You don't save money when you buy cheap or big-size baking powder. Don't be misled. Buy Calumet. It's more economical—more wholesome—gives best results. Calumet is far superior to sour milk and soda.

TWO BALL GAMES AT CEDAR CREEK

The Journal has received accounts of two ball games that were pulled off at Cedar Creek on Sunday, September 24, between two of the teams of that place, and shows that the Cedar Creek fans are given plenty of the national game.

Cedar Creek, Sept. 24, 1913.
Editor Journal:

The Cedar Creek base ball team went up against a bunch of Indians Sunday. The Indians were pretty red at first, but after the battle they changed color and looked white when they found the score was 27 to 0 in favor of Cedar Creek. The Indians will make ball players if they keep at it long enough, as they are mighty good ball players, but were out of practice Sunday. The Indian chief was George and the squaw was Hans. The battery for Cedar Creek was Gobbelman and Meisinger. After the game refreshments were served by the Indians. Thank you, good-hearted redskin. One of the Journal Readers.

Cedar Creek, Sept. 22, 1913.
Editor Journal:

A fourteen-inning game, and one of the best base ball games of the season was pulled off at the ball park Sunday between the Cedar Creek Sluggers and the Cedar Creek Indians, which took the full fourteen innings to decide, and which resulted in a score of 2 to 1 in favor of the Sluggers. Schroeder was on the mound for the Indians, while Gobbelman pitched great ball for the Sluggers. Goose eggs were received on both sides until the ninth inning, when Rudolph Meisinger came to bat with his willow in his hand and hit to the cottonwood trees, which went for a homer. The Indians in their half of the inning secured a run when Underwood hit safe and was sacrificed to second, stole third and came home on a hit by Gauer. Then the pitchers' battle started and continued until the fourteenth inning, when Gobbelman hit for a three-sacker and was brought in by a hit by Keil. The Indians failed to score in their half and the game was ended. The features of the game was the pitching of Gobbelman and the batting of Gauer. A Fan.

Mother of Eighteen Children.

"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weight 168 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to any one in Boone Mill by vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.

THE ST. MARY'S GUILD MEETS AT DWYER HOME

The St. Mary's Guild held a most delightful meeting yesterday afternoon at the home of Mrs. D. O. Dwyer on North Fifth street, and the occasion was a most pleasant one for all who had the pleasure of attending. There were a large number of the ladies in attendance at the meeting and they came with dainty articles for the bazaar, which will be held later in the season, and the afternoon was passed most pleasantly in the plying of the busy needle in the preparing of the different tasteful and artistic specimens of needle-work that will be placed on sale at the bazaar. During the afternoon the hostess, assisted by her daughter, Miss Lillian, served some very tempting and delicious refreshments, which were much appreciated by the ladies and which served to add much to the pleasures of the afternoon.

Visiting in South Dakota.

Mrs. James Kirkham and son, John, arrived Saturday evening from Plattsmouth, Neb., for a visit at the home of the former's son, B. L. Kirkham. Mrs. Kirkham is 81 years old and is still enjoying very good health.—Belle Fourche (S. D.) Post.

Card of Thanks.

We desire to return our heartfelt thanks for the assistance shown us during the sickness of our beloved son and brother, Henry Kraeger, and for the deep sympathy of our many friends in his death. Such actions of help and sympathy can never be fully repaid, but we trust that our friends will receive the same kindly treatment in their hour of grief.

MISS JULIA KERR RETURNS FROM PHILIPPINE ISLANDS

From Wednesday's Daily.

Miss Julia Kerr and aunt, Miss Maria Gilman, arrived in this city last evening from Fort Wm. McKinley, Philippine Islands, for a visit with the former's mother and the latter's sister, Mrs. S. E. Kerr, of this city. Miss Kerr has been making her home with her aunt at the Islands for the past three years, and for the past two years has been assistant post-mistress at Fort Wm. McKinley, which is located near Manila. Miss Kerr and Miss Gilman started on their homeward journey early in August, arriving at San Francisco about the 12th of September. A few days were spent in San Francisco, Oakland and Berkeley, California, and Denver, Colorado.

