DEATH OF A CASS COUNTY PIONEER LADY

Mrs. William Lau Passes Away
at Her Home Near Louis-
ville, September 1.

Monday afternoon, September 1, at her home, six miles south-west of Louisville, occurred the death of Mrs. William Lau, after a lingering illness of nearly three years.

Amelia Schiefelert Lau was born in the Province of Pomerania, North Germany, March 12, 1859. She came to America with her parents when a young lady.

She was married to Mr. William Lau in 1866. This union was blessed with four children: Mrs. Amanda Prutsch of Louis-ville, Mrs. Martha Schiefelert and Mrs. Amelia Pautsch of Mauley, and William Lau, Jr., of near Louisville. All were at her bedside when the death angel called her spirit home. The husband passed away April 1, 1886.

Mrs. Lau will be greatly missed by the whole community, where she was so well known for her many deeds of kindness and motherly interest in the welfare of everyone. Although a great sufferer the last few years, she was ever thoughtful of those about her. She bore her afflictions with exceptional Christian fortitude, and as the end drew near her faith grew stronger in the Saviour she had always followed from childhood. She was one of the few who organized the church work here in pioneer days and for many years was their chorister and always ready to hold up the hands of her co-workers in every good work.

The funeral was held Wednesday afternoon from the German Lutheran church, of which she was a member, conducted by Rev. Theodore Hartman, who preached an impressive sermon on the life of those who die in the Christian faith, and was listened to by a large and sorrowing company of relatives and friends.

The pall-bearers were: Messrs. Peter Vogler, John Sals, John Roover, Wm. Wendt, C. E. Moekenhaupt and Wm. Stohman. The remains were laid to rest by the side of the husband in the cemetery near by.

The bereaved families have the heartfelt sympathy of the entire community in their sorrow.—Louisville Courier.

Death of Sister in Arkansas.

This morning Mrs. D. C. Howard received a message announcing the death of her sister, Mrs. J. S. Bates at Siloam Springs, Arkansas. The death of Mrs. Bates had been looked for for some time, as she had been in poor health for some time, and while Mr. and Mrs. Howard were there last winter visiting her was in quite bad shape. Owing to the fact that the funeral will be held tomorrow from the late home, it will be impossible for Mrs. Howard to reach there for the services. The sympathy of her many friends will be extended to Mrs. Howard on the death of her sister.

THE COURT HOUSE GIRLS HAVE WATERMELON FEAST

Saturday afternoon the young ladies employed in the court house, at the conclusion of their labors, decided to hold a small celebration, and a committee was sent out to procure several large, fine watermelons, and then the jolly crowd proceeded to make short work of these delicious summer luxuries. The only regrettable feature of the celebration was the crowd of hungry office-holders and clerks who were compelled to stand around and view the feast from the stairway, as the young ladies failed to take note of the great love that the male members of the court house force have for watermelons, and the boys were compelled to go out on the street and buy their own treat.

Platform Dance Very Pleasing.

The platform dance given at the Tulene grove west of this city last Saturday evening was a most pleasant affair and was quite largely attended and all who journeyed there felt well repaid for their trouble as the music furnished by the Svoboda orchestra was excellent and the general good time had by all in attendance was proof of the general success of the arrangements. Another dance will be given there the coming Saturday.

FALLS CITY BOYS LOSE TO BOOSTERS

Sunday's Game Resulted in the
Defeat of the Visitors by a
Score of 11 to 4.

Yesterday afternoon the Boosters trimmed the far-famed Falls City team at the local ball park by a score of 11 to 4, and the visitors made most excellent batting practice for the boys, but failed to live up to their reputation, and if the team playing here numbered any of the former Mink league players, they certainly did not show it. The Boosters all were up and playing fast ball, and after the second inning began to make things hum. Falls City secured their opening run in the second inning, when successive singles by Low, Lee and Spencer resulted in Mr. Lee hitting for the visitors. The Boosters started to do business in this inning, also, when, after Ossenkop had been walked, singles by Ingraham, L. Smith, Mason and Deal, and a sacrifice resulted in netting four runs for the locals.

