THE FUNERAL OF HENRY HOFFART

A Former Citizen of Cass County, and Highly Respected Here and in His Former Home.

This morning Adam Kaffenberger and wife returned from Plainview, Nebraska, where they were called to attend the funeral of Henry Hoffart, an old-time friend of Mr. Kaffenberger, and with whom he had been reared in Germany, and the death of his life-time friend and comrade was the source of a deep and lasting grief to our worthy friend, Mr. Kaffenberger.

The funeral was held Sunday at the German church near Eden Valley, in Pierce county, near which the deceased had resided for a number of years, and was conducted by Rev. Vaoyke, the pastor of the church. The pallbearers at the funeral were selected from among the neighbors in Pierce county, and three from the old friends in Cass county, where the deceased had lived for so many years and where he was most highly esteemed. The three from this county were Adam Kaffenberger of Cedar Creek, George Schantz of Plattsmouth and Adam Mohr of La Platte, and they bore the casket that contained all that was mortal of their old friend to its last resting place in the Eden Valley cemetery. The services were attended by over 500 of the sorrowing friends, and among those attending from this section were: Henry Hirz, George Schantz, Adam Kaffenberger and wife, Gus Mohr and Mr. and Mrs. William Rummel, the last named lady being a daughter of Mr. Hoffart.

Henry Hoffart was born March 29, 1838, in Kirch-Brombach, Hessen Darmstadt, Germany, and here he resided during the larger part of his lifetime. He was united in marriage in 1863 to Miss Kathrina Falter, and to this union seven children were born as follows: Henry G. Hoffart, Michael Hoffart, Louis Hoffart, Jacob Hoffart, Mrs. William Rummel of Plattsmouth, Mrs. John Hoferer and Mrs. Willie Falter. The loving companionship of husband and wife continued until 1900, when death claimed the wife and mother.

Mr. Hoffart, with his family, emigrated to the United States in 1883 to join his two sons, who had preceded the rest of the family in 1880 and 1881. He came to Plattsmouth and located here and engaged in farming until 1893, when he removed with his family to Eden Valley, Pierce county, where he has since resided. Death came to him almost without warning, as he had been ailing for only two days before he passed away, but as he was a sufferer for a number of years from heart trouble, his death is attributed to this cause, and after his sickness, despite all that loving hands and medical skill could do he gradually grew worse, and on Friday, October 31, at 1 o'clock in the afternoon, he passed away.

Card of Thanks.
To those who were so kind to us during the last sickness and at the funeral of our beloved father we desire to return our most heartfelt thanks, and while words fail to express our gratitude, we trust that we may repay sometime the kindness shown us.
The Children of Henry Hoffart.

PROPERTY ORDERED SOLD AND PROCEEDS DIVIDED EQUALLY

This morning District Judge James T. Begley came down from Papillion to hold a short session of district court and to dispose of such matters as were to come up for consideration. The case of Mrs. Amelia Sherwood vs. Robert Sherwood, sr., was brought up for hearing at the opening of court. This suit was started for separate maintenance, but was later amended to allow of a separation, as the parties were unable to get along. The court at the former session urged the parties to agree upon a settlement of the case among themselves, but as it was not done, the court today ordered the property of the parties sold and divided equally between the husband and wife.

Buys a New Auto.

Mrs. Katherine R. Erhart of Manley, Neb., purchased a six-passenger Hupmobile a few days ago from Messrs. Wiles Brothers. This is the first of the large size Hupmobile touring cars that has come in this territory. This car is particularly well adapted to the needs of one who has a large family, and its long, graceful lines gives it a distinctive appearance that sets it apart somewhat from the average run of cars.

