

## Ten Special Points of Excellence Found Upon Racine Sattley's New Stawana Gang Plow

The Plow with the "AUTOMOBILE STEERING GEAR"

Please Note All Are Exclusive Features Not Found on Any Other Plow Made.

**First—Steering Gear.** Automatic style direct and position, no springs—allows the plow to turn at right angles, either to the right or left, prevents sliding of the front land wheel and takes all strain from same when turning. Every time the front furrow wheel turns either way the front land wheel is forced to turn in exact unison.

**Second—Hitch.** Two horses on EACH SIDE of the pole, regular farm wagon eveners, no patent equalizers needed. Center of draft lies exactly between the two teams, permitting them to walk as straight and naturally as though they were hitched to your old farm wagon.

**Third—Land Wheel.** Front land wheel is set directly opposite the front furrow wheel, the arm holding same being at the extreme front corner of the frame. The land wheel is set at an angle or inclined in at the bottom, same as the furrow wheel.

**Fourth—Side Draft.** This construction "Hitch and Land Wheel" secures greater leverage in controlling the course of the plow and does away with ALL SIDE DRAFT.

**Fifth—Control.** The tongue controls all three wheels by placing the land wheel at the extreme front of the frame, enables us to connect it direct to the tongue post.

**Sixth—Single Bail.** Beams and bottoms being hung in frame on one bail gives this plow a flexible floating bottom

and insures at all times every pound of weight, including the drivers, being carried on the wheels. This gives us our light draft and allows the wheels to pass over rough ground without in the least affecting the depth of the furrow.

**Seventh—Furrow Wheel Control.** Automatic steering rod—no side thrust on tongue; adjustable rear furrow wheel not affected by horse motion.

**Eighth—Foot Lift.** Extremely high—double bearing—adjustable to small boy or large man—conveniently located and when bottoms are raised no levers are in the way and it comes just right to be used as a step for the operator to reach the seat.

**Ninth—Main Frame.** One piece—no joints—extra heavy stock—will not spring.

**Tenth—Shares.** Made of "Sattley Special" soft center steel, absolutely guaranteed against breakage and warranted to scour in any soil.

The New Sattley Stawana Gang Plow is no experiment. We having built it for three years with this plow as now perfected. The Racine Sattley company this year made a killing and with it cleaned up the plow trade of Kansas, Missouri, Illinois, Wisconsin, Ohio and Indiana, and intend to do the same in Iowa and Nebraska this fall and the spring of 1914.

The plow speaks for itself. Every live dealer and farmer, after going over its many excellent points not found on any other plow made, must admit its superiority.

We absolutely guarantee this gang plow in every way.

### J. W. BARWICK IN THE EMPLOY OF THE BURLINGTON 25 YEARS

From Saturday's Daily.

Last evening one of the oldest and most valued members of the office force of the Burlington railroad closed his books for the last time and announced to Superintendent of Shops William Baird that on account of his state of health it would be impossible for him to longer continue his service in the company's employ. This man was James W. Barwick, one of the clerks in the office of Superintendent Baird, and one of the oldest employes in the service of the Burlington in their office force. Mr. Barwick entered the employ of the Burlington in the office here some twenty-five years ago, and during all these years has been one of the most efficient and faithful members of the office force, and up to a short

time ago was constantly on the job, and it was not until he was confined to his home by sickness that he left his desk, and after several months he was able to resume his duties, but his health has kept growing more poorly until the last month, when it was very difficult for him to get to and from his work, and finally he has been compelled to abandon the work in the office. The resignation was received with deep regret by Mr. Baird and the other members of the office, but they trust their old friend may find in the rest of his home a recovery from his sickness.

