E. G. Dovey & Son

Buys New Huppmobile.

From Friday's Daily.
Gen. H. Wiles, one of our energetic young farmers, residing near this city, has just become the proud possessor of a fine Huppmobile, which he purchased a few days ago in Omaha and drove it home to this city. Mr. Wiles, in company with his brother, residing near Wabash, will have the agency for the county for these splendid machines and they expect to do a good business, as the "Hupp" is very popular among automobile men. The car secured by Mr. Wiles is of the latest pattern and model and is certainly a beauty.

THINK OF IT

30,000 Persons Publicly Recommend Our Remedy—Some Are Plattsmouth People.

Over one hundred thousand have recommended Doan's Kidney Pills.

For backache, kidney, urinary ills.

Thirty thousand signed testimonials are appearing now in public print.

Some of them are Plattsmouth people.

Some are published in Plattsmouth.

No other remedy shows such proof.

Follow this Plattsmouth woman's example:

Mrs. F. S. Brinkman, Eleventh and Pearl streets, Plattsmouth, Neb., says: "For several years I was bothered by my kidneys. My back often pained intensely. I was inclined to think the trouble was diabetes. Headaches and dizzy spells bothered me and my sight became so badly affected that I could not read. Doan's Kidney Pills were so highly recommended that I decided to try them and got a box at Gering & Co.'s Drug Store. In a short time they helped me in every way. I am never without Doan's Kidney Pills on hand."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

EDDIE SHOEMAKER OF NEHAWKA MARRIES A CHARMING OTOE GIRL

The Nebraska City Press gives the following account of the marriage of a young Cass county man, the son of our friend, Fred Shoemaker, of near Nehawka, and, like his father, the young man is one of the best citizens in that part of the county and is highly esteemed in the locality where he makes his home. The Journal is greatly pleased to learn that the newly married couple will make their home in this county in the future:

Miss Anna Metta Heesch, oldest daughter of Mr. and Mrs. Henry Heesch, who live south of the city, and Edwin Schonaker of Nehawka, will be united in marriage in Omaha this morning. After the ceremony, which will be simple and witnessed only by a few relatives, Mr. and Mrs. Schonaker will go to Nehawka, where the groom owns a fine farm.

The wedding probably will be a surprise to the many friends of this popular young couple, for it has been arranged for very quietly and but few people were aware of its nearness.

Miss Heesch is the attractive and accomplished daughter of one of Otoe county's highly esteemed families. She is a very sensible young woman, possessed of more than ordinary intelligence, capable and industrious and has hundreds of friends who will wish her much joy.

The groom is a sterling young man of southern Cass county, a member of one of the best families in Nebraska, industrious, hard-working and successful so far in his battle with life. A large circle of friends and acquaintances will offer their hearty congratulations upon the occasion of his marriage.

MATTER OF SECURING NATURALIZATION PAPERS

The naturalization department at the office of the clerk of the district court continues to be a very busy place these days as the streams of those seeking citizenship papers still continues and will be even larger as next week is the last one in which holders of applications for citizenship papers secured prior to 1906 can have their second papers issued on them. James R. Hunter, of this city, a native of Scotland, who arrived in this country in the year 1877 and who has resided in this city for a long period of years was an applicant for his second papers. Alvis Smetana, a native of Austria, who made his declaration in November, 1905, was among the new applicants for papers in the clerk's office stating he had arrived in this country on April 25, 1905, and had made application the same year for his first papers which were given him and he now desires to complete his citizenship and renounce forever the sway of Emperor Francis Joseph II.

PAST CHIEFS OF DEGREE OF HONOR ENJOY A BIG TIME AT BUSCHE HOME

From Friday's Daily.
Yesterday morning about 8:30 the members of the Past Chiefs of the Degree of Honor gathered at the foot of Main street, where carryalls had been provided for them and departed for the handsome farm home of Mr. and Mrs. John Busche, near Cedar Creek, where the members of the organization found a most hearty welcome awaiting them from their sister member of the order. At 12:20 the jolly crowd was invited into the dining room, where the hostess had prepared one of the most tempting meals it had ever been the privilege of the Past Chiefs to enjoy, and they were right there when it came to stowing away the tempting fried chicken, as well as all the dainties of the season that had been secured by the hostess for the occasion.

