## A GOOD BALL GAME SUNDAY AFTERNOON

While the Boosters Were Defeated by a Score of 3 to 1, it Was a Good Game.

In a very close game of base ball yesterday afternoon the Boosters met defeat at the hands of the Armours of South Omaha by a score of 3 to 1, but the game was one of the best seen here this season, and although defeated, the Boosters made a good showing against the visitors, who are among the fastest ball players in the metropolis. The pitching of Gurness for the visitors was one of the features of the game, as he had the contest under perfect control and was able to mow down fifteen of our boys, who fanned the air in trying to land on his curves. Connor, who was on the mound for the Boosters, was in good form and pitched his usual good, heady game, but several errors on the part of his teammates caused the visitors to be able to win.

The Armours started their scoring in the first inning, when Collins was safe on an error and was followed by Langhein, who bunted and got away with it, and two scores were registered on Cocoran's single to left field. In the ninth the visitors again annexed another run, when Hiatt was walked and J. Jellen was safe at first on an error, and the single of F. Jellen to center field brought Hiatt over the plate with the score.

The Boosters secured their only score in the sixth, when Carle was safe on an error and was advanced by Arries single to right field, and on Mann's single came home with the score which represented the total made by the locals, although they several times succeeded in getting men on bases, but were unable to get them over the home plate.

There was quite a good attendance of the fans at the game and everyone seemed very well pleased with the contest. The line-up of the teams was as follows:

Armours.	Boosters.
F. Jellen... Catcher	Carle
Gurness... Pitcher	Connor
A. Graves... First	Ault
Langhein... Second	Salsburg
Cocoran... Third	Mann
Hiatt... Shortstop	Smith
R. Graves... Center	Beal
Collins... Left	Mason
J. Jellen... Right	Arries

### SEVERAL PARTIES CALLED BEFORE JUDGE ARCHER TO ANSWER CHARGES

The police court of Judge Archer was quite busy this morning when the wheels of justice began to grind out on the different cases brought before the court. Jack Majors and Charles Sheldon were brought into court to answer to the charge of fighting, having gotten into an altercation Saturday evening about 7 o'clock at the corner of Main and Fifth streets, as Majors was laboring under the opinion that Sheldon was not conducting himself as he should, and invited him out to settle the question. The parties were taken in by the police, and after hearing the evidence the judge assessed a fine of \$5 and costs on them, which they paid and departed.

Ernest Anderson and John Peterson were found by the police Saturday night wandering around in the vicinity of the park, apparently in a badly intoxicated condition, and gave a cash bond for their appearance this morning, when they appeared in court and were assessed a fine of \$5 and costs, which they paid and went on their way rejoicing.

### IN HONOR OF HER TWELFTH BIRTHDAY ANNIVERSARY

A very pleasant birthday party was given Saturday afternoon from 2 until 5 o'clock by Mrs. F. B. Egenberger in honor of the twelfth birthday anniversary of Miss Mary Egenberger. The little folks enjoyed themselves as only young people can, in playing games, and at an appropriate hour a most delicious and tempting two-course luncheon was served by the hostess, assisted by Miss Anna Egenberger, and at the close of the afternoon the guests departed for their homes, wishing Miss Mary many more happy birthdays. The guests present were: Misses Ava Hartford, Muriel Streight, Elizabeth Beeson, Eleanor Burnie, Grace Beeson, Nora Livingston, Mary Rosencrans, LaVern Lehnhoff of Omaha, Marion Mauzy, Helen Egenberger, Janette Weber, Ruth Clark, Blanche Clark, Ida Marie Egenberger and Mary Katherine Egenberger.

If you need anything for harvest call on Ed Donat. He will treat you right.

## CONTEMPLATED IMPROVEMENTS OF LIGHTING PLANT

Work to Be Completed as Soon as Possible, When We Will Enjoy Better Light.

In order that the work of improvement which is contemplated by the Nebraska Lighting company can be handled with more dispatch, Arthur Huntington of Chicago, the engineer in charge of the matter of improving the service, has made his headquarters in this city for the next few months and will direct the work of remodeling the entire system from this city. The work of running the service into this city from Red Oak, to carry on the service to the patrons while the plant here is being placed on a modern basis, will be hurried and gotten here in time for fall.

