### VERY BEAUTIFUL HOME WEDDING

Marriage of Miss Virginia McDaniel and John W. Allen at Home of Bride's Parents.

At the beautiful home of the bride's parents, Mr. and Mrs. J. E. McDaniel, Saturday evening occurred the wedding of their daughter, Miss Virginia, to Mr. John W. Allen of Oklahoma City.

The rooms of the McDaniel home were decorated most beautifully for the happy event. In the parlor the decorations were pink bridesmaid roses, interspersed with smilax and sweet peas, while in the large living room lavish use of white carnations and southern smilax made the setting for the wedding one of great beauty, the large window alcove being transformed into a veritable bower of flowers, before which the ceremony that united these happy young people was performed by Rev. W. L. Austin of the First Methodist church.

The wedding party entered promptly at 8 o'clock, as the strains of Mendelssohn's wedding march, played softly by Miss Pearl Price of Salina, Kansas, sounded through the rooms, the bride entered with the maid of honor and was most charmingly attired in a costume of imported white chiffon over brocade white satin, and with the long tulle veil was very beautiful. The bride carried a magnificent shower bouquet of bride's roses. The maid of honor, Miss Clara Austin, was attired in an elaborate costume of pale green over green satin. The groom was attired in the customary black and was attended by Mr. Floyd McDaniel, brother of the bride, as best man. The impressive ring service was used by the minister in joining these young people in the holy bonds of wedlock.

Following the ceremony the many friends showered the newly wedded couple with their best wishes for a long and happy married life, after which the wedding guests were ushered to the dining room, which was decorated with pink carnations and smilax, and here some very tempting refreshments were served by Misses Nora Rosenerans, Lillian Dwyer, Helen Egenberger and Wanda Ramsey. There were over one hundred present at the wedding and reception to bid the newly wedded couple all the happiness and joy they so well deserve.

Mr. and Mrs. Allen departed on the Missouri Pacific for Kansas City, where they will visit for a week and then go to Oklahoma City, Oklahoma, for a short visit, from there departing for San Antonio, Texas, where they will make their home. The young couple received a large number of handsome and costly gifts from their friends, one of which was a check for \$500 presented by the father of the bride.

The bride has been one of the most popular and talented young ladies in the city, and while her removal from our city will be the cause of much regret from her many friends, she will take with her their best wishes for a happy married life in her new home.

The groom, Mr. Allen, is a young man who is engaged as the manager of a large moving picture film exchange, having branches throughout the southwest, and is very highly esteemed by all who know him for his sterling worth and character, and well deserving of the charming bride he has won. The Journal extends to Mr. and Mrs. Allen their best wishes.

#### The Ferry Running.

The Missouri Rivery Ferry is now running. The roads leading to the river have been dragged and everything is in good shape for crossing.

#### To Undergo Operation.

This morning Mrs. Martin Peterson was taken to Omaha, where she will enter one of the hospitals there to undergo an operation for cancer, from which she has been suffering for some time. That this highly esteemed lady will recover from the effects of the operation is the sincere wish of her many friends here and they will anxiously await the news from her bedside.

### RAISE IN TELEPHONE RATES TO STAND

According to Decision of Railway Commission the People Will Have to Submit.

The state railway commission, which has had under consideration the application of the Lincoln Telephone and Telegraph company for permission to adjust the telephone rates in this city, Saturday decided to allow the company to make the advance in rates asked for. The new rates will be effective from the first of June and are as follows: Business telephones, \$2.50; individual residences telephone, \$1.50; two-party residence telephone, \$1.25. The farm line telephones will remain at the present rate of \$1.50 per month.

Heretofore the lines in the city have had four to a line, but under the new system just installed there are only two on a line making the service much better, and the all-metallic line cuts out the trouble so often experienced of hearing several parties talking at the same time on the different lines. The company expects to shortly reduce the number of farm lines to ten parties. At present some of the lines have as many as eighteen on them, and the new arrangement will give the subscribers a much better service at the same price.