After the enjoyable dinner had been disposed of the company adjourned to the parlors, where a delightful social time was enjoyed and a short program, consisting of two very interesting readings by Mrs. F. H. Steinket, as well as several instrumental

selections on the piano by Mrs. J. H. McDaniel and others in the company. The ladies had brought their fancy work with them, and this, with pleasant conversation served to pass the time most pleasantly until near 5 o'clock, when the ladies were again invited into the dining room, where delicious refreshments had been prepared for them, and this served to bring to a close one of the most enjoyable days the Past Chiefs have enjoyed, and departing for home about 6 o'clock they voted their hostess a royal entertainer and will hail the day when they again gather at her hospitable home.

RAIN INTERFERES WITH NEHAWKA CELEBRATION

From Saturday's Daily.
The festival and picnic which was held yesterday at Nehawka, was not as successful as the promoters had hoped for, and the crowd was quite small, as the threatening weather served to keep the people from attending, particularly from this city, where several automobile loads were ready to go when the rain storm scared them out. The good people of Nehawka had prepared a nice time for their guests and it is unfortunate that the elements should have interfered to prevent the attendance of a larger crowd. Tulene Brothers of this city were in attendance with their merry-go-round, but the business was very poor. The Svoboda orchestra of this city motored down to the picnic last evening and played for the dance given by the A. O. U. W. lodge of Nehawka.

A NEW APPLE AND A FINE ONE IN THE "STARK DELICIOUS"

The fall and winter season gives the owner of small town properties or the farmers an opportunity to think and plan as to what new features they desire to add to their orchards, whether large or small, and these parties here will soon have an ample opportunity to pick out some excellent nursery stock, as P. E. Ruffner, the agent for the celebrated Stark Brothers nursery of Louisiana, Missouri, is to start out securing orders for the coming spring season. He has as a special feature of his new stock an exceptionally fine apple—"Stark Delicious"—and from reports made on this apple by the leading fruit growers of the west it certainly fills a long-felt want in the line of a splendid yielding, hardy apple tree for this climate, and the Stark Brothers feel that they have attained their long desire in this Delicious.

MR. FLOYD WOOLCOTT TO REMOVE TO NORTH DAKOTA

Floyd L. Woolcott for a long time connected with the First National bank, and who is now vice-president of that institution, has resigned his office and position and will embark in the life insurance business for the Guaranty Fund, of Omaha, with headquarters in North Dakota, the exact place being as yet an undecided question. By reason of his long residence here Mr. Woolcott has gained many warm and close friends, as has also Mrs. Woolcott, who, however, is not known to us for so long a time. Floyd has been a good employee of the bank, which he had served for a long time as cashier, and his elevation to vice-president came in line of merit and worthiness. He has also served the community by prominent identification with every enterprise calculated for the public good. His place as secretary of the Elmwood Park association since the beginning of the organization has been ably filled, and his services satisfactory to all concerned. In lodge and social circles both Mr. and Mrs. Woolcott will be sadly missed.

Mr. Woolcott is making preparations now to move his family. When they go hence we are sure that the united good and sincere wishes of all will attend them.—Leader-Echo.

Herman Stromer of Alvo, motored to this city this morning in his cracking little Metz automobile and looked after some matters of business at the court house. While here he gave the Journal a pleasant call.

BIG TIME AT THE RIFLE RANGE FROM OCT. 6 TO 11

From Friday's Daily.
The splendid government rifle range north of this city is to be occupied the first of October by a gathering of the National Guard for the state shoot to be held by the more skilled marksmen of the organization to compete for the various trophies to be offered for the most expert shooting. The award of the different prizes will probably be made by the governor of the state. The State Journal gives the following in regard to the matter that will explain fully the nature of the meet, as well as the officers chosen to take charge of it:

Adjutant General Hall of the Nebraska National Guard has issued an order designating Major John M. Brinker chief range officer in charge of the range at Plattsmouth during the National Guard state shoot to be held October 6 to 11. Captain Kesterson of the Fifth regiment and Captain Lloyd of Omaha of the Fourth regiment, have been designated as assistants to the chief range officer. These two captains are inspectors of small arms of their respective regiments. Four lieutenants from each regiment will be appointed as assistants, but thus far only First Lieutenant V. L. Brown of Hastings, of the Fifth regiment, and Second Lieutenant Crunkleton of Beatrice of the Fifth regiment, have signified their ability to attend the shoot. Valuable and beautiful trophies are to be awarded winners in the contest. Governor Morehead will probably be present to present the trophies.

YOUNG MEN ARRESTED ON SUSPICION OF ROBBING

From Friday's Daily.
Last night Sheriff Quinton came in from South Bend, bringing with him two young men on suspicion of having been mixed up in the robbery of some of the bank cars occupied by the men employed by the Rock Island in the construction of their bridge at that place. The cars were robbed of a pair of shoes, several pairs of overalls, a watch and a razor, and it was suspected the boys knew more of the affair than they care to say. They were on their way from Cleveland, Ohio, to Seattle, Washington, and denied all knowledge of the articles or having broken into the cars. They will be kept in the county jail until a more thorough investigation can be made of the matter.

HENRY SANDERS, OF NEAR CEDAR CREEK HAS NARROW ESCAPE

From Friday's Daily.
Henry Sanders, residing a few miles east of Cedar Creek, was the victim of what came near being a very painful accident this morning. He was engaged in some work in the farm yard and was standing near the windmill, when a large casting, weighing some fifty pounds, fell from the top of the windmill, and it was most fortunate for Mr. Sanders that he moved as the heavy casting fell, as it hit where he had been standing, and in its descent bruised his left shoulder and leg, ripping the overalls off the lower limbs of the man and inflicting quite a painful injury. If Mr. Sanders had remained where he was at first the large casting would certainly have killed him, and as it is he will be very stiff and sore for a few days at least. He came in this morning and had the injury dressed by one of the local doctors, and will take a few days' rest from his duties on the farm.

"JUDGE" JACK PATTERSON CASHIER UNION BANK

From Friday's Daily.
Jack M. Patterson, the Union bank cashier, will probably blush if you call him "Judge," nevertheless he donned the judicial ermine Wednesday afternoon and presided as a notary public while depositions were taken in his office in a case pending in the district court of Douglas county. The witnesses whose depositions were required were W. B. Banning and D. Ray Frans, while Miss Verna Graves took the testimony in short-hand. The attorneys present were W. R. Wells and Irving F. Baxter, both from Omaha.

The title of the case is Thomas Savage vs. Alamo Engine & Supply Co., a suit for personal damage in the sum of \$2,800. It appears that the defendant company had an exhibit and a tent at the state fair at Lincoln last year, and that Savage, while making the rounds of the machinery exhibits, tripped over a guy wire attached to the company's tent, and that the fall Savage got thereby shook him up and injured him to some extent. Savage alleges negligence on the part of the company. Mr. Banning and Mr. Frans had charge of the machinery department at the time of the accident, and their testimony was taken for the purpose of showing conditions, distances and locations about the place where the plaintiff took his tumble.—Union Ledger.

REV. ELIAS JAMES "FORERUNNER OF GOD" INVITED TO DEPART

From Friday's Daily.
This morning the Rev. Elias James, who announced himself as the colored "forerunner of the Lord," was brought into Judge Archer's court, charged with soliciting or begging on the street, as well as striking an officer and using profane and vile language on the streets. The old colored man was allowed to go all yesterday afternoon, and toward evening Officer Newman approached him on the street and inquired what he was doing, and the old man turned on him, striking at him with the cane he carried, and addressed several remarks, using profane language, toward the representative of the law, and he was promptly taken over to the palatial county jail to await the sitting of the court this morning, when he was arraigned and received as his prize package a fine of \$5 and costs, and lacking the worldly goods to settle the same he was given the privilege of either taking a stay in the county bastille or leaving the city, and he chose to depart to spread his doctrines in other climes.