Plattsmouth again started the swiftest in the third. Deal was walked by Prior, who pitched as boss for the visitors, Carl singled and they both scored on an error. Ingraham secured a safe hit and on Louie Smith's single he came home with the third run of the inning. In the sixth inning the Falls City boys took a sprint and laid away three runs to their credit, when Lippold doubled and successive singles by Mars, Herold and Lee resulted in their adding to their list of scores, but they were too far behind to get in sight of winning, and as a punishment for their nerve, the Boosters proceeded to grab four more runs in the eighth, making their final score 11, while the visitors were only able to get 4.

Outside of the batting of the locals the fielding of Mason was the feature of the afternoon, as he secured several difficult flies in the left garden that greatly aided in bringing victory to the Boosters. Pete Herold of this city did the receiving for the visitors in good shape, their catcher having missed the train. The line-up of the teams was as follows:

Boosters—Garle, catch; Connor pitcher; C. Smith, first; Salsburg, second; Ingraham, third; L. Smith, short; Ossenkop, right; Deal, center; Mason, left.
Falls City—Herold, catch;

Prior, pitcher; Spence, first; Low, second; Heck, third; Lippold, short; Lee, right; Mars, center; Lane, left.

Preparing for Hog Sale.

V. E. Perry, the king of the Duroc-Jersey hog business of Cass county, from near Mynard, was in the county seat last Saturday, and while here paid the Journal office a brief call. In conversation with Mr. Perry in regard to the hog business this season, he tells us that he has ever raised, and is preparing for a big combination sale on Tuesday, November 11. The offering this fall will be exceptionally fine, and will have new blood lines for his old customers. He does not know the exact number that will be placed in the sale ring this fall, but the quality will be the best known to the popular Duroc-Jersey breed, of which Mr. Perry has gained quite a reputation, although a comparatively young breeder. He knows what the farmer wants, and every effort will be exerted in trying to please his customers. The sale will be held at his home, five miles west of Mynard, and will no doubt be attended by all the breeders of the red hog in Cass county.

MARRIAGE OF A FORMER PLATTSMOUTH GIRL IN OMAHA

The announcement of the marriage of a former Platts-mouth young lady has been received in this city, giving the particulars of the marriage of Miss Lena Lindsay, daughter of Mrs. Catherine Lindsay, formerly of this city, to Mr. Harry L. Long of Modale, Iowa. The wedding occurred on Wednesday, September 3, at the home of the bride's mother, at 1020 North Sixteenth street, South Omaha, and the young people at once left for Modale, where the groom has prepared a home for his bride on a farm near that place. The bride is a young lady of much charm, who was born and reared in this city where her parents resided for a number of years, and she possesses a large circle of friends, who will leave of her marriage with much pleasure, and trust that she and her husband may enjoy many years of happy wedded bliss. The groom is a young farmer of near Modale and a young man of sterling character and integrity and one whom impresses everyone with his splendid traits of character. Mrs. Long is a granddaughter of the many years a resident of this late James Hickson, who was for city.

A Welcome Visit.

M. B. Faidley, the gentleman who has contracted to put Belle Fourche in the "movies," called at this office shortly after his arrival with a letter of introduction from Frank E. Green of the Lincoln Daily Journal. The visit with Mr. Faidley that followed was like a fresh breeze from the old home at Platts-mouth, Neb., where the manager of this paper and Mr. Green were associated in the newspaper business for a couple of years. In many ways Mr. Faidley is a counterpart of our old friend, "General Frank" Green, one of the best fellows on earth, and to listen to him was almost as entertaining as seeing and hearing Frank himself. By the way, we notice that Mr. Green is now the exalted ruler of the Lincoln lodge of Elks, but that won't make him any better fellow—because he always was that and then some. Here's to you, old scout, and may your bald head always shine as bright as your genial smile.—Belle Fourche (S. D.) Post.

DEATH OF CLINTON TOTTEN SUNDAY

Sunday Morning Clinton Totten
Died at His Home, South-
east of Murray.

