POLLOCK PARMELE AND PARTY VISITS EGYPT

(Continued from Page 1)

caves and we didn't spend much time exploring where it was dark, and we were glad to get in the light again, even if the thermometer was nearly 100 degrees.

The other combs we visited were those of Rameses II, and Amenhotip II; they were nearly the same and in many cases the mummies have been removed, but the tombs themselves and the decorations are exactly as they were when made thousands of years ago.

Many of the discoveries are practically new and there are probably thousands of tombs yet undiscovered, but the scientists are always at work and we may in a few years have something certain about the ancient Egyptians, but at present I think there are very few facts known about the tombs and these old ruins.

We also spent a day at the Pyramids at Cairo; they are simply great monuments to the centuries of mystery behind us, and to be interesting one must give their imagination full play. I guess I've written about enough, but Egypt can't be described; it must be seen to be appreciated, and the few weeks we have been here have just given me a faint idea of what there is to see and learn about the country.

We stay a week more in Egypt,

and from here go to Ceylon, India, Java, Japan, China and other countries of interest on the "way around," and expect to get home some time in June. With best wishes to my friends in Plattsmouth,

Pollock Parmele.

R. L. PROPST TO ATTEND A REUNION OF OLD SETTLERS AT LOGAN, IOWA

From Saturday's Daily.

Robert L. Propst and wife departed this morning for Logan, Iowa, where they will attend a reunion of old settlers being held in that place. The reunion is one of the Kansas sufferers who some thirty-five years ago were forced to leave that state on account of the drouth and grasshoppers, and who moved northward from Lincoln county, Kansas, to Nebraska and Iowa, and they have, with the exception of one family, all settled within a radius of some 125 miles of this city. Most of these farmer sufferers have done very well since their removal, and the meeting at Logan will be a most pleasant one. Mr. Propst is on the program for an address, and the old settlers can look for a rattling good speech from our worthy friend.

TO IMPROVE PRETTY HAIR AND BEAUTIFY UGLY HAIR

Harmony Hair Beautifier, a delightful liquid hair dressing, is just what it is named—a hair beautifier. No matter how pretty your hair now is, it can be made to look even better by using Harmony Hair Beautifier. To those who mourn because the hair is stringy, dull, lusterless and homely, Harmony Hair Beautifier will prove a real blessing and pleasure. It seems to polish and burnish the hair, making it glossy, silky-soft and more easy to put up in graceful, wavy folds that "stay put." It overcomes the oily smell of the hair with a dainty, true-rose fragrance, very pleasing to the user and those around.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-

shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, 81.00, Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—F. THE FUNERAL OF MRS JESSE HINER HELD YESTERDAY

Remains Followed to the Silent Tomb by a Large Number of Sympathetic Friends.

From Friday's Daily.

The funeral services of the late Mrs. Jesse Hiner were held yesterday from the home and were attended by a large number of sorrowing friends and neighbors of this worthy lady, who gathered for the last time to pay their tributes of respect and esteem. Rev. F. M. Druiner of the Methodist church had charge of the services and his remarks were filled with words of comfort for the sorrowing family and he paid a glowing tribute to the departed lady, who had been a member of the Methodist church for many years. The interment was made in Oak Hill cemetery.

Lucy Ann Turner was born at Buffalo, New York, August 21, 1849, and resided there with her parents until the year 1861, when they removed to Black Hawk county, Iowa, where they resided for three years, at which time her parents moved to Rock Island county, Illinois, where she resided until August 1, 1866, on which date she was united in marriage to Jesse Hiner. Mr. and Mrs. Hiner continued to reside in Rock Island county, Illinois, until the year 1872, when they decided to seek their fortune in the west, moving to Marshall county, Kansas, in 1872. They moved from Marshall county to Osborne county, Kansas, six years later, and from there to Mills county, Iowa, where they resided until the year 1903, at which date they became residents of Plattsmouth, Nebraska, where they have continued to reside.

Fifteen children were the issue of said marriage, of which six are now living, being three sons and three daughters—Frank, Henry, William, Bertha, Pearl, Boethel and Ruby Ely Shipley—who, together with the husband and father, Jesse Hiner, are left to mourn the loss of a tender and loving wife and mother. A brother, George Turner, of Boise, Idaho, and a half-brother, W. D. Tunison, of Malvern, Iowa, are also left to mourn her death.

Mrs. Hiner had suffered much during the past seven months from a general break-down, brought on by old age and the hardships of pioneer life, but during all of her sickness was uncomplaining and thoughtful of those dear to her. Her death occurred at 9 o'clock on the morning of October 28, 1913, in her sixty-fourth year, bringing to a close a life of usefulness and tender mercy. Besides the members of her immediate family who are left to mourn her loss, the deceased leaves a large concourse of sorrowing friends.

MRS. NICHOLAS HALMES FALLS AND SERIOUSLY INJURES HERSELF

From Saturday's Daily.

Mrs. Nicholas Halmes met with a very serious and painful accident Thursday afternoon at her home in this city. Mrs. Halmes had started out to pay a visit to the home of one of her neighbors and while walking along on the sidewalk she suddenly fell, and in doing so fell on her side and shoulder, with the result that her left shoulder was dislocated and one rib on the left side broken.

Mrs. Halmes was conveyed to her home by her neighbors and a physician summoned to attend to her injuries. Mrs. Halmes spent a very painful night and suffered greatly, but was feeling a little improved yesterday and today and the many friends of this most estimable lady are hopeful that she will soon be able to be up and around again in her usual good health. Mrs. Halmes is quite well advanced in years, which makes her accident a great deal more serious than it would be otherwise.
