**ANOTHER PRETTY  
JUNE WEDDING**

Miss Bess Edwards and Prof. O.  
C. Larson United in the Holy  
Bonds of Wedlock.

Last Evening at the First Methodist church in this city occurred the marriage of two of Plattsmouth's popular young people, Mr. Carl Oscar Larson and Miss Bessie Edwards, before a large gathering of their friends and relatives. The decorations in the church were very simple and tasteful and consisted of white sweet peas and ferns, making a handsome background for the ceremony that united these young people.

Promptly at 8 o'clock the Euterpean Glee club, of which Miss Edwards was a member, took their stations in the choir, as Mr. Don C. York began the always beautiful "O, Promise Me," and the soft, clear notes had hardly died away when the Glee club sounded the first notes of the bridal chorus from "Lohengrin," as the wedding party entered the church. Mrs. Howard Holmes, Omaha; Miss Della Rich, Omaha; Florence Kite, Peru, Clara Austin, Misses Esther Larson, Mathilda Soennichsen, Mildred Johnson and Mattie Larson acted as ushers.

The bride entered on the arm of her brother, Mr. C. S. Johnson, and was preceded by little Miss Helen Wescott, who carried the wedding ring concealed in a large red carnation, and Master John Warren McBride, who held the bouquet of the bride during the wedding ceremony. The bridal party was met at the chancel by the groom and his best man, Mr. Fred Mann, and the words that were to bind these two young hearts for life were pronounced by Rev. Ward L. Austin, the pastor of the church, of which the bride has been a most faithful member. The Glee club sang the finish of the wedding march as the party left the church for the residence of the bride's sister, Mrs. C. S. Johnson.

These two young people have been residents of this city during almost their entire lifetime and command the respect and highest esteem of all who know them and their friends throughout the city are legion, and in their new home that they are making for themselves they will take the best wishes of all for their happiness and success in whatever place they may select to reside in the future.

The bride has grown to womanhood in this city, where she was educated in the Plattsmouth schools, graduating in the class of 1908, and at once took up the work of teaching in the schools of the county and city and her work along this line has shown her great ability as an educator.

The groom is a native of this city, where he was born and reared, and he, too, was educated in the schools here, graduating in the class of 1905. Later he entered Bellevue college, graduating from that institution with high honors, and two years ago was elected principal of the High school in this city, and has just closed two years of very successful work in this institution and

is well qualified as a teacher and instructor and in all branches of school work.

The young people left last evening for Winnipeg, Canada, for a short honeymoon.

The out-of-town guests were: Mr. and Mrs. J. W. Gamble of Omaha, Mr. and Mrs. H. B. Holmes of South Omaha, Miss Della Rich of Omaha, Margaret and John McBride of South Omaha, Miss Florence Kite of Peru, Neb., Miss Zora Tennant of Pawnee City, Mr. and Mrs. R. E. Foster and little daughters, Dorothy and Louise, Mrs. Harry Frans and daughters, Zola and Alma, Mrs. Nettie Stanton, Misses Angie and Fannie McCarroll of Union, Mrs. L. L. Youngman and J. G. Fannin of Kansas City, Missouri.

**GIVE THE LITTLE  
ONES FRESH AIR**

Mrs. L. B. White is Giving Several of These Children an Outing at Her Home.

This is the season when the residents of the cities, and particularly the children of the city, suffer greatly for the want of the good, wholesome air and surroundings of the farm or small town, where they can get out and grow under the clean, healthful influence of the countryside; and how to provide this means is one of the big problems of the child saving institutes of the cities.

About a week ago Mrs. L. B. White was in Omaha, and decided to afford an outing for some of the children who would not have an opportunity to enjoy life in the country, and called at the child saving institute and secured seven children, who were brought here to enjoy a week of recreation at her home, which has a large lawn, and it is a pleasant sight to see the little ones at play, some of whom never had the pleasure of playing among the grass and great trees of the country, and their joy is unbounded at the unexpected treat afforded them.

The persons in charge of these institutions in Omaha are very anxious to allow the children under their charge to get away from the city during the heated months and anyone who is able to care for one or two of the little ones will find it a great pleasure to themselves, as well as to the kiddies, to bring them to their homes to spend a week or so among the surroundings here, as it is much more healthful for them, and those brought here by Mrs. White are a bright, cheerful bunch of childhood, who have been deprived of what is justly theirs—a home. Some of the children are in the institutions temporarily, while others are for adoption.

The heads of institutions in Omaha, having children in their charge, will be pleased to have anyone interested in taking out children to communicate with them and try to take this method of giving the little boys and girls a chance to spend a few weeks in the country, if they do not care to adopt them.

