Local News
From Wednesday's Daily.
The boy scout movement, which has been attempted in this city several times in the past two years is to be revived and from the interest shown in the matter it is quite likely that it may prove a success. In response to the invitation of the committee in charge of the matter Mr. McCafferty of Omaha, who has had charge of a number of troops of scouts in the metropolis in the past few years, came down yesterday afternoon and attended a meeting of the committee, which was held at the office of Dr. C. A. Marshall in the Coates' block and the matter discussed thoroughly by Mr. McCafferty, and his remarks were received most favorably by the committeemen, and as this gentleman will probably take up the matter of handling the organization and will make it a splendid success. The movement to organize the Boy Scouts was attempted here twice and the last time, under the direction of Rev. Allan G. Wilson, it was fairly well launched when sickness compelled the abandonment of the work by the leader, and it is hoped by the committee to carry on the organization as perfected by this gentleman and afford the young boys of the city a recreation that is moral, clean and uplifting and prove a benefit to them in every way. There are a large number of the leading men of the city interested in the movement, and if the proper arrangements can be made it will be started out stronger than ever.

Local News
From Wednesday's Daily.
The German Presbyterian church on High School Hill, which has been used for the past few years by the Church of Christ Scientist, has been sold to Judge J. E. Douglass of this city and he will at once commence the work of remodeling the building and make it into a residence for himself and family. The building is situated in a very choice location, and when remodeled will make the judge a splendid home. The Christian Scientists will secure the church building at the corner of Granite and Sixth streets and fix the building up for their use in the future.
From Near Nehawka.
N. C. DelesDernier, from near Union and Robert Willis from near Nehawka, were county seat visitors today, driving up in Mr. Willis' car. The Journal is pleased to acknowledge a pleasant call from them both. Mr. DelesDernier renewed for his paper and Mr. Willis enrolled his name for a year. They are both excellent farmers from South Cass.
John Gauer of Cedar Creek was in the city today looking after some matters of business.

THE OLD LADY DESERTED BY HER DAUGHTER AND HUSBAND

It seems from what can be learned of the facts in the case of Mrs. Beatrice Hartwell, who was ordered sent to the asylum a few days ago, that she was deserted and abandoned by her son-in-law and daughter near Weeping Water. The lady came there with her relatives some time ago and they were employed on a farm near that city and the daughter and her husband left there suddenly, leaving the old lady in the house, where she was found and the county insanity board notified. After the hearing before the board in this city it was learned that the parties were still in the vicinity of Weeping Water, and as it was impossible to get any intelligent answers from Mrs. Hartwell, the sheriff was sent out to try and secure the daughter in order that more facts in the case could be learned. If it is true that the old lady was wilfully deserted it seems very inhuman on the part of her relatives, as she is in such a state that it is impossible for her to take care of herself.

TO FORM A CASS COUNTY AUTOMOBILE OWNERS' ASSOCIATION

A meeting will be held Saturday afternoon at 2 o'clock at the Commercial club rooms in the Coates' block for the purpose of forming a Cass County Automobile Owners' association, and all interested in the matter should make it a point to be on hand. The meeting was to have been held some time ago, but the weather did not permit, and so the call is made for Saturday. The organization of the automobile owners will prove of great benefit to everyone joining and there is no reason why every owner of a machine in the county should not be on hand to assist in the formation of the organization. At the meeting it is expected to elect the officers for the association, as well as to hear a number of addresses on matters of interest to those owning machines. Throughout the state similar organizations have been formed and have proven of great benefit in the securing of good roads, as well as an understanding as to the proper use of the streets and highways for automobiles, and has been helpful to the general public, as well as the members of the association.

Burgess Estate Settled.
In the county court today final settlement was had in the estate of the late Canon H. B. Burgess and the estate closed up. Mrs. H. B. Burgess, the widow, and the son, Dr. Frank Burgess, of Cedar Rapids, Neb., were present at the hearing.

KEEPING PACE ON DECORATING FRONTS OF BUSINESS HOUSE

In keeping with the general spirit of improvement that is being followed throughout the city, the front room of the Plattsmouth State bank building, at the corner of Main and Sixth streets, has just been redecorated very handsomely, which has added greatly to the appearance of the building. The work was done by Frank Gobelman and his assistants and presents a very artistic appearance, being finished in two shades of green, light and dark, which combination is very pleasing to the eye.

The front of the store of Krohler Brothers has also received a new dress, which has added greatly to the looks of the store and makes a decided improvement in the block.

Mr. Gobelman has also just finished repainting the Gem theater building and it is now one of the neatest appearing little picture show houses in this part of the state, the colors being chosen with an artistic eye and the combination of colors and tints entering into the decoration of this front is one that makes it very nice appearing and a source of much pride to the owner of the theater, as well as the decorator who did the artistic work.

These little improvements do not cost a great deal and add immensely to the appearance of the buildings, as well as the city in general, and the enterprise of the owners of the buildings, who have made these improvements, is very commendable and shows the right spirit.

Native Alfalfa Seed.

See us before buying your Alfalfa seed, or write for mail samples and prices. There is hardly any Native Alfalfa seed in the market, this season to buy. A dealer ordering for you now, the chances are would get imported seed, which usually contains obnoxious weeds. Don't be misled, imported seed looks plump and yellow and tests over 99 per cent pure. A fine sample we just tested was 99.8 per cent pure. There were 220,000 seeds in a pound, making 4400 weeds seeds in each pound or 88,000 weeds to the acre seeding 20 pounds. These seeds were dodder, buckhorn, centauria, wild chicory, Rocoquette and Polygomum. We can sell this at \$8.25 bushel.

We advise paying 25 to 50c per acre, and get our pure home grown acclimated seed. Our seed has never failed to make a good stand outside of weather conditions and has been tried in spring stands.

We laid in a large supply in the fall, of re-cleaned Nebraska seed, not irrigated, from districts free from obnoxious weeds, that tests nearly 100 per cent, and can save you money. Book on Alfalfa Culture and How To Get A Good Stand, mailed free on request. Call and see us when you come to our Chautauqua.
