WHY NOT ERECT THE CITY FIRE BELL IN A CONVENIENT PLACE?

We have often heard the inquiry made, "Why does not the city have the fire bell placed where it can be used in case of fire?" The citizens here for many years have been used to hearing the bell ring out the warning when the fire alarm was turned in, and its clanging cry has brought out more than anything else the citizens to assist in the extinguishing of the flames. The idea of having the whistle at the shops blow in case of fire is a good one and should be kept up, but with the bell it was much easier to tell where the fire was located and the numbers for the wards could be heard more distinctly than the whistle, as is often the case with the whistle the sounds do not reach clearly and the firemen are sometimes at a loss to discover the location of a fire, but with the fire bell in use it is possible to give the ward numbers several times so that the citizens can clearly understand in what ward the fire is located. The matter of having the bell placed on the top of the city hall was discussed some time ago and many thought very favorably of the proposition if it would not involve too great an expenditure to the city. The council should take the matter up and see what can be done about it, and if possible try and arrange to have the bell placed in position for use in case of fire.

Has Hand Badly Mashed.

From Wednesday's Daily. Desterday Joe Lukevee, who is employed on the car repair department of the Burlington shops, had his hand quite badly mashed while at work and was compelled to seek the services of a physician to have the injury dressed, and he will enjoy a short lay-off from his duties.

LET THE FESTIVAL QUESTION BE SETTLED RIGHT AT ONCE

There has as yet been nothing done in regard to holding a fall festival in this city this year, as has been suggested several times in the past few months, and the time for definite action is getting short. If the Commercial club does not care to take up the proposition and put on some kind of an entertainment, then some of the fraternal orders should be given the privilege if they so desire of providing a celebration. It seems that the best, and what could be secured the easiest, would be a first-class carnival company, and an opportunity has been offered several times to secure the Parker people here, but the matter in regard to the attitude of the city was in such shape that any organization hesitated to take the matter up, but if an agreement could be reached permitting a carnival company to show in proper shape here the question of amusements for a festival could be solved. In selecting a company, however, one should be picked that would have a number of good first-class free acts for the public, as this is a feature that adds greatly to the drawing power of a celebration of this kind. Let the matter be settled at once either for or against a festival.

THE VARIETY STORE A VERY BUSY PLACE THE PAST WEEK

The Variety store of B. Golding has been a very busy place the past few days, as the proprietor is preparing for the installing of an up-to-date millinery department in the store, where the latest styles of ladies' hats can be procured, and in order to make way for the new department there has been several changes made in the arrangement of the interior of the store to accommodate the large stock of goods carried. The new department will be placed under the management of Miss Golda Dunkleberger and will be run with a view of giving the ladies the latest creations in the line of hats. The store throughout has been fixed over to take care of the stocks of fall and winter goods that will arrive shortly, and a person will be surprised at the appearance of the store, as it is completely filled with articles in every line that a person could possibly ask.

MORE APPLICATIONS FOR FINAL NATURALIZATION PAPERS

Two more foreign-born residents have filed their applications in the office of District Clerk James Robertson asking for the final naturalization papers in order that they may become full-fledged citizens of this great republic. One of the applicants was John Johnson, a resident of Nehawka, who came to this country in 1898 from Sweden, and he has sworn off all allegiance to the monarch of that country and will in the future be numbered among our citizens. Carl Zavrren, former of the Burlington bridge gang, is another who has grown tired of the rule of kings and came to this country in 1903, and has now become an American citizen in the fullest sense of the word.

TURNING EXHIBIT AT K. S. HALL NEXT SUNDAY

There will be a turning exhibition given in this city on Sunday afternoon at the K. S. hall on West Locust street. The exhibition will be for the benefit of the active class, who will go to South Omaha to attend the national tournament. There will be a class here from South Omaha to attend and take part in the exhibition. Dancing after the exhibition and excellent music will be furnished. Admission: Gents, 25c; ladies, 15c; children, 10c.

What Should We Eat?

The simplest reply to this question is: "The right kind of food and only as much as we need." This would keep us in perfect health for a long time. The right kind of food is that which agrees with you, which causes you no inconvenience, no heaviness, no laziness. You must not over-eat. Should you still notice that your stomach is not right or should you feel some discomfort in the bowels, use at once Triner's American Elixir of Bitter Wine. It will clean out your digestive organs and expel the cause of the irritation. It will stimulate these organs to work and will prevent constipation and other difficulties of digestion. It is very good in diseases of the stomach and the bowels, as also in nervousness and poverty of blood. At drug stores. Jos. Triner, 4333-1339 So. Ashland Ave., Chicago, Ill. Triner's Liment is very strong and often brings perfect relief with one application.

