by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitution-al remedies. Deafness is caused by an inflamed condition of the nuccous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this fube restored to its normal condition, hear-ing will be destroyed forever; uhe cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the nuccous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circu-lars, free. F. J. CHENEY & CO., Toledo, O.