ANNUAL BANQUET OF YOUNG MEN'S BIBLE CLASS OF THE METHODIST CHURCH

Among the delightful events planned for the winter season by the Young Men's Bible class of the Methodist church is the annual banquet, which promises to be even better than those that have preceded it, if this were possible. These events have become one of the features of the winter social season that the young men of the city look forward to, and it is only a question with the management of the banquet as to how many it will be necessary to turn away, as the demand always exceeded the supply of tickets for the gathering. The event is scheduled to take place in a short time, as soon as the committee finally completes its arrangements in regard to the speakers and other details necessary to make the event a glowing success.

INVITED TO SHAKE THE PLATTSMOUTH DUST FROM HIS FEET AND DEPART

This morning Alex Hunter, who has become quite notorious throughout this section by his troubles with the law in various forms, showed his well known and familiar countenance in Judge Archer's court, being brought up on a charge of drunkenness. The judge, who has grown used to the shortcomings of Alex, wasted little time on him and assessed a fine of \$5 and costs, and then inquired of the prisoner if the warmer climate of Iowa was not more suited to his delicate health, and Alex at once agreed with the court that he could do much better there and he was released on the promise to leave for the other side of the Big Muddy and shake the dust of Plattsmouth from his feet.

HELPERS OF THE CHRISTIAN CHURCH MEET TONIGHT AT THE RHN HOME

This evening at the home of Philip Rihn, in the north part of the city, will occur the meeting of the Helpers of the Christian church and a fine time, both socially and intellectually is anticipated and the meeting will have the pleasure of an address by Attorney A. L. Tidd of this city, who will take as his subject, "On the Witness Stand," and as Mr. Tidd is one of our best, well informed men, the lecture promises much profit to those who attend. In addition to the lecture feature of the evening there will be a debate, participated in by the different members of the society, and in the debate, which is on the subject of "Equal Suffrage," M. S. Briggs will lead for the affirmative, while Oliver Hudson will marshal the negative side of the question, and as able speakers will appear on both sides, it may be expected that the question will be thoroughly threshed out before the meeting is over. The young men of the class are looking forward with pleasure to the meeting.

Mrs. W. P. Cook Better.
The condition of Mrs. William P. Cook, who a few days ago suffered a stroke of paralysis, is reported as being slightly improved and her friends and family are feeling much encouraged over her apparent gain in strength. That this worthy lady will continue to improve is the sincere wish of her many friends throughout the city, who have learned with regret of her misfortune.

"The Effect of Your Message Greatly Depends Upon the Style and Quality of Your Stationery"

You are more often judged by the paper you use than by the thoughts you express in writing. Pride, good taste—refinement all demand that you use stationery that is distinctive, stylish, good. Shown here are two brands of stationery to be had in a wide variety of beautiful tints, modish shapes and correct sizes—each so rarely good that its use will help establish you as a person of excellent good taste in the minds of those you write to.

STUDENTS CENSURED FOR MARKING SIDES OF THE SCHOOL BUILDING

Some few days ago some of the parties at the High school painted a large white figure 1916 upon the side of the building. This seemed to have roused the class spirit of some of the other classes, because the next evening a large red 1915 appeared to still further disgrace the neat-appearing school building, and then, in resentment, the painters of the first sign proceeded to paint over the 1915 the name 1916, and this last action was the last straw with the school authorities, who immediately issued an ultimatum to the students that if the offending figures were not removed from the building there would be something unpleasant stirring. The hint from the authorities was sufficient and the sorrowing students were compelled to labor quite vigorously to wipe out the signs of their foolishness.

K. S. Society to Give Dance.
The Katolitsky Sokol society will give another of their very pleasant social dances at their hall on West Locust street on Saturday evening, November 22. The public is cordially invited to attend this pleasant event. The music will be furnished by the "Weary Willie" band, which played at the last dance which was given by this organization. Remember the date and be on hand.

Holds Quarterly Conference.

Last evening Dr. J. M. Embree of Nebraska City, district superintendent of the Methodist church, was in the city and held the fourth quarterly conference of the church. In the recent meeting of the church at Lincoln the state was re-arranged and the residents of this city feel most fortunate in retaining Mr. Embree, who has had charge here for a number of years.
