**CELEBRATE
THEIR GOLDEN
WEDDING**

Mr. and Mrs. Henry J. Streight
Were Married Fifty Years
Ago Today.

Today marks the golden wed-
ding anniversary of two of our
most highly esteemed pioneer
residents, Mr. and Mrs. Henry J.
Streight, who fifty years ago to-
day were united in the holy bonds
of wedlock by Rev. Gage of the
Methodist church, at what was
then called Mt. Pleasant town,
situated near where Nehawka
now stands. The young people
were then residents of Platts-
mouth, where the Streight fam-
ily had moved in April of that
year from Iowa, where they emi-
grated from their old home in
Rhode Island in 1856.

The bride of fifty years ago,
Miss Elizabeth C. Wells, was born
in Ohio and came west with her
family, locating finally in Platts-
mouth, where she met Mr.
Streight, who wooed and won her
for his wife.

Mr. Streight was born at
Natick, Rhode Island, some seven-
ty-four years ago, and accom-
panied his parents here to the
west in the pioneer days, and
since 1863 has been almost con-
tinuously a resident of this city,
and the happy married life of
these two grand old people has
been a model to all who have had
the pleasure of knowing them,
and they have been held in the
highest esteem and affection by

everyone in the city during their
long residence here.

After the marriage Mr. and
Mrs. Streight continued to make
their home here, where the hus-
band was engaged in various
business undertakings until
1876, when they removed to
South Bend, Neb., residing there
until 1887, when they moved back
to Plattsmouth, and in 1889 Mr.
Streight received the appoint-
ment as postmaster from Presi-
dent Harrison, holding this office
until 1895, when he retired to en-
gage in the furniture business
for a number of years until his
health began to fail, when he re-
tired from the active manage-
ment, leaving it in the hands of
his son, W. J. Streight. For the
past two or three years Mr.
Streight has been quite feeble,
and in his sickness has had the
loving attention of his helpmate
in caring for him.

Three children are living of
the marriage of Mr. and Mrs.
Streight, as follows: William J.
Streight of Plattsmouth, Edward
Streight of Portland, Oregon, and
Mrs. Arthur J. Jackson of Oun-
aha, and the celebration of the
fiftieth wedding anniversary of
their parents will be a most
pleasing occasion for them.

To Mr. and Mrs. Streight the
Journal takes pleasure in com-
panying with their many other
friends, in trusting that they may
live to enjoy many more an-
niversaries of the happiest event
of their lives.

Carty's Mishaps" Very Highly
for Musical Comedy.

In this season of musical
farce successes none, according
to advance reports, has made the
solid, substantial success that
has fallen to "McCarty's Mis-
haps." This musical farce ran
for one year in New York. "Mc-
Carty's Mishaps" has but one
purpose—to incite laughter. It
is a bright, snappy show with a
wealth of fun and a host of
pretty girls and has made a big
hit wherever it has appeared.

**OH! YOU HAVE SUCH
BEAUTIFUL HAIR**

What a pleasant thing to have
said to you! And why shouldn't
it be? You who envy others their
lovely hair, and are ashamed of
the dull, lifeless, straggly appear-
ance of your own—use Harmony
Hair Beautifier, and let others
envy you.

This delightful liquid seems to
polish and brighten the hair, giv-
ing it that burnished, lustrous
look you have so often wished it
might have, adding to its soft-
ness, making it easier to put up
and "stay put"—making it more
attractive and beautiful in every
way. It overcomes the unpleas-
ant, oily smell of your hair, leav-
ing a dainty, rich rose perfume
that will delight you and those
around you. Very easy to apply—
simply sprinkle a little on your
hair each time before brushing.
Contains no oil; will not change
the color of hair, nor darken
gray hair.

To keep hair and scalp dand-
ruff-free and clean, use Har-
mony Shampoo. This pure liquid
shampoo gives an instantaneous
rich lather that immediately
penetrates to every part of hair
and scalp, insuring a quick, thor-
ough cleansing. Washed off just
as quickly, the entire operation
takes only a few moments. Can't
harm the hair; leaves no harsh-
ness or stickiness—just a sweet
cleanness.

