

Mrs. Dilberry was in our store this mornin' and say! she sure is a speeder when it comes to gab! The only chance a feller'd have when she's around would be with the deff and dumb language. It's a good thing that our stock speaks for itself and don't need any barker or spieler to attract your attention! No sir! they just sell themselves once you see 'em. Now, there's our line of fall and winter hose for every member of the family; besides a new lot of Golf Gloves and mittens that are warm and fleecy, besides many other needful articles too numerous to mention. Just state your needs and we will fill them promptly, both in dry goods and groceries.

H. M. SOENNICHSEN

Here for a Few Minutes.

This morning H. E. Byram, vice president of the Burlington, came in on No. 15 and spent a few minutes here en route to Omaha and Lincoln. Mr. Byram came in his private car, which was attached to No. 15. He will make a short tour of the lines west of the river, including the new Wyoming line.

Woodmen Give Pleasant Dance.

Saturday evening the Modern Woodmen of America gave a very pleasant social dance at their hall at the corner of Sixth and Pearl streets, and despite the very disagreeable weather a good sized crowd of young people was present to enjoy the pleasures of the dance. The Holly orchestra furnished the music for the occasion, and the tunes proved very pleasing to the dancers.

Whole Family Benefited By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something like

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 82 Plum St., Atlanta Ga., writes:

"I have on several occasions been vastly relieved by the use of your medicines, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nerve."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain, nervousness and irritability in thousands of households. Of proven merit after twenty years' use, you can have no reason for being longer without them.

At all Drugists, 25 doses 25 cents. MILES MEDICAL CO., Elkhart, Ind.

J. F. Clugey, who has a contract for grading and has been located at Delmar Junction, Iowa, for the past few weeks, arrived in this city Saturday evening for a visit over Sunday with his family. Mrs. Clugey and little daughter met Mr. Clugey at Omaha and accompanied him home. Mr. Clugey, on returning to his duties, will be located at Browns, Iowa.

The Methodist Ladies' Aid society will be entertained in the church parlors Wednesday afternoon by Mrs. J. N. Elliott, Mrs. J. W. Elliott and Mrs. H. S. Barthold. All ladies bring needles and thimbles; we will have work to do. Please notice change of date.

MYNARD HOMES FOR SALE

Suitable for Retired Farmers.

Having accepted a position that makes it necessary for me to reside in Omaha, I will sell either one or both of the following described homes, located in Mynard, Nebraska:

One 5-room cottage, with good well, wash house, coal house, barn (46x38), plenty of fruit, consisting of apples, peaches, cherries, plums and grapes. Ground consists of about 3 acres of deeded land and two acres of leased land, perpetual lease. About two acres of this land is in alfalfa, that produced more than ten tons of hay this season.

Other home, consisting of five lots, centrally located in Mynard, is a six-room cottage in first-class condition, with good well, cement walks, deep cave (with cement entrance), good barn, with shop, garage, stalls and haymow, wagon and wood shed. Fruit consists of 1,400-plant strawberry bed, planted this spring; peaches, plums, cherries and grapes. Entire place is fenced with chicken tight woven wire.

Having no use for it, I will also sell my 5-passenger Maxwell touring car, Model A. E.

Will give favorable terms to anyone wishing to buy.

W. B. PORTER, 10-6-13.

Simon Clark and wife were passengers Saturday afternoon for Cedar Creek, where they spent Sunday at the home of their daughter and family in that city.

Misses Julia Hermann, Gretchen and Marie Donnelly were passengers this morning on the early Burlington train for Omaha, where they will visit for the day.

Charles Countryman, from near Nehawka, came up this morning from his home and was a passenger on the early Burlington train for Omaha, where he was called on business matters.

Mrs. John Svoboda and two sons were passengers this morning for Omaha, where they will spend the day and where the boys will consult Dr. Gifford in regard to their eyes, which have been giving them much trouble.

VERIFY IT

The Proof is in Plattsmouth, Almost at Your Door.

The public statement of a Plattsmouth citizen is in itself strong proof for Plattsmouth people, but confirmation strengthens the evidence.

Here is a Plattsmouth citizen who testified years ago that Doan's Kidney Pills relieved weak kidneys and now states the result was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Herman Tiekoeffer, contractor, Ninth and Day streets, Plattsmouth, Neb., says: "My kidneys caused me much trouble and there was a dull, tired feeling across my loins. If I stooped or straightened, my back hurt me and in the morning I was all tired out. I heard so much said about Doan's Kidney Pills that I finally got a box. They promptly relieved every symptom of the complaint. At that time I publicly endorsed Doan's Kidney Pills and I am now glad to confirm all I then said. The trouble has never returned."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

IMPROVEMENTS IN THE CITY OF PLATTSMOUTH

Evidences of Considerable Improving in Our City During the Present Season.

From Saturday's Daily.

