Mrs. Wm. Cockburn, living near Alvo, has passed through a very severe siege of sickness and is still very weak as a result of her continued illness. She is supposed to have drunk fresh milk made poisonous by the cows eating poison weeds. A gradual improvement is noticed now and it is hoped she will soon be able to be around as usual.

License to wed was issued in Lincoln Wednesday to Ray D. Fentiman, son of Mr. and Mrs. J. D. Fentiman, residing south of town, and Miss Mae M. Brockman, daughter of Mr. and Mrs. Henry Brockman, of near Palmyra. The groom was born and raised in the vicinity where he now resides, and he is numbered among the most trusted and worthy of the young farmers of this section.

Dan Fentiman has purchased the lots lying south of the Jno. P. Cobb residence property in West Elmwood. Dan is one of our best and biggest, best looking and most highly respected farmer friends, and Mrs. Fentiman shares fully all the good qualities of her husband—except avoidupois. We are pleased to know that they intend to build a fine new home in Elmwood and take up their future residence in the town itself. Welcome to the Fentiman household.

Farmers in this vicinity are buying automobiles so fast that occasionally we fail to make mention of the purchase. We learned only yesterday that Chas. Frohlich, who lives southeast of town, just recently purchased a new Buick car from Frank Lanning.

Last Monday morning while Mrs. T. R. Adams was walking across the room, she accidentally caught her foot in the carpet causing her to fall, resulting in a dislocation and fracture of the right ankle. The fracture was immediately reduced and at this writing Mrs. Adams is getting along nicely.

On Tuesday evening of this week the big engine at the electric light plant was started up and the current was turned on so that those who had their buildings wired were given a chance to test the lights. We were soon convinced that Eagle has a plant that she can certainly be proud of. Everything is working in tip-top shape, twenty-four-hour service already being furnished.

ranch owned by Marion Metzger. Gottlieb Sprieck came down from Stanton to attend the funeral of his old friend, Julius Ragoss. Thursday morning when he was attempted to return home he was accosted by a constable with a subpoena for a witness in the Wegner scandal case. Mr. Sprieck was justly indignant at having to remain here several days, his wife being in poor health, which was the reason for his desire to return home so soon.

C. E. Noyes and wife started to Plattsmouth last Saturday in their auto mobile, but had the misfortune to break an axle as they were going up the rock hill east of Joe Schmarde's. The car started to back down the hill and the brake would not work and they were fearful of results for a time, but fortunately the worst injury sustained was the broken axle. Frank Boedecker got what he thought was a little piece of steel in the muscle of his arm a week ago and had the doctor try to get it out, but decided after probing for it to let it alone. Wednesday morning he located it again and the doctor cut into his arm and extracted a needle about one and one-half inches long. Frank doesn't know how it got there, and as it was a kind his wife does not use he is under a quandry to know just how he picked it up.

DAN CUPID SMILES ON OMAHA YOUNG PEOPLE

Two more of the young people of Omaha this morning concluded to search for their happiness in this city, whose reputation is becoming as widely known as that of the famous Gretna Green, and arriving on No. 4, at once visited at the court house and inquired for the dispenser of the marriage licenses and secured one, after the groom made solemn oath that he was of age, and they requested the judge to perform the ceremony that was to make their hearts and lives as one, which he did in his accustomed impressive manner. The contracting parties were George Green, aged 21, and Miss Georgia Anderson, aged 18, both of Omaha. The groom is a son of George Green, director of Green's band, the leading organization of its kind in Omaha, and the groom himself is one of the talented members of the band. They returned home at 1:58 this afternoon.

Very Nearly a "Bout."

There was quite a merry little "go" Saturday afternoon on Main street, when two ladies who were engaged in conversation, becoming involved in an argument, started into a lively mix-up for a few minutes. The ladies got so far in their forcible argument as to clinch, and one of the contestants secured a toe hold on the hair of her opponent, but friends separated them before serious damage was done to either of the Amazons, but they departed vowing vengeance on each other.

Here is one case of it: Herman Tiekoeffer, contractor, Ninth and Day streets, Plattsmouth, Neb., says: "I gave a public statement in praise of Doan's Kidney Pills in 1906, after they had given me great relief from backache and lameness. I am glad to confirm all I then said. My trouble has never returned. My kidneys caused me much trouble and there was a dull, tired feeling across my loins. If I stooped or straightened, my back hurt me, and in the morning I was all tired out. I heard so much said about Doan's Kidney Pills that I finally got a box. They promptly relieved every symptom of my complaint."