The commission gave the matter of the raise careful thought and investigation and had their engineer make an estimate of the physical valuation of the plant here and the improvements made, and after the hearing, where both sides of the proposed raise, that of the company and the subscribers, was argued before them, they decided to allow the raise.

### CIVIL MARRIAGE IN OMAHA TODAY

This afternoon in Omaha occurred the wedding of Mr. Ralph Sherwood of this city and Miss Tena Svella of Omaha. This evening the happy couple will leave for Denver, where they will make their home, and where Mr. Sherwood will be employed by the Denver & Rio Grande railroad. The young people were married on May 1 in the Catholic faith, and the ceremony today is merely the civil marriage. The bride has been employed in Omaha for the past five years with the Novelty Skirt Co., being head fitter for the company. Her father is a large ranch owner near Denver and has three farms in this state located near Clarkson. Miss Svella is a graduate of Boyles college of that city and of the Omaha High school, as well as of the musical department of Brownell Hall, and is a very talented young lady. The young people were here yesterday spending the day with the groom's mother, Mrs. Robert Sherwood.

G. W. Shradler and daughters, Madames Charles Wolfe of Union and J. W. Yardley of the vicinity of Murray, were visitors in this city today. Mr. Shradler was a caller at this office and renewed his subscription.

### PRIZE WINNERS IN THE PENMANSHIP CONTEST

### DISTRICT COURT BEGAN JUNE TERM THIS MORNING

The June term of the district court was convened in this city this morning, with Judge H. D. Travis presiding. The morning was largely taken up with the calling of the docket and the arguing of various motions before the court. The bonds of various defendants in criminal cases were renewed at the opening session of the court.

The judge handed down a decision in the case of George Perry vs. the City of Plattsmouth, in which he sought to have the defendant restrained from tearing down fences of the plaintiff in opening up certain streets in the southern edge of the city limits, and the court found generally for the plaintiff, as it was shown that he had paid taxes on the land sought to be used by the city for a number of years and had established a title to the property. The defendant excepted to the findings of the court.

The case of remonstrators against the granting of a license to G. G. Williamson for a saloon at Murdock, which license was granted by the village board of that place, was argued and submitted to the court.

### CLOSE SCHOOL IN DISTRICT 45 WITH CELEBRATION

The pupils of School District No. 45, near Mynard, celebrated the last day of school by having a picnic dinner. On Friday, May 30, the teacher and the pupils of this district gathered at the school house and at the noon hour partook of a bountiful and dainty luncheon, which was served in three courses, the first course being a general dinner consisting of everything one could wish for, to which all did ample justice. The second course consisted of ice cream and cake, so delightful in accordance with the hot weather, and was followed later on in the day by a third course, in which ice cream, cake, fruit and fruit salad were served. Miss Nellie Brown, one of Cass county's most efficient and successful teachers, taught a most successful and pleasant term of school in District 45. The guests at dinner, other than the pupils, were: George Snyder, sr., A. A. Watenkamp, Edgar Barker, Roy Howard, Coon Valley, sr., Misses Anna and Mildred Snyder, Pearl Henton. All report a most enjoyable day.

Happy is the man whose wife is a helpmeet and who shows judgment and wisdom by trading at The Daylight Store where she is sure to get the Best the Market Affords in both Dry Goods and Groceries. ### BIDS FOR PILING AROUND POSTOFFICE

The government is advertising for bids for the placing of wood sheet piling around the government building in this city to prevent further settling of the soil. The building has settled but very little, but the supervising inspector of the government buildings believes that it will be the best thing to see that it does not get a chance to settle, and by the placing of these piles around the

entire lot it is thought to hold the soil more firm and prevent the earth settling toward the old creek-bed, which in years gone by ran south of the present building. The placing of the piling will necessitate the tearing up and replacing of the walks leading to the entrances of the building, as well as the macadamized driveway to the west of the building, but this driveway will be replaced by one of concrete similar to the paving on Vine street. The proposed changes will mean a great deal of labor, but when it is completed ought to make the government building proof against future settling of the lot.

The bids must be in Washington by June 18, and the contract will probably be let about the first of July and work commenced at once on the placing of the piling.
