Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is too told to the good you can possibly derive from them. "SCREW LOOSE" SOMEWHERE SAYS SHERIFF QUINTON

Sheriff Quinton was in town Tuesday. He was a caller at these newspaper headquarters, as is his custom when in town. Asked when the new county jail would be completed he stated that there appeared to be a "screw loose" somewhere, as the commissioners have not as yet asked for bids for the construction of the building and that they will not do so until after the annual levy is made. This will be done in July or August. Sheriff Quinton is of the opinion that the commissioners are needlessly wasting time and that they could easily award the contract and let the work of construction proceed and not have to wait for the levy, which is sure to be made in compliance with the expression of the voters. He is of the opinion that contractors could be readily procured to bid on the job with this understanding.—Louisville Courier.

A FINE LOT OF BOYS HERE FROM LINCOLN

The base ball team which was here from Lincoln Saturday and Sunday, was composed of a fine lot of young men and during their stay here enjoyed themselves so much that they desire to return in a couple of weeks for another game with the Boosters. They would make an excellent attraction and the fans here believe that the Boosters can take them in on another game, as they have not anything on the locals when it comes to playing. The star of the teams is Franks, and he is without doubt one of the best pitchers seen here this season.

UNION SERVICES OF THREE CHURCHES SUNDAY EVENING

The union services of the Presbyterian, Methodist and Christian churches, held last evening at the Methodist church, were very largely attended, there being some 500 persons present. The young people's meeting was also well attended and the services full of much benefit to the worshippers. The sermon at the worship hour was delivered by Rev. D. L. Dunkelberger of the Christian church and was a very powerful and convincing one and greatly impressed his hearers with its appeals for better living. The music at the service was furnished by the choir and Glee club of the Methodist church and a beautiful solo was rendered by Don York in his usual pleasing manner. These services will be continued at the different churches until the opening of the revival services here in June.

W. G. Meisinger drove in Saturday afternoon from his home, west of the city, and attended to some trading with the merchants for a few hours.
