tractor engine that will be used on a large power grader to grade up the roads in that county and keep them in proper shape, and their example could be followed by this county with much profit to the whole county and would more than pay for itself in the improved condition of the highways of the county. It was the intention of the Otoe county board to grade a road at once east and west through the county and then take up the one going north and south and to connect with the automobile road running through that county, which will give them a splendid system of good roads throughout their locality. There is in Cass county, as well as all other counties, roads little traveled that it would not be advisable to work in this manner, but with an engine and power drag the main roads throughout the county could be placed in excellent shape and be made a credit to the citizens, as well as a means of travel that would greatly encourage the automobile owners and others to make more frequent trips all over the country and keep in touch with each other.

RELIEF CORPS HAVE VERY GOOD ATTENDANCE AT GEM

From Tuesday's Daily.
 The benefit given last evening at the Gem theater by the ladies of the Woman's Relief Corps was a splendid success, both in the attendance, which was quite large, and in the interesting pictures furnished. The Corps will clear a neat sum from the show, which will be applied toward fitting up the room occupied by the Relief Corps and Grand Army in the court house, which was recently turned over to them to use as a lodge room. The Relief Corps has been assisting a number of families this winter and also were heavy contributors to the supplies for the Omaha tornado sufferers, and as a consequence were unable to proceed with the work of fixing up their rooms as they should be.

County Commissioner C. R. Jordan arrived last evening from Alvo to attend to some business for the county.

The fire and water committee, to which had been referred the matter of the public drinking fountains, reported that they had secured estimates of the cost of the fountains as follows: Fountain complete, \$20.42; connection for same, \$8.50; concrete base, \$1. The price of the water for these fountains will be 20 cents per 1,000 gallons. On motion of Buttery the fire and water committee was authorized to purchase three of these fountains and have them installed at convenient places on the business streets. The matter was discussed by the different councilmen at length, but the motion of Mr. Buttery carried by a unanimous vote.

The contract for painting the exterior of the city hall was let to Frank Gobelman by the council, his bid being the lowest. The structure is to be painted similar to the Wescott building on Main street.

The bids for permanent sidewalks and crossings were opened and compared by the streets, alleys and bridges committee, and the bid of McMaken & Son being the lowest, that firm was awarded the contract, which will be entered into as soon as a bond satisfactory to the city is provided.

The curbing and guttering on North Sixth street and Oak street was brought up and it will be necessary to make a survey in order that the work can be carried out successfully. It was agreed to make the width of the roadway thirty feet, with parking on each side between the walk and the curb.

City Attorney Tidd gave a verbal report of his appearance before the railway commission in behalf of the city in regard to the telephone rates and of the different statements of the value of the plant made by the witnesses for the telephone company. The council authorized the city clerk to secure sworn statements of the value of the plant, which will be presented to the county board of equalization in order that the proper amount of taxes can be secured from the Lincoln Telephone and Telegraph company in this city.

Councilman Lushinsky called attention of the council to the old board walk on South Sixth street, which had been brought up several times before, and stated if the owner did not see that a permanent walk was placed there the council should take steps to have it put in and the cost assessed against the property. On motion, the councilmen from the Third ward were given authority to draft a resolution to present at the next meeting to make it legal for the city to proceed in the matter. Mayor Sattler stated there were a number of other pieces of walks in the city that could be included in the resolution, as they were badly needed. Councilman Richey stated that he understood that the Missouri Pa-

city officials were willing to put in several permanent walks around their station here and that if this was included in the resolution it would very likely cause them to take action at once in the matter.

There was a large number of street jobs ordered carried out as soon as the weather permits, and there being no further business the council adjourned.

DELEGATES DEPART FOR THE A. O. U. W. STATE MEETING AT HASTINGS

From Tuesday's Daily.

Yesterday afternoon the representatives of the Ancient Order of United Workmen from this city departed for Hastings to attend the session of the grand lodge of that order, which opens in that city tomorrow. James Higley, William Ofe and Henry Ofe represent lodge No. 8, D. C. Morgan No. 84, A. H. Johnson Seva lodge, and Martin Friedrich Germania lodge No. 81. Frank E. Schiater accompanied the delegates and will see that they keep in good behavior. Frank P. Sheldon of Nehawaw is a candidate for the office of grand receiver at the grand lodge and the local delegation are very enthusiastic for him and will do their utmost to see that he is elected to the office. The nominations will be taken up Wednesday morning.

From Stanton.

From Tuesday's Daily.
 Albert Fickler of Stanton, Neb., arrived in the city last evening for a brief visit with his parents, Mr. and Mrs. G. Fickler, and the many friends at the old home. He came to South Omaha, where he was in the market for some feeding cattle, and not finding the quality he wanted he returned this morning and will buy if he can locate what he wants. He reports everything in Stanton in good shape, and as for himself, he is enjoying life and prosperity in the fullest sense of the term. He will return home from South Omaha today.

HON. R. B. WINDHAM IS CONFINED TO HIS BED WITH SICKNESS

From Tuesday's Daily.
 It will be learned with profound regret by the many friends of Hon. R. B. Windham that he is quite sick and has been confined to his home since Sunday evening with what it is feared may develop into pneumonia. He spoke Sunday afternoon at the Methodist church and returned home feeling quite poorly, and in the evening it became necessary to summon a physician, as his condition continued to grow more serious. That he may recover speedily is the sincere wish of his many friends throughout the city.

ANOTHER VICTIM FOR THE DIPSOMANIAC ASYLUM AT LINCOLN

From Tuesday's Daily.
 William Hill, who resides at Louisville, was brought before the insanity board today, charged with being a dipsomaniac, and after hearing the evidence in the case the board decided to give him a course of treatment at the hospital in Lincoln. He was brought in by Deputy Sheriff M. E. Manspeaker, who went out to Louisville last evening to secure the man.