### BALL GAME AT CEDAR CREEK

The Louisville base ball team came to Cedar Creek Sunday, October 12, where they crossed bats with the Cedar Creek team. The visitors started in on their first inning with one score, while the Cedar Creek team did not start scoring until the third, when Pat Meisinger came to bat with his little hickory in his hands, hit to center field and was safe; he stole second and third and came home on a wild pitch, which tied the score. Jap Gobelman came to bat next and hit for a safe one and stole second. Well, next came to bat our second baseman, Rudolph Meisinger, who hit to the cotton-woods for a three-sacker and brought in another score. Chuck Keil, the shortstop, came to bat next and drove a hot one through the second baseman, which counted one more score for the Sluggers. Ed Gobelman hit to shortstop and was put out. Gus Keil was up next and he drove one out to left field, but was caught by the left fielder. The next batter up was Jack Lohnes, who hit to third and was caught out. That stopped the scoring for that inning. The Louisville boys got busy in the fourth-inning and tied the score. Jap Gobelman, who was doing the twirling for the Cedar Creek Sluggers, was there and over and was pitching good ball and his support was good all around, and Biggy, the Philadelphia catcher, was there to take them. Fred Huff, who was doing the tossing for Louisville was pitching good ball until the eighth inning, when Jap Gobelman hit to center for a two-bagger and R. Meisinger hit a little pop-up, which was dropped by the second baseman, putting two men on bases. Chuck hit to third and the third baseman muffed it. Ed Gobelman came to bat next and hit to center for a two-bagger, which brought in two more. Jack Lohnes was safe on a sacrifice. Gus Keil came to bat and hit to center for a two-bagger, bringing in two more scores. Pat was called to bat next and picked out a little hit, bringing in one more. L. Schneider also got a little hit which caused two more scores by the making of overthrows all around. Biggy, the catcher, came to bat next and knocked one to the shortstop, which was muffed, and Schneider came home. Jap came to bat once more and hit to left field and was safe. B. Meisinger hit to right field, which brought in two more. That ended the scoring for Cedar Creek, and the Louisville boys failed to score in the ninth inning, leaving the score 13 to 3 in favor of the Cedar Creek Sluggers. The lineup was:

Louisville—F. Huff, pitcher; H. Koop, catcher; B. Reihart, first; C. Huber, second; B. Urin, third; R. Krumson, short; H. Thompson, left; C. Amick, center; J. Sherman, right.

Cedar Creek—Jap Gobelman, pitcher; Ralph Meisinger, catcher; Ed Gobelman, first; R. Meisinger, second; G. Keil, third; C. Keil, short; L. Schneider, left; Pat Meisinger, center; J. Lohnes, right.

### IN HONOR OF THE MESSRS. RAWLS AND THEIR WIVES

From Friday's Daily.

A very delightful event occurred last evening at the beautiful home of Mr. and William A. Robertson, on North Sixth street, when they entertained a few friends in honor of Mr. and Mrs. C. A. Rawls and Mr. and Mrs. R. G. Rawls of this city, and Mr. and Mrs. J. A. Rawls of Three Forks, Montana, and Mr. and Mrs. Noel B. Rawls of Boise, Idaho, who are visiting here for a short time. The evening was most pleasantly spent by the company in playing whist, five tables being filled by the guests, and much pleasure was derived from this very fascinating game. At the proper time very tempting refreshments were served by the hostess, assisted by Misses Mae Murphy, Jessie Robertson and Mable White, which served to bring the climax to an evening of perfect delight and pleasure. The rooms of the Robertson home were very artistically decorated in the autumn colors, interspersed with autumn leaves, which lent a charm to the scene and made a charming setting for the happy gathering. Besides

### "TRUXTON KING" COMPANY HAD HARD TIME GETTING HERE

From Friday's Daily.

After considerable difficulty in reaching this city, the company presenting "Truxton King," made its appearance before a good-sized audience at the Parmelee theater last evening. The play, which is a dramatization of George Barr McCutcheon's book of the same name, and the story is located in the mystical kingdom of "Graustark," and through the course of the play an interesting love story is woven. The company presenting the play here was a very fair organization, especially Miss Mildred Von Bollen, who appeared in the role of Olga Platanova, a follower of the anarchists. The company was somewhat handicapped in showing here by the fact that they were compelled to drive to this city from Pacific Junction on account of missing their train connections, and the wagons with the scenery were quite late in arriving here, and it was about 9:30 before the curtain was raised for the first act. The show was very pleasing to most of the audience, and considering the difficulties in which they had been involved they gave a very fair performance. They left this morning over the Missouri Pacific for Nebraska City, where they will appear this evening.

### NEW TIME CARD ON THE LOUISVILLE M. P. LINE

Changes Will Make It a Little Easier to Reach This City.