Both preparations come in odd-
shaped, very ornamental bottles,
with sprinkler tops. Harmony

**DASTARDLY ATTEMPT
UPON THE LIFE OF
CLARENCE PRICE**

A very dastardly attempt was
made upon the life of Clarence
Price last evening as he was
walking out Washington avenue;
as he approached Vine street, at
Seventh, he was met by someone,
who, without warning, so he
states, drew a large knife and
made a slash at him, which he at-
tempted to dodge, with the result
that the knife struck him just
above the right ear, inflicting a
dangerous wound, and a slight
distance lower would have caused
his death. Who the party mak-
ing the assault was the victim was
unable to say, as the attack was
so sudden he had no time to look
around, but whoever it was should
be punished to the full extent of
the law, as it was a most vicious
attack and evidently made with
a view of ending his earthly exist-
ence.

**DON'T DOPE A
PUNTY CHILD**

Parents—don't give that puny,
ailing, under-weight child any of
those so-called "tonics" contain-
ing alcohol or dangerous drugs;
such stuff won't give relief and
health to grown people, let alone
children. Its purpose is to stimu-
late for a short time after each
dose, just as whisky or mor-
phine does, thus making you be-
lieve it is doing real good.

Give that child something that
will really build it up—replenish
the wasted tissues—feed the
stunted, dwarfed, puny muscles—
make it lively, strong, well—
full of the animal spirits child-
ren are meant by nature to
have. Give it Rexall Olive Oil
Emulsion.

Rexall Olive Oil Emulsion is
wholesome, nourishing, free
from alcohol and dangerous
drugs. It's the ideal nerve,
blood and body builder. It does
the work it is planned to do bet-
ter than any other medicine we
know of, and our faith in it is so
great that we not only urge you
to use it and give it to your child-
ren—but we guarantee that it
will do all we say it will, or cost
you nothing.

Rexall Olive Oil Emulsion
should be given to children who
catch cold easily. Begin right
now, and use it to build up the
child's system to such strong
health that it can resist colds,
croup, grippe, bronchitis, catar-
rh, pneumonia, and other cold
weather diseases. You who are
weak and run-down, and you
who are well now, but are liable
to suffer from various cold
weather ailments, use Rexall
Olive Oil Emulsion to get and
keep well and strong. For the
tired-out, run-down, nervous,
emaciated or debilitated—the
convalescing—growing children
—aged people—it is a sensible
aid to renewed strength, better
spirits, glowing health.

Rexall Olive Oil Emulsion—
king of the celebrated Rexall
Remedies—is for freedom from
sickness of you and your family.
Pleasant-tasting, containing no
alcohol or dangerous drugs,
you'll be as enthusiastic about it
as we are when you have noted
its strengthening, invigorating,
building-up, disease-preventing
effects. If it does not help you,
your money will be given back to
you without argument. Sold in
this community only at our store

**PLATTSMOUTH
BOOSTERS WIN
ANOTHER GAME**

Havelock Foot Ball Team Didn't
Touch the Plattsmouth Boys
in the Game.

In a well played foot ball game
yesterday afternoon the Platts-
mouth team kept its slate clean
by defeating the Havelock Boost-
ers by a score of 28 to 0. "Chick"
Coffee was easily the star of the
contest, besides scoring 10 points
for the Boosters and making great
gains for them on the field, his
work on the interference was
superb. Time after time he broke
through the opposing line and
spilled the Havelock secondary
defense, thereby making it possi-
ble for B. Arries and Herold to
make substantial gains. B. Arries
and Herold made good gains
through the opposing line, the
former scoring one touchdown and
the latter two. Noble played a
stellar defensive game yesterday,
making tackles that were seemi-
ngly impossible.

Havelock won the toss and
chose to defend the west goal.
Coffee kicked off to the shopen,
but they fumbled the ball, which
was recovered by Wartstadt. The
first quarter was replete with
fumbles, the only substantial
gain being made in the final
moments on a forward pass,
Coffee to B. Arries. Plattsmouth
started the second quarter with
the ball on the Havelock 15-yard
line, and on a series of line
plunges carried the ball to the
one yard line, when Coffee car-
ried it over for a touchdown and
kicked the goal, making the score
at the end of the quarter 7 to 0 in
favor of Plattsmouth. Coffee
kicked off to Havelock, but the
ball was soon recovered by Platts-
mouth and Coffee immediately
scored a drop kick from the
thirty-five-yard line, adding three
points to our score. On the kick
off to Havelock the Boosters
made the first down on a beau-
tiful forward pass, but Platts-
mouth held for downs and soon
had the ball on their ten-yard
line, when B. Arries skirted
around the right end for a
touchdown, which made the
score stand 16 to 0, and the vis-
itors still held the big cipher.