The spirit of improvement which has been constantly growing in this city in all lines, seems to be still on the increase, and in every part of the city there has been much work done on the different residence properties and also in the public improvements, such as permanent walks, and there is hardly a city that can show as many miles of good permanent walks as Plattsmouth, which scattered over all these hills and dales is well provided with these valuable walks and the city is constantly adding to the walks as fast as the funds of the city will permit, and it can be a source of much satisfaction to the present city administration, as most of these walks have been placed in the past two years.

In the residence part of the city almost every home has felt to a greater or lesser extent the spirit of improvement by having the properties fixed up in a manner worthy of our little city, and in many cases new homes have been erected and others remodeled and made into modern houses, which will make for their owners nice, comfortable homes.

This same condition is also true of the business section of the city, where several of the business houses have placed additions on their places and increased the capacity of the store rooms to accommodate the rapidly increasing business that is carried on here.

One of the chief additions to the business section of the city is the fine new building owned by H. M. Soennichsen and occupied by him with his splendid store, and the brick addition that has been placed on the rear of the Journal building, in which the new Goss press has been placed. The firm of Krohler Brothers has also gotten the new brick addition to their store building nearly completed, which will give them a fine place to maintain their work-shop.

These are just a few of the many changes that have contributed to the advancement of the city, but they show the trend of improvement and the coming season will prove even more successful in the city.

John H. Becker Down Town.

From Saturday's Daily. John H. Becker, who for the past week has been confined to his home by sickness, was able to be down town yesterday afternoon, and his appearance was hailed with much pleasure by his large circle of friends, who have greatly missed him since his indisposition. Mr. Becker was quite sick for several days and his condition greatly alarmed his family, but fortunately he recovered from his sickness without serious results and is again able to be up and around.

To Organize Teams.

From Friday's Daily. Preparations have been made at the German Turner hall for the organization of several basketball teams among the different classes taking turning there, and also for two indoor base ball teams among the activities of the turners, and these two sports will add much interest to the work of the winter season. The classes will meet next week on Tuesday, Wednesday and Friday, owing to the fact that one lesson was missed last week.

CHANGING THE TRACKS AT THE BURLINGTON STATION IN THIS CITY

From Friday's Daily.

The work of making the changes in the tracks at the Burlington passenger station in this city is progressing very rapidly as there is a big extra gang of Italians here under the charge of Mr. McAllister of the Burlington, and they are making things hum in the changing of the tracks over some four feet from where they are at present in order to permit the extending of the platform to the north some 100 feet as well as making the platform wider for the accommodation of the passengers. The material for the platform is already on the ground, and as soon as the track gang finishes its work the construction of the platform will be started. The relaying of the tracks will make a great deal of work as many of the switchstands in the yards will have to be changed and the leads for the different tracks shortened up to permit of the building of the platform.

LADIES' AID OF THE METHODIST CHURCH ENJOY SOCIAL TIME

From Friday's Daily.

The Ladies' Aid society of the Methodist church last evening held an "experience meeting" in the church parlors that proved one of the most pleasant events that the society has held for some time. The experience feature of the evening consisted in the different members relating how they had earned the \$1 which they had pledged to contribute to the good cause of the society, and there were some very humorous stories related as to how the different fathers and husbands had been jollied out of the coin. The meeting was one that was much enjoyed by the members and the time passed very swiftly in listening to the splendid program prepared by the ladies, which embraced a number of the leading musicians of the city, which, combined with the experience feature of the evening made it an occasion of much pleasure to all who attended. There were some forty-seven ladies present at the meeting and all enjoyed the delicious treat in the shape of refreshments that had been prepared and was served by the members of the society, and the members of the party departed for their homes feeling that the event had been the most enjoyable in the history of the society.

Fined \$5 for Speeding.

From Friday's Daily. Yesterday afternoon Earl Viall and John Hansen, the two young men from Nehawka, who were charged with violating the state speed law with their motorcycles, appeared in the court of Justice M. Archer and entered a plea of guilty to the charge preferred against them, and received a fine of \$5 each, which they paid and left at once for their homes.

Mrs. C. A. Marshall Returns.

From Friday's Daily. This afternoon Mrs. C. A. Marshall who has been at Immanuel hospital in Omaha for the past few weeks taking treatment was able to return to her home in this city. Mrs. Marshall is feeling much improved in health and her return home was the cause of much rejoicing to her family and friends throughout the city as they were much worried over her condition.

GERMAN LADIES AID SOCIETY MEETS WITH MRS. LOUIS DOSE

From Friday's Daily. The German Ladies' Aid society yesterday afternoon met at the home of Mrs. Louis Dose on Wintersteen Hill and the afternoon was most enjoyably spent by the company in visiting among themselves and talking over the plans for the winter's work of the society. The hostess, at an appropriate hour, served some very tempting and delicious refreshments which were much appreciated by all who were present and they were delighted at the hospitality shown them. The meeting was attended by a large number of the members of the society and on departing they voted Mrs. Dose a royal entertainer.
