

GLYDE ADAMSON FALLS A VICTIM TO CUPID

Former Plattsmouth Young Man Married at Long Beach, California.

From Saturday's Daily. Another former Plattsmouth young man has fallen a victim to the darts of Cupid, as will be seen from the account of the wedding of Miss Ethel Loree and Mr. Clyde Adamson at Long Beach, California, which occurred in that city on Saturday, August 2. Mr. Adamson was a resident of this city for a number of years, his father, Sol Adamson, having been foreman of the Burlington paint shop in this city, and Clyde possesses a host of friends here, who will be delighted to learn of his wedding and wish him and his bride a long and happy married life. The following from the Long Beach Press gives a complete account of the wedding: "A daintily simple wedding of today was that of Miss Ethel Loree, daughter of Mr. and Mrs. W. Loree, of 1239 East Sixth street, and Clyde Adamson, son of Mr. and Mrs. S. Adamson, 152 Locust avenue. "The ceremony was read at noon in a setting of summer bloom artistically arranged at the home of the bride's parents, by Rev. Mr. Leak, of Compton, in the presence of only members of the two families. The couple was unattended. The bride wore a becoming gown of white and carried bride's roses. "Mr. and Mrs. Adamson left at noon associated in business with his after which they will return to this city to reside, the groom being associated in business with his father, who is a painting contractor. Mrs. Adamson was a member of the Long Beach High school class of '09."

The firm feels very much pleased over the showing made in the prompt settlement by the different companies and heartily recommend them to anyone desiring to take out insurance. Death of Fine Horse. Quite a loss was sustained yesterday by the firm of McMaken & Son in the death of one of their fine gray horses that has been used for some time. Messrs. McMaken have always kept up their horses in fine shape and the best of care has been given them, and as a result a great deal of work has been gotten out of them.

SMALL RUNAWAY LAST NIGHT ON FOURTH STREET

From Saturday's Daily. The Shetland pony belonging to H. M. Soennichsen created some little excitement last evening about 7 o'clock when it proceeded to put on a small runaway. The pony was hitched to a small cart and had been left tied in the alley at the rear of the store, and in some manner managed to break loose and dashed out of the alley onto Fourth street, turning south and dragging the cart, which was turned over on its side, quite a distance, until parties attempted to grab the pony, when its dodging around righted the cart and the outfit turned the corner of Pearl street, but was caught near the jail, as the pony had managed to break loose from the cart and was continuing on alone when overhauled and quieted down. There was not much damage done beyond some of the harness being busted, and the outfit was brought back to the store in a few minutes after the affair started.

ASHLAND MAN GETS IN BAD AT REUNION

From Saturday's Daily. This morning in Justice Archer's court David Rogers of Ashland was arraigned, charged with assault and resisting an officer, and was fined \$10 on each count, as he entered a plea of guilty to the charge preferred against him. It seems that Rogers was attending the old soldiers' reunion at Greenwood Thursday and became involved in a quarrel with his father-in-law, John Highshoe over some domestic trouble, as Rogers' wife had separated from him and he jumped into Highshoe and placed several blows on his person, when he was stopped by Officer Lyman James, who sought to place him under arrest, but David was loath to allow the officer of the law to take him and resisted and it required the services of several bystanders to bring him to time, and he was then taken to the city jail to languish until the arrival of Sheriff Quinton, when he was brought to this city for trial, with the result that he is compelled to dig up quite a sum of money to satisfy outraged justice.

IT'S A MISTAKE

Made by Many Plattsmouth Residents. Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other make-shifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Plattsmouth is no exception. The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Plattsmouth. Benjamin Brooks, Main street, Plattsmouth, Neb., says: "As a result of a bad cold, I had a severe attack of kidney complaint. At times the pain extended from my back and hips into my shoulders. I could not get about and was laid up for two weeks. My head ached for hours at a time. I had dizzy spells, during which my sight became blurred. Doan's Kidney Pills checked these troubles, and after using two boxes, I regained my health. I got Doan's Kidney Pills at Gering & Co.'s Drug Store and can recommend them." For sale by all dealers.