When the light company is able to get the plant here in its improved shape they will be able to supply service to many of the nearby towns and put the service here in splendid shape and be able to handle the plant without as many mishaps as in the past. The efforts of the company to supply good service to the people should be appreciated by the users of the electric current, and while the company has been badly handicapped in the past by the condition of the plant, with the improvements to be made it will make the Plattsmouth plant one of the best in the smaller cities of the state.

## ATTENDING NATIONAL PHOTOGRAPHER'S CONVENTION AT KANSAS CITY

Miss Carrie Greenwald, of the Greenwald photograph studio, has departed for Kansas City, where she will attend the convention of the national photographers, which is to meet in that city during the coming week. The studio here will be closed until August 1st. Miss Greenwald is a firm believer in modern methods in photography and has given her customers in this city the benefit of her excellent training in the splendid work turned out at her studio, and in every case those having work done there have been more than satisfied.

## LAW GOVERNING LABOR OF WOMEN IN NEBRASKA

The new Nebraska law, regulating the hours of labor for women, reads as follows:

"Section 6940. No female shall be employed in any manufacturing, mechanical or mercantile establishment, laundry, hotel or restaurant, office or by any public service corporation in this state more than nine hours during any one day or more than fifty-four hours in one week. The hours of each day may be so arranged as to permit the employment of such female at any time from 6 o'clock a. m. to 10 o'clock p. m., but in no case shall such employment exceed nine hours in any one day. Provided, however, that such female shall not be employed between the hours of 10 p. m. and 6 a. m.

"Provided, further, that public service corporations may employ females between the hours of 10 p. m. and 6 a. m., but in no event shall such employment be for more than eight consecutive hours."

This law went into effect Tuesday, July 15th.

## A KICK ON LOCATION OF BAND CONCERTS

The Contributors to Enterprise May Have Right to Kick, But No Other Parties Have.

The Journal has just been handed a communication in regard to the place of holding the band concerts, and while it is published merely as the expression of one of the citizens, it is timely to state the facts in regard to the selecting of the High school grounds as a place for the concerts. The matter was under discussion at the Commercial club meeting, when a committee was selected to solicit funds for the concerts, and it was left to a vote of the persons there as to where the band concerts should be located and the vote was almost overwhelming for the high school grounds, there only being some five or six against it. In view of this fact the committee went ahead and arranged the concerts, which would not seem to indicate that it was a matter that had been decided by one or two persons. The letter appears as follows: To Editor and People of Plattsmouth:

What is the matter with our pretty little park, with its bandstand for music and comfortable seats for the people, where, if any breeze comes to the town, you get it, and band concert night is a treat to everyone?

Just to please two men the band has been stuck in mosquito hollow, where the music sounds the poorest and no one is comfortable on the hard ground, fighting insects, shut away from any hope of breeze under the thick trees. The Journal said there were about 1,000 people at the concert last Thursday night; there were at least 10,000 mosquitoes and the human audience suffered and most of them left before the music was over, and anyone who saw our band boys trying to play and save their lives at the same time from the buzzing foes felt so much pity they couldn't hear music.

Let us have our park; all it needs is a drinking fountain to make it the equal of any small park in a town double our size. Pro Bono Publico.

## PICNICING ON THE BANKS OF RAGING MISSOURI SUNDAY

A merry picnic party of young ladies yesterday morning journeyed to the banks of the old Missouri and spent the day most enjoyably in the delightful shade of the trees and partaking of the good things they had brought with them, and it was only when the falling shadows indicated the approach of night that the party wended their way homeward, feeling that the day had been one of much pleasure to all. The picnic was arranged in honor of Miss Gezela Lauvetz of Wahoo, who is here visiting friends for a few weeks, and it was one that gave the entire party the greatest of pleasure. Those taking part in the picnic were: Misses Anna Wurga, Alma Holly, Bessie Holly, Marie Nesladek, Marie Hiber, Anna Kopia and the guest of honor, Miss Lauvetz, of Wahoo.

