TO BECOME CITIZENS OF THE UNITED STATES

Those Who Desire to Do So Should Make Application to Become Citizens at Once.

The naturalization department of the office of the clerk of the district court has in the past week received one application for first papers from Joseph Diel, living near this city, who came to this country from Germany on October 23, 1904, and has resided here since that time.

Herman Weiss also made application for his second citizenship papers, having arrived in this country on May 1, 1906, and having made his declaration desires to become a full-fledged citizen of the United States and to forewear all allegiance to the emperor of Germany.

The parties who made their declaration of intention to become citizens before the act of 1906 became effective in regard to this matter should take heed of the notice that has been sent out by the department of labor at Washington that after September 27, 1913, all first papers made before the act of 1906 was passed will become outlawed and it will be necessary for the parties who wait until after September 27 to make out new declarations before they will even be allowed to vote in this country. There are quite a number of these first papers outstanding and the parties having them would do well to see that they have their citizenship papers made out before the time limit is up, as otherwise it will take them several years before they can secure new papers, and the seven-year limit as prescribed by the act of 1906 will then become effective. Let those who have naturalization papers make an examination of them and see that they are not outlawed by the time limit set for the application for second papers.

Quinton, while at Norton, had the pleasure of meeting Perry Thackston, who formerly conducted the Hotel Riley barber shop, and he is now engaged in conducting the "Way-side Inn" in that city and is very successful in his new venture and getting along nicely. That Perry will make an excellent man for a hotel cannot be doubted by those who know him, as he is of a very genial disposition and makes friends wherever he goes, and in securing him as a resident the citizens of Norton can feel very fortunate. Perry also ordered the Daily Journal sent to his address in order to keep in touch with the events here, particularly with the fishing season.

ALFRED V. HUNTER AND MISS FLOY BRIMSON MARRIED IN LINCOLN

The following is taken from the State Journal of this morning and gives the account of the marriage of Alfred V. Hunter, a son of I. N. Hunter of Weeping Water, and a brother of Earl L. Hunter of the Weeping Water Republican. The groom is a Cass county boy and his many friends throughout the county will be pleased to learn of this very happy event.

Miss Floy Bimson of University Place and Alfred V. Hunter of Weeping Water were married at University Place last night, the ceremony being performed at the home of the bride's parents, Mr. and Mrs. J. Bimson, 106 West Twenty-first street, with the Rev. J. Grant Shick, uncle of the bride, officiating.

The ceremony, which occurred shortly after 8 o'clock, following a brief program of music, was made especially impressive by the use of the double ring service. Mrs. LeRoy Lemfest of Jacksonville, Fla., played Mendelssohn's wedding march and while congratulations were being given, Wagner's march was rendered. Miss Bess DeFoe of Tecumseh, a college friend, was bridesmaid and Earl L. Hunter of Weeping Water, brother of the groom, was best man. Miss Helen Howard was flower girl. The bride wore a dress of white voile trimmed in hand-made Irish lace and carried bride's roses. Her going away gown was of dark blue foulard. Light refreshments were served. Only the near relatives were guests. The couple left on a midnight train for Boston, going by way of Albany, Buffalo, with a stop at Niagara Falls.

Mr. and Mrs. Hunter will make their home in Boston, where the groom is attending the Boston school of theology and is serving as assistant pastor of the Phillips Congregational church of South Boston.
