

BISHOP WILLIAMS CONDUCTS SERVICES AT ST. LUKE'S CHURCH

There was a large and pleasing congregation present at St. Luke's at St. Luke's church yesterday, church yesterday at the morning services, to hear the bishop of the diocese, Right Rev. Arthur L. Williams, of Omaha, who preached at both services. The bishop at the morning service gave a very able and instructive sermon on the great convention of the church that has just closed in New York City, and on the work of the church throughout the country. The bishop is one of the finest pulpit orators in the state and his visits to this city are always an occasion of much pleasure to the members of the parish, and the bishop stated yesterday it was always a great pleasure for him to be in this city among his church people. The bishop at the morning service celebrated Holy Communion, which was participated in by the members of the parish.

VERY IMPORTANT CASE IS FILED IN THE DISTRICT COURT

This afternoon a case was filed in the district court by Emma Kaufmann against Thomas E. Parmele, of Louisville, and the plaintiff in her petition alleges that William Volk, her common law husband, was on the first day of February, 1910, the owner of \$40,000 of gold coupon bonds, bearing interest at 6 per cent, and \$5,000 of preferred capital stock of the telephone company of Norfolk, Nebraska, which he received in exchange for a farm. The petition also has a reproduction of a receipt from Parmele to Volk for the bonds and stock, which were to be held in the Bank of Commerce for five years and said Volk was to receive the income from the bonds and stocks. The plaintiff alleges in her petition that the defendant has converted the bonds and stock for his own use and has made no accounting to the plaintiff for them or their value, and she asks that the amount be given her.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."
"Don't sleep in hot rooms."
"Don't avoid the fresh air."
"Don't stuff yourself at meal time. Over-eating reduces your resistance."

To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.

ANOTHER DE- CISIVE VICTORY FOR BOOSTERS

They Get Away With the Council Bluffs Boys by the Score of 44 to 0—Good Boys!

The Platts-mouth foot ball team added to its laurels Sunday afternoon when they won a decisive victory from the Council Bluffs Giants, one of the fastest teams and one that is considered the champions of the Iowa city, by a score of 44 to 0. The game was the best that has been played here so far this season, and the locals covered themselves with glory in their work in the game and at no time did the visitors look dangerous, as the ball was kept in their territory all the time and their attempts to stop the swift line drives and rushes of the locals was without avail.

The one bright star of the game was Bob Bilstein, the full-back for Platts-mouth, who is certainly there and over in the foot ball game, as he tore holes through the Council Bluffs line at will and there seemed to be no way of stopping him, as he carried four or five of the Bluffites several yards each time and secured two touchdowns. Byron Arries, who played right half-back, was also quite successful in addition to the scoring for Platts-mouth, by carrying the ball over the line for three touchdowns, while Pete Herold added to the agony by securing three touchdowns also for the locals. The judgment of Herold on finding the weak places in the Council Bluffs line could not be improved upon, as almost every effort of the boys to get through the line was successful, and on the goal kicking they only failed in one try in putting the pigskin over the goal posts. There was a very good-sized crowd present and much enthusiasm was shown by the rooters of the excellent work done by the boys.

The next contest to be staged will be with Glenwood, who claims to have a fast team, but they have no terrors for the team here and they hope to add another victory to their list, and they should have a good crowd out to assist them by their rooting to win from the Iowa boys.
