They were driving along the highway near the residence of Dr. Long, immediately east of Murray, when the automobile belonging to William Dunn, from Weeping Water, driven by Mr. Dunn's son, came along at what Mr. Brendel says was a terrific speed, striking Mr. Brendel's buggy just at the approach of the bridge across the branch. Mrs. Brendel was uninjured, but Jeff received an injury to his arm and his clothing was pretty badly torn. The buggy was somewhat damaged.

Serious Auto Accident.

Ed Gansemer met with quite a serious auto accident last Saturday evening, at which time himself and Joe West, the only occupants of the car, might have been very seriously injured, if not lost their lives. They had been up to the pleasant farm home of John Urish, where they spent the evening at a social dance, and were returning home and running at a pretty good speed, when one of the tires of the car exploded and the car was turned over, pinning Mr. Gansemer and Mr. West under it. No great damage was done to the car.

Mr. and Mrs. Shrader have exerted every effort to make the family washday task as easy as possible, and have attached both the washing machine and wringer to the gasoline engine, which was carrying both machines at the time of the accident. Mrs. Shrader was operating the wringer, and in trying to release a piece of the wash from the cog wheels of the wringer she caught her left hand in them, very severely crushing the hand, tearing the flesh from the bones. Dr. B. F. Brendel, Mr. Shrader and Alf Nickels autoed to the county seat with the injured lady, where Dr. Livingston assisted in dressing the wound, which required over thirty stitches to replace. Mrs. Shrader returned home from Plattsmouth Wednesday morning, and while she is getting along as well as could be expected, she has suffered a great deal from the injuries.

While Alf is young in business, he has sure displayed excellent judgment of the valuation of cattle and has been very fortunate at marketing time, always securing almost the top price.
