E. G. DOVEY & SON

A PROMINENT BUSINESS MAN PASSES AWAY

August Gorder, Born and Reared
in Plattsmouth, Died at Late
Hour Last Night.

Another of our old residents and prominent business men of the city has been called to answer the final summons to his reward in the person of August Gorder, who passed away last night about 11 o'clock at his home in the south part of the city, after an illness of some eight weeks from diabetes, which later resulted in anemia, and despite all that medical skill and loving hands could do he gradually grew worse until death came to his relief. During the last weeks of his sickness he was cheered by the belief that he was improving, and until the end believed he would recover, and his death was peaceful and calm.

Mr. Gorder was the son of Frederick Gorder, one of the prominent pioneers of this locality, and was born at the old homestead, some five miles west of this city, forty-three years ago the 11th of June. While yet an infant his parents removed to this city, where August was reared to manhood and became associated with his father in business, and on the death of the father in 1891 he took complete charge of the large implement and harness business here, which his father had established, and conducted it most successfully since that time. About three years ago the first symptoms of his malady appeared and since that time his health has gradually been growing worse until he was compelled to take to his bed about eight weeks ago. He leaves besides his wife, four children, three daughters and one son, to mourn his loss, the oldest child being 14 and the youngest 7 years of age. He also leaves two brothers and three sisters, as follows: Fred H. Gorder, Weeping Water; John Gorder, Plattsmouth; Mrs. Chris Wohlfarth, Plattsmouth; Mrs. A. F. Ploetz, Scotland, S. D., and Miss Louise Gorder, Plattsmouth.

The funeral services will be held from the late home Saturday afternoon at 2:30, and interment made in Oak Hill cemetery.

Will Give Lawn Fete.

The Plattsmouth Players' club held a short business meeting last evening at the home of Mr. and Mrs. H. S. Austin on Vine street to discuss the plans for the coming year. The club will give a lawn fete at the spacious lawn of the Austin home on Wednesday evening, July 2, at which a most entertaining program will be given.

DEATH OF FORMER PASTOR OF THE FIRST PRESBYTERIAN CHURCH

Word has just been received in this city of the death of Rev. William T. Bartle at Claremont, California, on June 19, at the advanced age of 91 years and 4 months. Rev. Bartle was pastor of the First Presbyterian church in this city for several years in the early seventies, and is well remembered by many of the older residents of the city as a most kindly and Christian gentleman.

Rev. Bartle was an active minister of the gospel for forty years, having graduated from Knox college in 1849, and at once took up his work of carrying the doctrines of the church throughout the west. He was at the time of his death the oldest graduate of the college living. His wife passed away in the year 1892, and seven children are left to mourn the loss of this most worthy man as follows: Mrs. John Christiansen, Quincy, Mass.; J. S. Bartle, Chicago; W. H. Bartle, St. Joseph, Mo.; Mrs. M. W. Kiddo, Creston, Iowa; Mrs. T. C. Shaw, Chicago; G. J. Bartle, Creston, Iowa, and H. H. Bartle, Claremont, California, who was the only member of the family with the father when he passed away.

The remains will be sent to Cromwell, Iowa, and laid to rest beside that of his wife. The funeral services will also be held at Cromwell.

Moves Carpenter Shop.

John Weyrich, who has for the past two years had his shop in the rear of the Weyrich & Hadraba drug store, has removed to the Boeck building on Sixth street, as the store was so crowded as to make it difficult for his work and at his new location he can handle all kinds of carpenter work. Orders may be telephoned or left at the drug store and will receive prompt attention.

PLEA FOR SANE FOURTH OF JULY

Suffering and Deprivation Can Often Be Averted by Eliminating Use of Fireworks.

W. S. Ridgell, chief deputy state fire commissioner, makes some very timely suggestions regarding Fourth of July celebrations. The necessity of caution, especially with children, is pleaded for and the possibility of results from accidents are strikingly estimated.

"Every year on the anniversary of our independence as a nation," says Mr. Ridgell, "we read in the daily papers where many people have been made dependent for life by their foolish methods of celebrating the Fourth of July. Dependent, because they have lost their eyesight, their limbs or suffered other permanent physical injuries, or because by their carelessness with fireworks they have destroyed their homes, their business houses and lost their savings accumulated by years of toil. The firecracker, the skyrocket, the roman candle, the cannon and other 'destructive toys' yearly dole out their share of pain and misery. The little toy balloon sent up as an attraction for the eye at night has many times dropped upon the roofs of buildings, into yards upon dry grass, on barns, haystacks and other places where the 10-cent or penny balloon has caused the destruction of property worth hundreds of thousands of dollars.

"So destructive are these fireworks that many of the most progressive cities throughout the country have passed laws prohibiting their use. Cleveland, O., and Washington, D. C., prohibit by law the sale or use of fireworks. I wish the state of Nebraska had such a law. As it has not I can merely appeal to the good common sense of the citizens of each city and town and ask them to assist in the work of preventing loss of life and property from the unnecessary and foolish use of fire and explosives to demonstrate our feelings of joy and gladness and gratitude because of our glorious country's independence of England or any other nation on earth. Don't mar the day with fireworks. Do not buy or use them or allow anyone to use them around your home. It is criminal to allow children to use them."