As was stated in the Journal of last evening of the probable change in the passenger schedule of the Missouri Pacific over their Louisville line, the notification has been received by Agent Norton of the road that train 137, which runs over the Louisville line, will, starting tomorrow, arrive at Louisville at 8:50 a. m., in time to connect with the Burlington Schuyler train, which leaves there at 9:10, and the passengers will arrive in this city at 9:58 over the Burlington. Returning the people from the central part of the county can leave here at 3:20 over the Burlington, arriving at Louisville at 4:41, and catch the south bound Missouri Pacific train at 5:20. This change will make it a little more easy for the residents of the central and west part of the county to reach this city, although it will entail considerable changing of cars.

The cost of the trip over this route will not be much greater than the rate over the Missouri Pacific as at present. From Eagle the fare to this city will be 98 cents, as against 94 over the Missouri Pacific Union line. From Elmwood the rate via Louisville will be 62 cents, as against 80 cents via Union. From Manley the rate by the Schuyler will be less than by the Union line of the M. P., being 50 cents, as against 66 cents around by

### NEW SON ARRIVES AT THE HOME OF MR. AND MRS. JOHN HENNINGS

Thursday the home of Mr. and Mrs. John Hennings, near Cedar Creek, was visited by the stork in his travels, and a fine new son and heir was left in their charge. The little man, according to all reports, is just about the finest little fellow that ever made his appearance in Cass county, and the many friends of Mr. and Mrs. Hennings in this part of the county will rejoice with them in their happiness over the new son. Grandpa Conrad Meisinger and Grandpa F. J. Hennings are also reported as being very much pleased with the little man, who it is to be hoped will live to be as useful to the community as his worthy grandfathers.

### FOREST ROSE—Best flour on the market. Sold by all leading dealers.

Charles Osgood of Murray, Iowa, who has been here for a few days visiting his old comrade George Poisal, departed this morning for his home. Mr. Osgood and Mr. Poisal both served in Company B, 18th Iowa infantry, and this is the first time in forty years that they have met, and it is needless to say that the occasion was one of much pleasure to both of the gentlemen.

### FORMER CASS COUNTY CITIZEN VISITING HERE

From Thursday's Daily.

Last evening Julius Bock of Newcastle, Wyoming, arrived in this city and will visit here until Monday, as a guest at the home of his sister, Mrs. William Hunter here. Mr. Bock is a former resident of Cass county but a few years removed to Wyo., where he engaged in the cattle business. He brought a car of cattle with him from his Wyoming ranch and decided to drop in here to visit his sister for a few days after disposing of his stock on the South Omaha market. The many old friends and acquaintances of Mr. Bock were greatly pleased to visit with him again.

### Beautiful Shetland Ponies for sale at all times, for the next 100 years, unless I die in the meantime. I have now an extra fine stallion, the best in the state, for sale. Well broke for both harness and saddle.

### A SOLDIER OF THE FRANCO-PRUSSIAN WAR LIVES IN PLATTSMOUTH

On this celebration of German Day the attention of the public is called to the fact that in this city lives a veteran who, during the Franco-Prussian war, fought bravely under the flag of King William of Prussia, who later, in the palace of the French emperor at Paris, was proclaimed the first emperor of new Germany. This man is our old friend, Herman Spies, and he greatly prizes the honorable discharge given him by the commanding officer of his regiment in 1873, when he left his native land for America. Mr. Spies served through the war in the Third German army under the command of Prince Frederick William, who later succeeded his father on the throne of Germany, and Mr. Spies participated in the entrance of Paris and in the battle that preceded the surrender of the French capital. He has his discharge papers exhibited in the window of his cigar factory, where all can see these papers, which are highly prized by this gentleman and justly so, as proof of his valor on the battle field. The documents give the names of the different battles in which he took part.

THE sudden change in weather Saturday made a sudden change of ownership in a large number of our fall Suits and Overcoats.

The new shawl collar model, belted back style overcoat is making a big hit—especially in the new "wooly" fabrics. Our values at \$15, \$16.50, \$18 and \$20 are exceptional. Perfectly tailored garments at \$20, \$22.50, \$25 and \$27.50. We advise you to make your selection now while the showing is at it's best.
