

## A GREAT PLAY AT THE PARMELE LAST SATURDAY

"The Havoc" One of the Greatest  
Plays Ever Presented in  
Plattsmouth.

The problem play, "The Havoc," which appeared at the Parmele theater in this city Saturday evening, was, without doubt, one of the best that has ever appeared in this city, and the four persons who compose the company were artists of the first rank. The play is one of modern city life and was carried out by the members of the company with a naturalness and ease of manner that made the play most enjoyable to the audience, which was not near as large as the excellent play and company deserved. Fredrick Sumner, appearing in the role of Richard Craig, the outraged husband, was splendid and received several curtain calls for his effective handling of the difficult part. Had there not been so much confusion as to the date the attraction was to have been here the theater would have been crowded, but the first definite notice of the appearance of the show was received Saturday noon and all the advertising had to be carried out after that. The orchestra of Prof. Kolbaba, which furnished the music for the evening, was very pleasing, and this excellent musical organization bids fair to be the best of its kind that has been in this city for years.

The leading lady of "The Havoc" company, Miss Kathryn Hutchison, is one of the most finished artists that has appeared in this city in years, and her splendid handling of the part of Mrs. Craig was such that her future career on the stage will doubtless be a great success, and her rendition of the character was smooth and natural and devoid of all forced or strained expression, and to see this charming little star was a treat that was much appreciated by the audience.

## ANOTHER CHANGE IN BUSINESS FIRM IN THIS CITY

The latest change in the business places of the city has been consummated in the sale of the building which is now occupied by Warga & Cecil. This building, which was the property of the firm of Weyrich & Hadraba, has been sold by them to Messrs. Jesse Warga and Albert Schudice, who will continue to occupy it with their plumbing and lining business. While the transfer will not make any change in the personnel of the parties occupying the building, it is a very pleasing sign, as it shows the interest the business men are taking in the city and their confidence in its future advancement. There are a number of other changes in property promised for the near future in this city, and taken as a whole the past month may be set down as one of the best that has been experienced here in years.

## MONT ROBB WILL BE THE NEW MANAGER OF THE RILEY HOTEL

The Riley Hotel in this city is to be under new management in the next few weeks, as Mont Robb, of Wyoming, Nebraska, will take full charge of the hotel and run it in the future. Mr. Robb does not require any introduction to the people of Cass county and Plattsmouth, as he was a resident of the county for many years and is one of the best and most whole-souled fellows in the world, and under his able management the Riley will be certain to prosper as he brings to the management great ability and will soon have the standard of the hotel up to what it was in the years gone by. Mr. Robb, up to a short time ago, was in charge of a hotel at Sutton, Nebraska, and made a splendid success in that capacity and will repeat his success here there is little doubt. That our hotel will be in such able hands as the genial Mr. Robb will be the cause of much gratification to the citizens of Plattsmouth as in the past few months there has been much complaint of the manner in which it has been run, and with the change just made this difficulty will be overcome as the new manager will see to it that the traveling public and those stopping at the hotel are treated right in every way. We extend to Mr. Robb and his estimable family a hearty welcome to Plattsmouth and trust they will enjoy great prosperity while residents of our city.

## A MOST ESTIMABLE LADY PASSES AWAY

Mrs. H. M. Sinclair Dies This  
Morning at Immanuel Hos-  
pital in Omaha.

The death messenger this morning at 5 o'clock claimed for his own Mrs. H. M. Sinclair, who for the past two weeks has been at the Immanuel hospital in Omaha taking treatment for an affliction of the stomach.

Mrs. Sinclair was about twenty years of age and came here last January when her husband assumed the management of the Plattsmouth Water company, and soon had made a large number of friends, who will be deeply grieved at her death at the time when life, with all its brightness was dawning upon her, and her husband will have the deepest sympathy of everyone in his bereavement and sorrow.

Mrs. Sinclair was first taken sick about a month ago and at first it was not thought her trouble would prove serious, but after a time it was impossible for her to retain food of any kind and it was thought best to remove her to the hospital, where better accommodations for her care could be provided for, but after removal to the hospital her condition gradually grew worse and finally hope of her recovery was despaired of by the attending physicians. Her mother arrived in Omaha yesterday morning, and with the husband was at her bedside when she passed away. The body of Mrs. Sinclair will be taken back to her old home at Bangor, Maine, where it will be laid to rest.

## FACT

Local Evidence.

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ.

Here's a Plattsmouth fact. You can test it.

Louis Kroehler, proprietor hardware store, Elm street, Plattsmouth, Neb., says: "About a year ago I had pains in my back. I was so lame that I couldn't stoop. My kidneys were weak. I had a tired, languid feeling all the time and headaches were common. I got Doan's Kidney Pills from Gering & Co.'s Drug Store and they soon relieved me. I am pleased to recommend them."

Mr. Kroehler is only one of many Plattsmouth people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Kroehler had—the remedy backed by home testimony, 50c all stores.
