A petition is in circulation asking the Missouri Pacific to build a sidewalk that has been needed for years. While the people should also see that a new walk is built from the steps to the Christian church. We cannot see how a community will put up with such walks.

Jack Shaw, who has been complaining for several days from a rupture of several years standing, was taken to the St. Joseph's hospital at Omaha. He was operated upon the same day and from late reports he is getting along very well, and his smiling and good-natured countenance will soon be visible upon the streets of Murray again.

Mr. and Mrs. Berger moved into the hotel last Saturday, after renovating the same throughout, and everything looks as neat as a pin. They expect to make many improvements during the season, such as putting on an addition, installing a heating plant, tearing away the fence and putting down new sidewalks. Murray will have an excellent hotel, and one of which they can all feel a deep pride. Success to the Berger hotel.

Henry Long's New Residence.

While searching for news items for the Journal, we thought of the new residence that our old friend, Henry Long, is erecting just a quarter of a mile north of the business part of town. Mr. Long is one of the foremost farmers of Cass county, has been here a long time and no one who has followed farming as long as he has has a better right to take a needed rest. That is why he is putting up this fine new home, and the site he has chosen is an ideal one. Here he has purchased two acres. The foundation has just been completed of cement blocks. The house proper will contain eight rooms; it is being built for comfort. When completed, our opinion is Henry will possess one of the best homes in this section. It is safe to say that the house will be finished up in the most modern and artistic manner, as Billy Hamilton has the contract, and his reputation for doing work right is well known. We will have more to say in reference to Mr. Long's new home as the work progresses.

Tornado Insurance.

Wouldn't it be better to receive a check from an insurance company after a tornado or cyclone takes away your home than to be compelled to use your own hard cash to rebuild? I represent Standard Old Line Companies, and can write your insurance at a low rate. Better look up your policies and if you have no tornado insurance call at the bank and let me fix you out.

Mrs. A. L. Baker, who has been at the hospital in Omaha for treatment for the past ten days, returned home Wednesday evening feeling and looking much better.

Was Slugged in Omaha.

Earl Stouffer, son of W. H. Stouffer, the lumberman, departed Friday, his destination being Wallhill, Neb., his trip being made to secure work. He stopped in Omaha for a few hours to look for a job in that city, and in walking around he was either doped or slugged, and perhaps both. When he came to himself he was lying in the weeds along the railroad track north of Council Bluffs. He does not remember anything about the matter, but says the last he remembered was about 3 o'clock in the afternoon. When he became conscious it was about 10 o'clock at night. He had a suit case and \$25 in money. All was gone, including a hat he had just paid \$3 for before leaving home. He finally found his way back to Omaha, very bloody and presented a very pitiable sight. With no money he did not know what to do. He finally came across some good samaritans, who took him to a place where could wash and give him a hat, and the next day he returned home. Young Stouffer is only about 18 years of age and does not drink. The strangest thing of it is how could one be slugged at 3 o'clock in the afternoon without someone seeing it? Sometimes strange things happen in Omaha in broad daylight.

The Cigar That Takes.

At a party given at the Oldham home a few months ago, the guests wrote advertisements for amusement, and Mrs. S. O. Pitman and Mrs. Lena Young Lyman composed the following poem: It pleases the ladies, It pleases the babies; Smoke 'em alone, Smoke 'em at home, Smoke 'em near, Smoke 'em far, The Regalia Habana 5-cent cigar. The poem was sent to Mr. Richler of Plattsmouth, who makes a liberal donation to our public library. It is needless to say that our association was well pleased and will make it a point to push the sale of the cigars at Hiatt & Tutt's whenever we have an opportunity. The Regalia is a good one and is quite popular in this community. Call for the Regalia the next cigar you buy.

Mr. and Mrs. I. S. White.

A reporter of the Journal while in Murray this week, gave two worthy old people a brief visit. They have been ailing more or less all winter, but for the past few weeks they have been confined almost strictly to their homes. They have an immense number of friends in every section of Cass county, who are always glad to hear from those early pioneers, for there are no better people on the face of the earth. While they seem to be improving in health, they do not feel discouraged, hoping for the best, and may they be rewarded. They deserve to live a good many years yet, and not only is this the sentiment of the Journal, but it is the sentiment of everybody who knows these highly respected old people.
