### MRS. GERTRUDE MORGAN ENTERTAINS IN HONOR OF HER DAUGHTER-IN-LAW

The pleasant home of Mrs. Gertrude Morgan, on North Sixth street, was the scene of a very pleasant gathering Saturday afternoon, when the hostess entertained in honor of Mrs. Paul C. Morgan, of Hay Springs, Neb., who is here visiting with her relatives for the holidays. The occasion was in the nature of a Kensington and some forty of the young lady friends of the guest of honor were invited to be present to take part in the enjoyment of the afternoon, and much pleasure was derived in visiting and in the making of different dainty articles such as only the ladies know the secret of preparing. During the course of the afternoon a very tempting two-course luncheon was served by the hostess, assisted by Misses Mary E. Foster, May Murphy and Emma Myers, which served to add a very pleasant touch to the already much enjoyed afternoon, and it was with great regret that the company departed, but all felt great pleasure in having been able to spend a few hours with their friend, Mrs. Morgan.

The box social held at the Jean school house, southwest of this city, last evening was a most enjoyable affair and those attending enjoyed themselves to the utmost in the warm contest over the different tempting boxes offered for sale, and the sale of the boxes resulted in a neat sum being cleared for the school. The school is taught by Elmer Frans of this city, and the success of the entertainment was largely due to his efforts. ### W. E. ROSECRANS AND PARTY RETURN FROM SUNNY TEXAS

Saturday evening W. E. Rosecrans and the party he conducted to southern Texas to view the land there, returned home, having had a most enjoyable trip, and all were greatly pleased with the land there. The party was delayed somewhat by the floods that visited certain parts of the Lone Star state, but outside of this drawback they enjoyed a most delightful time, taking in the many interesting and growing cities in that state. While at Brownville the sight-seers were able to see part of the scenes of the Mexican war, as they were right on the border and across the river were large numbers of Mexican soldiers in Matamoros, just across the river from Brownville, and the party visited here for a few hours, but found everything upset by the war, which has been almost constantly going on in Mexico for the past two years. The Texas land which the party looked over seemed mighty good to the boys and they were well pleased with the trip.

A rich vineyard surrounded by hills and woods delights the eye of every lover of nature. The juicy fruit of European and American vineyards presented by lively maidens is both a delicacy and a nourishment. This is shown in Triner's Wall Calendar for 1914. A copy mailed to any address upon receipt of ten cents, sent to Jos. Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

### PLANS FOR THE WHITE GIFT CHRISTMAS

Yesterday afternoon the pupils of the Methodist Sunday school spent several hours in rehearsing the carols to be used at the White Gift Christmas celebration, to be held this year at the church, and the general plans for the event were discussed and final arrangements made for this celebration of the birthday of the King of Kings. The party for the little folks of 8 years and under will be held on Wednesday afternoon, December 24, at 3 o'clock, at which time a treat will be given the little ones, and fills will be the only treat of the celebration, as the new White Gift Christmas consists in giving instead of receiving. The regular Christmas exercises will be given, to which the general public is cordially invited. The envelopes for the celebration, with suggestions as to the manner of gifts for the King, have been distributed, and they will prove of great good in strengthening the church work, as well as giving many an opportunity to enter into the service of the King more actively.