MISS EMMA BAUER ENTERTAINS IN HONOR OF MISS SPIES, BRIDE-ELECT

Yesterday afternoon Miss Emma Bauer entertained in a very charming manner at her home on Vine street in honor of Miss Helen Spies, whose wedding to Mr. W. W. Moore occurs Saturday morning. The affair was in the nature of a miscellaneous shower and was attended by the members of the bridal party. The afternoon was spent most pleasantly in the playing of various games, which proved very amusing and pleasing to the company, and at the conclusion of which the bride-to-be was escorted to the dining room, where a large market basket, decorated with ribbons, was discovered, and which contained many handsome and useful gifts from the guests, and in addition to the gifts the bride received the best wishes of the party on her approaching nuptials. A most delicious and tempting luncheon was served to the company at 6 o'clock by Mrs. John Bauer, assisted by Miss Beulah Sans of Murray, which proved one of the most enjoyable features of the afternoon and served as a fitting climax for a most delightful event.

FORMER PIONEER CITIZEN IS VISITING HERE FROM CALIFORNIA

Last evening D. F. Young of Glendale, California, a former resident of this city some twenty-three years ago, came in to look over the old town and visit with his former friends. Mr. Young was associated here in the electric street railway with the late O. H. Ballou in the early '90's, and on his trip this time he noted many changes in the city. Mr. Young, when he was a resident here, lived in what was known as Mercerville, and was greatly surprised at the changes made in that locality, as most of the lots there had been turned back into farming tracts. He has been at Decatur, Neb., visiting his mother and goes from here to St. Joseph and thence south through Texas, Oklahoma and New Mexico before returning home.

LAWN SOCIAL AT F. G. FRICKE'S WAS A SPLENDID SUCCESS

The ice cream social given last evening by the Ladies' Auxiliary of St. Luke's church on the lawn at the F. G. Fricke home, was a splendid success in every respect and those attending report a most delightful time. The lawn was decorated in a tasty manner with Japanese lanterns and made a very pretty setting for the occasion. The ice cream, which was donated for the use of the ladies by Mr. Schiappacasse, was most delicious, and the cakes furnished by the ladies was most tempting, and everyone attending felt that the event was one of the most delightful they had ever experienced.

Mr. H. Tritsch, Refracting Optician, will be at the Gering & Co. Drug Store every Wednesday and Saturday evening for the purpose of examining eyes. A full stock of eye glasses and spectacles in stock. Examination free.

THE PLATTSMOUTH SCHOOL BOARD IN REGULAR SESSION

They Set Monday, September 8, as the Date of Opening the City Schools.

The Plattsmouth board of education held its regular meeting Monday evening at the Plattsmouth State bank and looked after a large amount of routine business and discussed plans for a number of necessary repairs on the various buildings. The board has set Monday, September 8, as the day for the opening of the schools of the city, which will be cheerful news for the scholars.

The school board also decided on a levy of 30 mills, the same as last year, to defray the expenses of the school for the ensuing year, and although the board desired to make a number of improvements in the schools, it was decided to let the levy remain as before. The Plattsmouth schools are ranked among the best in the state, but there are a number of features needed to place them on a more modern footing and to keep up with the other cities with their high schools, and among these is the installing of departments of domestic science and manual training. Both of these departments are becoming more and more needed in the public schools throughout the country, as they add to the value of the education learned from books, that of practical experience, and fits the young man or woman to cope with the battle of life by having a practical knowledge of a trade or the science of running the home, which will prove of untold value to them.

It is a very laudable ambition on the part of the school board to make these departments a feature of our High school in the future, and in their efforts to raise the standard of the schools they should have the support of every taxpayer and citizen, as there is nothing in a community more valuable than that of a good, modern public school system, and its value is becoming more evident each year.

Another feature that the schools in this city lack is that of a department of music, and this could be installed without a great deal of expense, as it would only be necessary to secure an instructor, as the school is provided with a piano. With the installing of the normal training and domestic science the expense would be much greater, as it will require considerable equipment for them, but let us speed the day that places them in our public schools.

VERY PLEASANT PICNIC SUPPER AT THE HOME OF MRS. ADAH MOORE

A very pleasant picnic supper party was given at the home of Mrs. Adah Moore last evening to a number of relatives and friends in honor of the approaching wedding of her son, W. W. Moore, to Miss Helen Spies. The jolly crowd sat down to a repast that was ample to satisfy the most epicurean and a most delightful time was enjoyed for several hours before the gathering broke up and the guests departed for their homes, wishing the young people much joy in their wedded life. Those composing the party were: J. M. Leyda, wife and family, Herman Spies, wife and family, Mr. and Mrs. August Clouid and Mrs. Moore and family.

Fletcher's Genuine Castoria only 19c. Gering & Co. Phone 36.

Plans Free!

Most Liberal Building Offer Ever Made. We Positively Will Furnish our Customers Free of Charge Plans for the Beautiful House Shown Below

\$880.00

Buy All the Materials to Build this 8 Room House

Price includes all lumber, mill work, bath, shingles, siding, flooring, ceiling, finishing lumber, building paper, pipe, gutter, sash weights and hardware. Price is at mill or factory. Ask us for freight-paid price.