Yesterday morning at his home on the William Troop farm, southeast of Murray, Clinton Totten, one of the old residents of the county, passed to his final reward. The death of Mr. Totten was caused from stomach trouble, it is thought, by an accident that occurred to him this summer in Kansas, when he was thrown off of a wagon in which he was driving, and the vehicle passed over his stomach and abdomen and since that time he has been in very poor health, and for the past two weeks has been quite sick and never recovered, gradually growing worse until death came to his relief.

Mr. Totten was about 67 years of age and had been a resident of this county for many years until about four years ago, when he removed to Waukeeny, Kansas, where he resided until about three weeks ago, when he returned to Nebraska to make his home. Mr. Totten was married in this city to Miss Jane Ann Lloyd, who is left to mourn his untimely death, and to the sorrowing widow the deepest sympathy of the community will go out, as Mr. Totten was one of the finest men that has lived in this part of the county and his death will cause a profound sense of grief throughout this locality, where he was so well and favorably known.

The funeral of this worthy man was held this morning at 11 o'clock from the Presbyterian church at Murray; the services were conducted by Rev. Hodge of Nehawka and Rev. Howard Hutchins of Murray, and the body laid to its final resting place in the Young cemetery. The loss of Mr. Totten is one that will be hard to replace, as he was one of those strong, sturdy figures in the community, whose going leaves a place that will be hard to fill and for long years the memory of Clinton Totten will be kept green by the many old friends he leaves behind.

Sure Some Boys.

Mrs. Fred Waugh and twin sons, Richard and Reed, of Ewing, Neb., are visiting Mr. Waugh's mother, Mrs. Samuel Waugh, the young twins have been entered as contestants in the baby show now in progress at the fair. The prospective United States presidents are certainly fine specimens of coming manhood and are unusually handsome youngsters, as well as fine physical examples of Nebraska's juvenile products.—Lincoln Star.

JUDGE TRAVIS RETURNS FROM OMAHA HOSPITAL

Yesterday District Judge Harvey D. Travis, who has been taking treatment at the Immanuel hospital in Omaha for the past month, returned home for a visit of about two weeks, as it was thought that the quiet of his home would prove beneficial to his health and assist in building him up. The judge is feeling some improved over his previous condition, and it is thought, with a few weeks of rest and quiet, he will regain his former state of health and be able to be around in his old-time vigor. The illness of the judge has been the cause of much regret among the many friends of this distinguished jurist and they have been anxious to learn of his improvement.

Entertain Their Four Sons.

Ray Chriswiser, who has been visiting here for a few days with his parents, Mr. and Mrs. Bennett Chriswiser, departed this morning for his home at Osmond, Neb. His mother accompanied him home and will visit for a short time there. Mr. and Mrs. Bennett Chriswiser last evening had the privilege of entertaining at their home all four of their sons—Richard of Otoe county, Charles of Nehawka, Ray of Osmond, and Park of this city—and the reunion was much enjoyed by all of them.

MANY FARMERS IN TOWN SATURDAY

There was quite a number of farmers in the city Saturday attending to trading and the securing of household supplies for the week, and the fact of the excellent showing made demonstrates the fact that the farmers of the county are always glad of the opportunity to come to this city to do their trading, if the proper inducements are offered them, and the business men of the town should see that a special effort is made to bring to this city all the farmers in this vicinity who would make this their trading point and a field that would be a fertile one to work in would be that of Sarpy county, in the vicinity of La Platte, where there are a large number of farmers who would be glad of the opportunity to trade here, and with the wagon and automobile bridge in use over the Platte it is an easy matter to have them make this city their trading point if some inducements would be held out to them in the shape of free transportation over the bridge, and this could be secured easily by the different business houses of the city and make for the merchants a great deal more than the outlay for the tickets would be. It is a question that should be looked after by the merchants.

Platform Dance.

The Tulene Brothers will give another one of those social dances at their place next Saturday evening, September 13th. The usual good time may be looked for. Music by the Svoboda orchestra.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer the Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J.
