STARK TREE SALESMEN

Stark Bro's have not nearly as many men making \$25 weekly as they want—hence they are asking for more men. The "high places" in this splendid fruit section have hardly been touched—to say nothing of the territory as a whole.

Any Energetic, Reliable Man Can Make \$25 Per Week Selling STARK TREES

There is a real demand for this stock. You can sell it! There is seldom such an opportunity for immediate sales and pay.

As an order getter, our new Fall Price List is 100 per cent stronger than any other ever offered. Expense stock. New literature. Prompt reply necessary.

STARK BRO'S NURSERIES & ORCHARDS CO.

Barefoot Sandals

Mrs. E. A. Kirkpatrick of Nehawka came up this morning on the belated Missouri Pacific train to attend the meeting of the Equal Suffrage league this afternoon.

Here are the ideal summer Shoes for the children who work so hard at their play.

Rev. E. A. Shell of Hastings, pastor of the First Christian church of that city, came in last evening to join his family and enjoy a visit at the home of his father-in-law, W. R. Bryan and family.

Just enough leather to protect the toes and soles of the foot—the shoe of shoes for the children's vacation wear.

Among the many who came over from Plattsmouth to enjoy the Fourth in Glenwood were Isaac Wiles and wife, Major Hall and wife and two children, Isaac and Elizabeth Hall.—Glenwood Opinion.

Barefoot Sandals grow more popular every summer. They're so comfortable and they're shoe savers, besides.

SOME EXCELLENT WORK IN ROADS SOUTH OF TOWN

Those who desire to see what dragging the roads will do to improve them should take a trip over the road south and west of the city leading to Mynard and it will convince the most skeptical of the usefulness of dragging the roads at the proper time. The road is an ideal one and it is a pleasure to travel over it, something that cannot be said of all the roads in this locality. The condition of the road speaks well for the efforts of the road overseer of that district, Mr. C. F. Vallery, and those residing along this road should feel very proud of it.

Made of soft spliable leather, Goodyear welt sewed soles—sizes 3 to 5 85c; 5½ to 8, \$1.10; 8½ to 11, \$1.25; 11½ to 2 \$1.50.

We close at 7 p. m., except Saturday nights, Pay-Day Night and night following.

C. E. WESCOTT'S SONS ANNUAL HARVEST SALE

Every since Monday morning the store of C. E. Wescott's Sons has been the scene of much activity, as this firm is preparing for their second big annual Harvest Sale, and the large stock of summer goods that is to be offered at this sale at very low figures is being arranged in the front of the store, where they may be viewed by the shoppers. The summer goods are being offered at a discount that will open the eyes of the buying public, and while low prices are offered on every article in the store, an especial effort is being made on the summer stock. Do You Sleep Well?

A very common cause of sleeplessness is bad hygiene. Persons suffering from poor digestion, from chronic constipation, from mental or physical overwork usually have a disturbed sleep. It is not advisable to use, in such a condition, narcotic drugs, the best way being to go to the root of the evil by regulating our habits, by improving our digestion, by strengthening our body. We wish to recommend Triner's American Elixir of Bitter Wine, which will thoroughly clean out the intestines and thus give quick relief. It is a quite dependable "first aid" in sudden indisposition, loss of appetite, constipation, headache and pains in the stomach or in the bowels. At drug stores. Joseph Triner, 1333-1339 So. Ashland Ave., Chicago, Ill. In accidents where a good remedy for rubbing the body is needed, you should use Triner's Liniment.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for circulars, free.