Don't Let Baby Suffer With Eczema and Skin Eruptions.

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. **DR. HOBSON'S ECZEMA OINTMENT** can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa. All druggists, or by mail, 50c.

WORK ON W. E. ROSENCRANS' BUNGALOW STARTS

The work of excavating the dirt for the new bungalow that is to be erected on Vine street by W. E. Rosencrans, has been commenced, and with favorable weather conditions it will only be a short time until the building is under good headway. The new structure is to be a two-story building and is to be erected on the lot immediately west of where Mr. Rosencrans and family at present make their home, and will add greatly to the appearance of this street, as the vacant lot has long been an eyesore there, but with the neat residence that is to be put up there it will be much improved and will make a very desirable home for the Rosencrans family, as well as a fine addition to the number of fine residences of the city.

To Be Married Tomorrow.

From Wednesday's Daily.

Jennings Seivers departed last evening over the Missouri Pacific for Omaha, from where he will leave for Owatonna, Minnesota, where he will be married tomorrow evening to Miss Ella Frank, a daughter of one of the prominent farmers residing near that place. Jennings is a fine young man and his many friends here will be greatly pleased to learn that he has secured so charming a helpmate as Miss Frank. The young people will arrive in this city the first of next week and will make their future home here.

Caught a Bad Cold.

"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. We bought just one bottle of Chamberlain's Cough Remedy and that one bottle stopped his cough and cured his cold completely." For sale by all dealers.

CLARK, THE THIEF, GETS THIRTY DAYS IN COUNTY JAIL

Yesterday afternoon, Nelson Clark, the man who made away with the ladies' coat from the Fanger store Tuesday morning, was arraigned in Justice M. Archer's court, charged with obtaining goods under false pretenses, and entered a plea of guilty to the charge. The wife of the prisoner was here yesterday and put up a very pitiful story of the need of support from Clark, but investigation developed that her relatives in Omaha had been looking after her and the hard luck story was not brought out in the court. The justice, after hearing the statement of the case, decided that a month's sojourn in the county jail would about fix Clark out, and he was accordingly sentenced to thirty days in the county jail as the guest of Jailor Manspeaker. He was at once taken back to jail by Sheriff Quinton and will have ample opportunity to meditate over his misdeeds. It is to be hoped that the lesson taught by the imprisonment may not be lost on Clark and that he will be more careful in the future to keep out of the hands of the law and conduct himself as a law-abiding citizen should.

Mrs. Rosa Gardella and little son, who have been here for a few days visiting at the home of the uncle of Mrs. Gardella, John Schiappacasse and family, departed this morning on No. 6 for Red Oak, Iowa, where they will visit for a time before returning to their home at Reno, Nevada.

"My child was burned terribly about the face, neck and chest. I applied Dr. Thomas' Eclectic Oil. The pain ceased, and the child sank into a restful sleep."—Mrs. Nancy M. Hanson, Hamburg, N. Y.

Change in Train Time.

A new time card for the Burlington was to have been effective next Sunday. The principal change was to have been on the Nebraska City line, where passengers 117 and 118 were to have been pulled off. Yesterday, however, a rumor was to the effect that the change would not be made. The rumor reached the railway commission, but it was not confirmed at the railway headquarters.

After September 28 train No. 2 will leave Lincoln at 2 o'clock instead of 2:10 p. m., as the present schedule provides. No. 7 will arrive from Omaha five minutes earlier than at present.—Lincoln Journal.

NEW HARNESS AND SHOE REPAIRING ESTABLISHMENT IN TOWN

A new addition is expected to the population of the city, as well as the business concerns of the town, tomorrow, when John Frank, a harnessmaker and shoemaker, will arrive in this city and open up a harness shop, as well as a shoe repairing store, where all kinds of first-class work in that line can be secured. The new establishment of Mr. Frank will be located in the Hotel Riley block, and there he would be pleased to meet anyone who desires to have work of this character done. Mr. Frank comes here from Farnam, Neb., where he has been for a number of years, and he comes to this city highly recommended and will be welcomed by our people here. The family of Mr. Frank will arrive later, as soon as he gets settled, and will make this their future home. Those who have known this gentleman and his family for years speak in the highest terms of them, and they will doubtless be received very cordially by the citizens here.