Our Free Plan Offer

Without any obligation on your part we will gladly furnish you the plans for the above house design and assist you in the selection of the materials. We want to encourage home building and offer the best facilities and proposition ever made.

Save Money, Time and Worry

Our price of \$895.00 for the above House Design No. 1150 is at the mill and we will gladly quote a delivered price which will make you a big saver.

Binding Guarantee

All the materials furnished are absolutely brand new, clean and fresh stock. The quality and grade of each item is exactly as specified. The quantity is always sufficient to complete the design according to the plan. In addition, we will take back any material not used, in good condition, and credit you at full purchase price.

Consult Us Before Building--It Will Pay You

Before building a home you should call at our office and let us figure on the materials, and offer you some suggestions from our extended experience. We can save you money and help you to build the most attractive and comfortable home possible for the money you have to spend.

...CEDAR CREEK LUMBER COMPANY...

AN INTERESTING RELIC

ON DISPLAY AT J. C. YORK'S BARBER SHOP

There is quite an interesting relic on exhibition at the barber shop of J. C. York in the Red Men building in the shape of a large bowie knife, which has been secured as a keepsake. The knife is a large and vicious weapon and was evidently used here in an early day and is quite elaborate in design. The hilt is made in the form of an eagle's head and on the blade appears the initials "E. A." together with crown, which gives the impression that it at one time belonged to some newcomer from a foreign country. The knife, together with the scabbard, was unearthed on the place of Mr. Kalasek in the northwest part of the city some thirty-three years ago, and Mr. York feels quite proud of his new possession.

TEMPORARY QUARTERS ERECTED AT THE POOR FARM FOR THE INMATES

From Tuesday's Daily. This afternoon Superintendent Tams of the county farm removed the last of the inmates who have been staying in the city since the fire that destroyed the building on the farm. The superintendent and the county commissioners have fixed up temporary quarters at the farm for the old people and they will be taken there, where it is more quiet and where they can receive more attention and care. The commissioners are still undecided as to just what steps to take in regard to the matter of rebuilding the structure, as the money available on the insurance is not sufficient to put up a structure as good as the old one and it will be necessary to make the new one more modern and up-to-date, which will require quite a sum of money. If the matter could be adjusted without the need of an election it would save the citizens some \$800, which would go a long way toward helping to get the structure put up in proper shape.

Rents Robertson Farm.

C. N. Hansen, George Marks and Thomas Kivett, all from near Nehawka, were in Plattsmouth Tuesday afternoon, driving up in the auto of Mr. Hansen. Mr. Kivett came up to see District Clerk James Robertson in regard to renting his farm, near Louisville. Mr. Robertson's terms were very acceptable to Mr. Kivett, and as Mr. Kivett is one of the best renters in Cass county, the gentlemen were not long in closing a contract, and Mr. Kivett will move to the Robertson farm next March.

MISS MARTHA BARKER

ENTERTAINS HER SUNDAY SCHOOL CLASS

Miss Martha Barker very pleasantly entertained her Sunday school class at her home in Myriad on Thursday afternoon. The little folks enjoyed various games on the lawn and were then called in to "pin tails on a donkey," at which Miss Esther Fight received the royal prize, and the booby prize fell to the lot of little Ruth Brown. At an appropriate hour a dainty luncheon was served on the lawn to the little folks. Those taking part in the enjoyable event were: Misses Esther Fight, Mable and Charles Howard, Emma Richardson, Robert Propst, William Fight, Glenn Wetenkamp, Hazel Schultz, Gretchen Warner, Ruth Brown and Florence Kaufmann. Miss Barker was assisted in serving by Misses Greta Gould, Mary Wetenkamp and Mrs. Carey.

A TRIP THROUGH THE COUNTRY FROM PLATTS-MOUTH TO LINCOLN

From Tuesday's Daily. Yesterday morning about 6:30 Dr. Bachmann and James G. Mauzy embarked in the Buick automobile of the doctor's and started out on a trip through the northern part of the county and on to Lincoln, where they arrived about 9:45. On the way out several stops were made at the homes of the patients of the doctor, and he looked after their needs for a short time and then the journey toward the state capital was resumed. The party report that the country between here and Lincoln looks very dry, and although that section has received rain since we have here, still the corn looks badly damaged by the dry weather. While in Lincoln the doctor and Mr. Mauzy enjoyed a short visit with John Heinrich, who is employed at the Chapman Drug company, and report him as getting along in fine shape and that he is well pleased with his situation in that city.

For Sale at a Bargain.

Only restaurant in town. No opposition. Clearing at least \$100 per month. Carrying a full line of cigars and tobaccos, confectionery, soft drinks of all kinds, ice cream. Will stand closest investigation. Reason for selling poor health of landlady. Will dispose of same by inventory or set price.