## COOL WEATHER VERY BENEFICIAL TO THE CORN CROP

F. J. Hennings and daughter, Miss Helen, were in the city today looking after some trading and visiting with friends. Mr. Hennings states that the cool weather of the past few days has been very beneficial to the corn crop, which suffered greatly last week during the extreme hot weather and from the hot winds, and that quite a lot of the larger stalks in the fields were badly dried, but the cooler weather has given most of the corn an opportunity to recover somewhat from the effects of the hot winds.

After the Apples.

J. W. Fargo of Deadwood, S. D., has arrived in Plattsmouth and is now ready to figure with our farmers for their apple crop, both summer and winter varieties. He will be assisted by the Rundle Brothers, who were here last year; also P. E. Ruffner of this city. We are informed that he has already bought several orchards on the tree.

## AL WALLINGER INJURED IN A RUNAWAY NEAR ELMWOOD

Al Wallinger is suffering with three broken ribs as the result of a runaway accident Wednesday evening. He was driving home with his lumber wagon when his team became frightened at an automobile in the rear, starting off at a lively clip for the barnyard close by. Mr. Wallinger was nearing the driveway entrance, but too fast to turn in without upsetting, so he thought he would direct his steeds straight ahead. The animals turned in spite of the strenuous pull on the opposite line, throwing Mr. Wallinger out as they bumped into a corner post. Aside from having three ribs broken Mr. Wallinger must have been quite severely shaken up. Medical aid was immediately summoned, and the attending physician looks for no serious developments. We sincerely hope that Al will soon recover from the shock and injuries received. His team and wagon escaped serious damage. We did not learn the names of the auto party.—Elmwood Leader-Echo.

## DANCES SATURDAY NIGHT WERE WELL ATTENDED AND A GOOD TIME ENJOYED

The dance given Saturday evening at Coates' hall by the Cosmopolitan club was one very much enjoyed and was attended by a large crowd, who spent the hours in tripping the light fantastic to the music furnished by the Holly orchestra. Quite a number from Omaha and Lincoln were present. At the platform dance given at the Tulene grove, west of the city, there was a large attendance from all parts of the county, and a most enjoyable time was had. The music for the occasion was excellent, being furnished by the Plattsmouth orchestra under the direction of Tom Swoboda.

Here From Bethany.

Henry W. Mayer, wife and daughter, Miss Josephine, of Bethany, Neb., arrived in the city last Saturday via the auto route, for a brief visit with relatives and friends. Mr. Mayer was compelled to return home yesterday, owing to so much farm work. Mrs. Mayer and daughter will remain for a few days with relatives at the Gapeu, Snyder and Eikenberry homes. Mr. Myers paid this office a brief visit Saturday afternoon.

## OUR Clearance Sale NOW ON

To clean up, we will continue our Wash Goods Sale another week. Also we offer a nice line of Oyster Linens at, per yard, 39c.

## ZUCKWEILER & LUTZ

PLEASANT GATHERING AT ALBERT SCHULDICE HOME YESTERDAY

The Albert Schuldice home was the scene of a very pleasant gathering yesterday, when a large number of relatives and friends were entertained there for the day. Part of the party motored down from Omaha to spend the day, returning home last evening. Those who were guests at the pleasant event were: Frank Marshall, wife and daughter; William Fritchmann, wife and son, Robert; Miss Caroline Schuldice and Mr. Mike Golden, all of Omaha. Mrs. Harrison and Mrs. Fritchmann remained here for a more extended visit.

Will Make Home Here.

W. H. Bunch, who, with his family, has moved to this city to make their home, and who has purchased the Kearn property north of the standpipe, has accepted a position at Jesse Perry's barber shop and will be there every Saturday to assist in taking the whiskers off those who may so desire. Mr. Bunch is an expert in this line and will make a valuable addition to Mr. Perry's shop.

SCHOOL DAYS are drawing near, and the children's wardrobe will need a new supply. Our Mid-Summer Sales will make a large saving and at the same time give you what you wish. Below are a few items—