**A VERY PRETTY  
HOME WEDDING**

Paul C. Morgan and Miss Ethel Ballance Married at Home of Mr. and Mrs. Wm. Ballance.

One of the handsomest home weddings of the season occurred last evening at 6 o'clock at the home of Mr. and Mrs. William Ballance, when their daughter, Miss Ethel, was united in marriage to Mr. Paul C. Morgan of Hay Springs, Neb., in the presence of the immediate families of the contracting parties.

The home was very handsomely decorated for the occasion and presented a scene of great beauty throughout the rooms. In the parlor, where the ceremony was performed, the white roses and greens were run in streamers from the sides of the room to the chandelier, where a great mass of the roses formed a bower beneath which the young people plighted their troth. In the dining room the decorations consisted of pink and white carnations and greens, forming a most artistic combination, while in the living room American Beauty roses and palms furnished the decorations.

Preceding the entrance of the wedding party Mrs. R. Glen Rawls sang very sweetly "I Love You Truly," and as the soft notes of the wedding march, played by Miss Kittie Cummins, sounded, the little ribbon bearers, Misses Bernice Ballance of Lincoln and Mayne Mundy of McCook, most charmingly gowned in white with pink sashes, entered the parlor, followed by little Miss Janie Lehnhoff of Omaha, the ring-bearer, also gowned in white and carrying the wedding ring reposing in an American Beauty rose. The bridesmaid, Miss Vera Ballance of Lincoln, in a lovely costume of white chiffon over pink silk and carrying pink bridesmaid roses, followed the ring-bearer. The matron of honor, Mrs. Howard B. Holmes, of Omaha, preceded the bride, and was most charming in pink silk and carried pink roses. The bride entered the parlor on the arm of her father and was attired in white ralaene crepe trimmed with shadow lace and carried a magnificent shower bouquet of white bride roses.

The bridal party was met beneath the floral canopy by the groom and the best man, Mr. E. G. Dovey, who were both dressed in the conventional evening dress, and as the young people took their places the ceremony was performed by the Rev. Allen G. Wilson of St. Luke's church, using the beautiful and impressive Episcopal wedding service.

After the wedding ceremony the guests were ushered into the dining room, where a most sumptuous wedding dinner was served by Misses Gretchen and Marie Donnelly, Esther Larson and Nora Rosencrans. The young people left at 7:45 for Omaha, from where they will proceed to their home at Hay Springs, Neb., where they will at once start to housekeeping in the home prepared by the groom.

Both of the contracting parties are among the most popular young people who have lived here and their presence will be greatly missed from their large circle of friends, but they will carry with them to their new home the best wishes of everyone for their future happiness and welfare.

The bride is the youngest daughter of Mr. and Mrs. William Ballance and has been very prominent in the social life of the city, where she has been reared to womanhood. She was a graduate of the High school here in the class of 1908 and has been engaged in teaching here for a number of years, and those whom she has taught will greatly miss her in their school life.

The groom is a Plattsmouth boy and is a son of Mrs. F. J. Morgan of this city, and spent his boyhood here and is a young man of more than usual ability, as since the death of his father a few years ago he has had a great deal of experience in the handling of their property, and a short time ago located in Hay Springs, where he is engaged in the real estate business and has been very successful in his business venture.

The wedding was very quiet, owing to the recent death of relatives, and only the immediate families of the contracting parties were present. The marriage was performed by Rev. J. H. **A RUNAWAY WITH BUT  
VERY LITTLE DAMAGE**

Last evening about 8:30, as Louis Leiner was preparing to return to his home in the west part of the city, his team, which was tied near William Hassler's blacksmith shop, became frightened and started to run away, going south to Main street, where it came near running into the front of Wescott's store, and then proceeded up Main street to Sixth, turning there and running to Vine street, where the team started west, and near the residence of William Weber crashed into an iron fence, with the result that Mr. Leiner was thrown out and the team continued on its flight, despite the efforts of parties to stop them. Mr. Leiner was uninjured by the fall and proceeded homeward, where the team was found in the barnyard very peaceable. The only thing damaged about the buggy was the singletree, which was broken, but it is a wonder that more serious damage was not done, as the team was running at a fast gait.

Inspect the Tractor.

Tuesday afternoon T. H. Pollock of Plattsmouth brought to this city Charles Heebner, Charles N. Jordan and Julius Plitz, commissioners of Cass county, for the purpose of inspecting the new tractor grader and to look over the road between here and Platts-

Hugh Norton returned last evening from Kearney, where he visited his wife at the hospital, and this morning was a passenger for Omaha to secure a special nurse to be sent there to care for Mrs. Norton, who is in a very critical condition, and to add to her sickness her mind has become affected and it seems only a question of time until the end comes to her suffering.