KANSAS CITY COUPLE MARRIED AT LA PLATTE

The Ceremony Performed by Rev. Dunkleberger at the Home of the Bride's Aunt.

Last evening at 6 o'clock at the home of the bride's aunt in La Platte occurred the wedding of Miss Nellie Davidson and Mr. George H. Foster of Kansas City, Missouri, in the presence of the immediate relatives of the contracting parties. The ceremony that made these two young people as one was performed by Rev. D. L. Dunkleberger of this city, pastor of the Christian church, and the beautiful and impressive ring service was used.

The bride is a most charming and talented young lady who has made her home at La Platte for the past few years with her uncle and aunt, Mr. and Mrs. Charles Hoschar, and is a young woman highly esteemed by all who know her. The groom is a son of Mr. and Mrs. Charles Foster of this city and is a young man of more than usual ability, who has been for the past year engaged in the barber business in Kansas City, where the young couple will make their future home. That they may find all the happiness in the world is the wish of their many friends.

The young couple left last evening for Kansas City, where they will start housekeeping at once. The marriage came as a great surprise to the many friends of George in this city, who had not been anticipating anything of this sort. After the ceremony the wedding party were entertained at a most sumptuous dinner at the Hoschar home.

RUN DOWN AND KILLED BY TRAIN AT LOUISVILLE

Young Man From Lincoln Found Mutilated Under Car Wheels at Louisville.

The body of John Clinton Baird arrived in Lincoln last evening and will be taken to Gipsonberg, Ohio, for interment this afternoon. The body was found between the rails of the Burlington track a mile west of Louisville, Neb., yesterday morning. The badly mutilated body was discovered by a section foreman, and the corner was at once notified. No explanation of the accident has yet been found. The Lincoln Journal says:

"Baird was a son of John Baird, 629 North Tenth street. He was 24 years old and unmarried. For several weeks he had been employed at the Louisville stone quarries, but when he was at home two weeks ago he told his parents that he had been on the road with a work train. It is thought that he may have fallen from this train Tuesday night and that he was mutilated by the wheels. Tuesday evening he cashed a check signed by his father, at Louisville. He said then that he intended going west. The parents had heard nothing of this plan and were inclined to doubt that the young man would have started on a journey without letting them know of his plans.

"When Mr. Baird was 17 years old he was badly injured in a sawmill accident, losing three fingers on the right hand. A year ago he was kicked by a mule at the barns of the transfer company where his father is employed. His

jaw was broken in two places and for a time his life was despaired of. The corner at Louisville 'phoned to the father last night, saying that the details of the accident had not been learned.

Hawaiians Next Saturday.

Ladies, are any of you wearing \$500 hats? William Kinikaki, who plays outfield for the Native Hawaiian base ball team, wears on his hat a lei made from the yellow feathers of the now extinct Oo bird, which was sacred to royalty. Kinikaki has repeatedly refused \$500 for this lei, which is a heirloom in his family that has come down from royal times. The Native Hawaiians will play the Plattsmouth Boosters at the ball park Saturday afternoon at 3 o'clock.

Buys New Overland.

Mike Hild, the enterprising furniture dealer of this city, has just become the proud possessor of a fine Overland touring car, which he purchased through the local representative, John Bauer. The car is a fine one of the latest model and equipped with all the improvements that this company has made on their machines, and will prove a fine machine for the use of Mr. Hild and family.

Ferry Running.

I have taken charge of the Missouri River Ferry, erected new pole and cable, and the same is now in perfect running condition and ready to accommodate all passengers. Will operate at all hours, either day or night.

MRS. J. E. M'DANIEL EN TERTAINS AT KENGINTON

The Kensington club was entertained in a most charming manner yesterday afternoon at the handsome home of Mrs. J. E. McDaniel and the entertainment and enjoyment of the occasion will be long remembered by the ladies who were present. The meeting was the last of the season, the club having decided to take a vacation until September, and the gathering yesterday was a most fitting final to a season of most complete enjoyment to this organization. The afternoon was spent in needlework and social conversation and the time passed far too quickly and it was with great regret that the ladies wended their way homeward, feeling deeply indebted to Mrs. McDaniel for the delightful hospitality afforded them. At an appropriate hour the hostess, assisted by her daughter, Miss Ellen Bell, served a most tempting and delicious luncheon, which served as a fitting climax for the delightful afternoon. The McDaniel home presented a very pretty appearance for the gathering, being tastefully decorated with the flowers of the early summer season.

Buys Inter-State Cars.

Philip and Jacob Tritsch motored to Omaha yesterday with Mr. Miller and John Urish in their fine Inter-State car and these two gentlemen purchased two cars of the same make. Philip and Jacob think they have the finest cars in the land and there is no hill too big to climb, and the owners drove the cars from that city to their homes and handled them like old experienced men.