IN JUDGE ARCHER'S COURT CHARGED WITH DRUNKENNESS

In the office of Judge M. Archer of the police court yesterday Charles W. Green, claiming Omaha as his residence, and William Rockefeller, who stated he resided at Hastings, Iowa, were brought before the court to answer to the charge of being in a state of intoxication. William Rockefeller, who denied being the gentleman the investigating committee of congress was looking for this summer acknowledged that perhaps he had partaken too heavily of the extract of corn juice, but as he came quite a ways to secure it he was unusually dry and had over-estimated his capacity. Charles did not make any statement as to why he was found in the shape he was, but the fact being evidence on the face that he was drunk, the court decided to give them each a fine of \$2 and costs, amounting to \$5, but on the promise that they would go and leave our peaceful little city without further trouble, the judge suspended the sentence and instructed the police if they caught the malcontents again to throw them in the dungeon until the fine was satisfied. Having rested in the platonic county jail the night before the prisoners left without further argument.

Fainting Spells.

It often happens that we feel as if we should faint; a sudden weakness comes upon us and dizziness. The cause may be different, but as a rule it is weakness of the stomach or improper digestion of the food. In such disorders we wish to recommend to you Triner's American Elixir of Bitter Wine, because the results are always very good. This remedy will expel from the body all waste material and this will give a prompt relief to the sufferer. Use it whenever you have any trouble with the digestion, or loss of appetite, eructations, colicky pains, constipation, vertigo, jaundice. At drug stores. Jos. Triner, 1333-1339 S. Ashland Ave., Chicago, Ill. Mr. Stephen Hovanetz, 131 Tilghman st., Allentown, Pa., says: "Triner's Liniment is very good. I have sold it all. Everybody that buys one bottle will advise his friends to get one also."

A FORMER RESIDENT VISITS HERE AND HE IS ALWAYS WELCOME

Robert Faulkner of Omaha, one of the head officers of the A. O. U. W. in Nebraska, is in the city today looking after lodge business, as well as visiting with old friends. Mr. Faulkner was a former resident of this city where he made his home with his aunt, Mrs. Fred Latham and was employed at the Burlington station in this city for a number of years going from here to Hastings where he was employed by the Burlington until his removal to the metropolis to take up lodge work. The many old friends here greatly enjoyed the visit with Mr. Faulkner as it has been some time since he was a visitor in this city.

Come and See this Amazing New 1914 Car

At This Time Next Year, Most Leading Makers Will Offer You These Remarkable Motor Car Engineering Advancements. Their Engineers Are Working on Them Today—Some of the More Progressive Will have these New Ideas for 1914. So Don't Purchase a 1913 Car, for it is Now Out of Style.

Don't purchase any automobile without wire wheels. They are the new vogue. They increase tire mileage 35 per cent—cut tire expense down one-third, often half. Besides, wire wheels stand three times the shock that breaks wood wheels. They double easy-riding comfort of an automobile. These are engineering statistics.

The old style gasoline tank was under the seat or at the rear of the car. This is out of date. Only the backward makers have not adopted the advanced idea of the **cowl gasoline tank**. This is because of unsold cars of the old style. But leaders will have it next winter.

Kerosene the New Fuel

For two years engineers have been searching for a practical new fuel. Gasoline at 20 and 25c a gallon is by some considered too expensive. Ray Harroun, the famous racing driver, struck the idea in a carburetor that would vaporize kerosene, coal oil or gasoline. And kerosene costs only 7 or 8 cents a gallon. This new invention revolutionizes motoring cost—cuts it down to insignificance. No one need fear expense today.