In the last half Coffee made
some brilliant line plunges and
end runs that made the two
touchdowns by Herold possible,
and assisted in the humiliation
of the visitors. Coffee fumbled
at both goal kicks, leaving the
final score standing 28 to 0,
which is a splendid victory, as
the Havelock boys have a fast
team and some good plays were
used in the game yesterday, in-
cluding the "spread" play that
has aided the Iowa team so much
this season.

Up to date the Plattsmouth
team has made a splendid record,
having scored 92 points, while
their opponents have not been
able to score upon them. Thank-
sgiving day the Boosters will take
on the Spaulding team, undis-
puted champions of Omaha, and
a big crowd should be present to
assist in adding another victory
to the list secured by the Platts-
mouth team and which places
them in the lists as one of the
best of the amateur teams of the
state.

**JOHN KIRKHAM MADE
THE VICTIM OF A VERY
PLEASANT SURPRISE**

Saturday evening John Kirk-
ham was made the "victim" of a
very pleasant surprise from some
of his friends on the oc-
casion of the passing of his
forty-third milestone, and the
event will be long remembered
with pleasure by Mr. Kirkham.
The chief feature of the evening,
outside of the general good time
enjoyed in renewing of the
friendships of the jolly party was
the luncheon served, and every-
one present was delighted with
the manner in which the feast
had been prepared, and the chef
who prepared the repast will
have little trouble in securing a
position in any establishment
where first-class cooking is de-
manded.

**WHY NOT A
HOSPITAL IN
PLATTSMOUTH?**

Need of a Hospital Here Is Ap-
parent to Everyone—Many
Locations Handy.

A matter that has been brought
up several times in the past and
which is certainly a live one, is
that of establishing a hospital in
this city, where those needing
the services and accommodations
of a place of this kind can secure
it without the necessity of going
to Omaha or Lincoln to undergo
treatment. There are many
suitable locations here for an in-
stitution of this kind and they
could be secured very cheap and
the cost of erecting a building
would not be great and the say-
ing that the city would more than
repay the cost of putting up the
building and operating it.

There is a very fine location
for a hospital on West Main
street between Thirteenth and
fourteenth streets, and this tract
of land, embracing the whole
block, would make an ideal loca-
tion for an institution such as
should be put up here. There is
hardly a week that one or two
persons are not taken to Omaha
to be placed in hospitals to take
treatment or be operated upon,
and this entails a large expense
upon the parties going and their
families, and if they were allow-
ed to remain here in their home
town they could receive the same
benefits as if they were sent to
the city.

The physicians in this city are
among the best in this part of the
state and could handle an in-
stitution of this kind with ease
and take care of their patients
with as good results as could be
derived by going to the Omaha
or Lincoln hospitals. Platts-
mouth has advanced along pro-
gressive lines during the past
few years, and it is time that a
hospital was established here, as
the institution could without
doubt be made a paying propo-
sition and prove of untold benefit
to the citizens.

**Guard Your Children
Against Bowel Trouble**

Many children at an early age
become constipated, and frequently
serious consequences result. Not
being able to realize his own con-
dition, a child's bowels should be
constantly watched, and a gentle
laxative given when necessary.
Dr. Miles' Laxative Tablets are
especially well adapted to women
and children. The Sisters of
Christian Charity, 531 Charles St.,
Luzerne, Pa., who attend many
cases of sickness say of them:
"Some time ago we began using Dr.
Miles' Laxative Tablets and find that
we like them very much. Their action
is excellent and we are grateful for
having been made acquainted with
them. We have had good results in
every case and the Sisters are very
much pleased."

The form and flavor of any medi-
cine is very important, no matter
who is to take it. The taste and
appearance are especially important
when children are concerned. All
parents know how hard it is to give
the average child "medicine," even
though the taste is partially dis-
guised. In using Dr. Miles' Lax-
ative Tablets, however, this diffi-
culty is overcome. The shape of
the tablets, their appearance and
candy-like taste at once appeal to
any child, with the result that they
are taken without objection.

The rich chocolate flavor and
absence of other taste make Dr.
Miles' Laxative Tablets the ideal
remedy for children.
